

*"Attaining to the Whole Measure of the fullness of Christ,
putting off the Old Self and putting on the New, Created to be
like God in true Righteousness & Holiness"
(Eph. 4:13/24)*

Comes through a sincere revelatory Heavenly Insight and Understanding of all that Luke 3:22 truly represents. It is the only time in the Bible where God the Father (The Heart), God the Son (The Cross) and God the Holy Spirit (The Dove) are collectively recorded in this way. Although Gods New Covenant still had to be "dotted and crossed", this was where it was Birthed. Jesus the Son of Joseph was spiritually metamorphosis-ed that day to Jesus the Christ, the Son of the Living God! He then made Himself unconditionally available to go about His Fathers Business, rooted in The River flowing from Gods Throne Room.
(Genesis 2:9, Psalm 1:3, Jeremiah 17:8 & Revelation 22:2)

DEDICATION

I dedicate this Book to You God the Father (Who is Love – The Heart), God the Son (Who is Light – The Cross), God the Holy Spirit (Who is Life – The Dove) and the Triune 3 in 1 Godhead (Who is Dominion & Authority – The Shekinah Glory) in whom I have recently grown to intimately know not only as Individuals in Your own right but also corporately – To know You in this way is to Love You, reverentially Fear You as well as Interact with You as I never thought possible.

Being Made Whole by *“Becoming mature and attaining to the whole measure of the fullness of Christ, to be made new in the attitude of my mind putting on the new self, Created to be like God in true Righteousness and Holiness”* IS attainable... I might not be where I should be but I am a long way from where I was before I started this Journey back in September 2004 – Where I was happy to eat the crumbs that fell from Your Heavenly Banquet Table, not knowing there was so much more to enjoy wherever I found myself at Home, at Work and at Play.

Although I still have some distance to go, I am very definitely not where I was because I AM on my way! When You audibly told me that day in September 2004 that *“Intimacy with You”* was the key to Being Made Whole I could never have imagined how many facets and forms this would represent.

Some 9 years later I continue to feel like a very spoilt little boy on CHRIST-mas morning at the foot of the CHRIST-mas Tree (The Cross) opening present after present with my name on it from Father (Daddy) CHRIST-mas. Just when I think it's about to come to an end there appears another and another and another and..! I now can sincerely and honestly proclaim before man and God that I no longer just know about You but truly know You as You intended we should on Earth as it is in Heaven and it's *“WOW”* both forwards and backwards!

FORWARD

In September 2004 ten seasoned Born Again, Bible believing Christians from 4 different Churches went to Zimbabwe's closest thing to Gods *“Ezekiel 47 River”* (The Zambezi river) to fish and to have Fellowship – Little did we know that God was going to manifest His Presence among us in a way that very few of us had ever experienced. Like the 10 Lepers who called out to Jesus, most of us were gloriously and wonderfully healed - And at least one of us was shown the Eph. 4:13/4:24 Path to Being Made Whole (B.M.W.) or *“Attaining to the whole Measure of the fullness of Christ Created to be like God in true Righteousness and Holiness”*. The plan was that we go out fishing during the day and get together in the evening for Fellowship. The first evening we got together we experienced something that I cannot stand - Christianese Veneer where everyone puts their best spiritual mask on and then acts way beyond the reality of what and who they really are, putting on a front to impress those around them! This was brought up the next morning and everyone agreed to come prepared that evening to be real and transparent.

That evening it was not long before most of us there were being healed by God in areas they had dared not expose to fellow Christians in the past for fear of being judged and condemned – When men cry they don't just cry but sob from their hearts and it truly was a God Moment where captives who had been bound in a Daniel 3:21-23 *“Fiery Furnace”* were now being set free as never before! I had been here before a number of times and although I had repeatedly been wonderfully and gloriously Healed by God like nine of the ten Lepers, I had yet to Be Made Whole – The fruit of my problem had been removed and replaced but the root remained to fight another day and in due season somewhere in the future would produce another crop as it had repeatedly done in the past!

The next morning during my Quiet Time I cried out to God to give me His Heaven on Earth *“Key”* to **Being Made Whole** and He did not disappoint me – For the first and last time in my 17 years as a Christian I heard audibly from God which has since turned my Walk with and for Him upside down! Nine years later the Word He Gave

me has truly been my “Key” to Eph. 4:13/4:24 “*Being Made Whole*” (B.M.W.). Although I am not yet where I should be I am a long, long way from where I used to be where seasonally I would repeatedly have to go around the same proverbial mountains over and over again! The Bible says that Gods Word will not return void and I can witness with this because through this experience has come that which I only heard but never experienced first hand:

“Exceedingly, abundantly, above all I could imagine”

What I have recorded in this book is my Testimony by the Blood of the Lamb and the Fellowship of the Holy Spirit of Gods Goodness, Mercy and Love for someone who was lost from within the Body of Christ but is now progressively Being Made Whole... In ways words often cannot express! Every Born Again Bible believing Christian has a spiritual Father who Conceived them but very few have an intimate two way relationship focused Gal. 4:6 “*Abba*” (Daddy) who always has his back – I can openly and honestly tell you I now have Both in the extreme!

One day a man holding a live sparrow behind his back confronted Jesus in front of a hostile crowd asking Him if the bird behind his back was dead or alive. If Jesus answered that the bird was alive, he would squeeze its head and show the crowd a dead bird but if Jesus answered that the bird was dead he would open his hand and allow the bird to fly free. Jesus knowing what he intended doing whichever way He answered him replied:

“The answer to that is in your hands!”

This book carries both life and death between its covers and whether or not it’s one or the other to you for such a time as this, is in your hands... Choose Deut. 30:19 “*Life*”!

IN THE BEGINNING

*Before I was formed in the womb God knew me - Before I was born,
He set me apart and appointed me for His Purposes and Plans in His
Time (Jer. 1:5)*

Growing up I went through a series of religious hoops which meant absolutely nothing to me and certainly was not evident in those who were guiding me to so called Christian Enlightenment, so the moment I was given the freedom to do so I rebelled and left. Not only did I not want any part of it but I also made it a goal of mine to find and attack the values of all those at any level who believed what I now know is what Paul calls "A form of Godliness denying the supernatural Power therein". (2 Tim. 3:5). Initially my interest in what they represented would be received by them with a glint in their eyes thinking they had the makings of a potential convert. But within a very short time they would find all manner of reasons to continue our discussion at a later date! Some highlights included a Christian who accused me of being sent by the Devil to undermine his faith and a Minister who came to our house - Within 20 minutes he was wheel spinning out the door as fast as he could! With hindsight I now recognize that there was always one common denominator in all those I confronted: They knew the written Word and could quote it verbatim but they did not know the John 1:14 "Word Person who made His Dwelling among us 2000 years ago". My simple but full-proof method of attack was when they started to quote the Bible I would start quoting "The Thoughts of Mao". (A communist Chinese brain washing booklet that was doing the rounds at the time) Once it was established that neither of us believed the others point of reference, it was only a matter of

time before the inevitable would take place and they would disengage never to come back for seconds! Without the Bible to hide behind, their Christian talk lacked a relevancy and realness that I exposed once I was able to remove it out of the equation! Little did I know this was a fore runner of things to come but this time the shoe would be on the other foot where I became and to certain extent still are, a heat seeking missile for the Lord in this regard. Getting into a no holds barred "discussion" with the Heathen has become something I have always enjoyed whether I was successful or not at the end of it. I have unbeliever acquaintances of more than 10 years who still lock horns with me in this regard where we part to fight another day, amicably agreeing to disagree. I cannot say I am proud of what I did but it does bring to mind a joke about Van/Paddy and the Pastor of 30 plus years both arriving at the Pearly Gates at the same time and being told by Saint Peter that there had been an administrative glitch and only one person would be going in. You can imagine how the Pastor of 30 plus years felt when he was told it would not be him but Van/Paddy whom he knew was a womanizer, drunkard, liar and more. Peter's response was: "Pastor, it's like this - When you preached in Church on Sundays everyone fell asleep but when Van/Paddy drove the bus during the week everyone started praying!"

Long before I became a Christian I knew that God truly and unconditionally Loved the Sinner even if he/she had turned their back on Him because of the innumerable times He supernaturally Provided, Protected and Directed me and mine long before I was Born Again:

...**Growing up** we had very little in one sense but in another we always seemed to have everything we needed. As the youngest of 8 kids I remember at one time having only one change of clothes accompanied by no shoes of any kind except those for school. My Mother would always somehow be able to magically produce something from nothing both spiritually and physically for the family to eat when we needed sustenance. My Mother who was being used by God for her siblings long before she became a Christian, epitomized all that

sacrificial unconditional loving and giving represented. My Father on the other hand, whom I had the privilege of eventually leading to the Lord, was the total disciplinarian – I remember getting a monumental hiding from him where he said to me before he got into it that this was going to hurt him more than it would me... And me thinking but not daring to say it: *'Give me the Rod of Discipline for a change and let me judge for myself if in fact what you are saying is true!'* I recognize now that what he was saying was that he was not going to spare the rod because he loved me. But if you had been there in my shoes I know you would have agreed that during those times he lavished a lot more so called “love” on me than he should have!

... **Three of my brothers** and I went right through the Zimbabwe War and none of us were ever seriously injured – Ironically it was one my sisters who got a flesh wound when she was shot through her calf in a civilian convoy ambush going to Kariba. (We knew of a number of families who had lost whole families including a family who had lost all four sons) Personally I hit two Land Mines and both times promptly made up for lost time and started smoking again after just successfully giving up both times. I had been told that these sorts of things came in threes so needless to say I didn't try to give up smoking again during the war- Not that I believed in it but just in case!

I was based at Villa Salazar on the Mozambique border with 30 others where 100 Mozambique soldiers two kilometres the other side of the border tried their level best to erase our base from the face of the Earth on a number of occasions. Everything from 61mm and 82mm Mortars, 82 mm and 122mm Recoilless Rockets, Small Arms fire, RPG 7 recoilless Anti Tank Rockets and the occasional Sniper were repeatedly thrown at us and no one while I was there was ever seriously injured – Even the most sceptical of sceptics had to recognise this was a HIM-possible “*Miracle*”!

... **But the most profound** experience I had during this war was with my wife when we broke down at night in the pouring rain in a no go area during the heat of the Zimbabwe conflict. Understandably the road was dead quiet and any assistance from other motorists was a

non starter. A motorist whom we now know was one of Gods Angels on Assignment stopped in front of my car, got out in the pouring rain and told me to stay in my car because he knew what was wrong. He opened my bonnet fiddled with the engine then shouted above the pouring rain to start the car! When I turned the engine over it started first time and before I could thank him he had jumped in his car and driven off! (For the next 80 KM home we did not see another vehicle on the road) At the time we had no way of knowing that God had sovereignly Protected and Provided even when we had chosen to reject Him!

When my time did come to be Born Again it was also initiated through my tried and tested fail proof “*I don't believe in the Bible*” method but this time it was with a man who had given up everything to serve God. He was a qualified Civil Engineer and had left all that he held dear behind him to answer Gods Call to assist those less fortunate than himself in another Continent. His response to me was that even if the Bible was proved to be in error he would still remain a Christian because Gods Word, Jesus the Christ the Son of the Living God who had become flesh and had made His Dwelling among us, was more real to him than I was! Having never come across an answer like this I did the only thing I could and that was do what everyone else had done to me in the past... Leave as soon as I could vowing never to lock horns with him again on this subject! Now that I had no secure foundations left NOT to believe it was just a matter of time before the inevitable happened and I was wonderfully and gloriously Saved by receiving Christ Jesus as my personal Lord and Saviour.

... **In the beginning** was the Word and the Word became flesh to, through and from me - Elizabeth Austin, a well recognized bone fide Prophetess of her time visited our Church just after I was Saved and when she saw me she just laughed and said that I was unable to crawl or walk for God but would always run for Him. And this proved oh so true in the months and years to come when I very often even went ahead of God daring to go where His Angels feared to tread.

... ***I had a Drinks Cabinet*** filled with all manner of drinks for friends who dropped in for a “Sun-downer” as well as a collection of miniatures which I had acquired over the years in my travels locally and overseas. Just after I got saved I felt convicted to empty these down my outside drain before dumping the empties in the bin. While I was doing this, my next door neighbour passed by pushing his daughter in her pram and he asked me what I was doing. When I told him why I was doing it he thought I had gone crazy and told me to wait as he was going to get his wheelbarrow! A couple of weeks later when I told him I was selling my 9mm Revolver because I now believed I had 8 foot tall Guardian Angels protecting me, he really thought I had lost it – He duly went all over the village we stayed in and told everyone and anyone who knew me that I had lost all sense of reality. Thereafter he tended to keep his distance whenever we crossed paths. (Both him & his wife have since come to the Lord) I have driven over a million kilometres and to date I have yet to have anything close to an accident – I would like to think I am THAT good a driver but I am not and if I boast I boast in the Lord and His Guardian Angels who have Protected me and mine over and over again, wherever we find ourselves – *To God be the Glory!*

... ***I used to entertain*** a lot of customers and in a very short space of time lost the desire or taste for whiskey (My choice of poison at the time) and stopped smoking for the 3rd and final time - This time without any withdrawal symptoms of any kind! I could go toe to toe drinking non alcoholic drinks and feeling no cravings at extended lunches while my customers puffed away and got blind drunk at my expense! What was exciting was how they reacted when they recognized first hand that the old me had passed away, not just in word but in living reality. The drunker they got the less polite and guarded they became about how they felt about what had happened to me. At the time I was not Bible versed but my Testimony spoke for itself and many of them have since come to the Lord. I would like to think I had something to do with this in some small way as one of Gods Appointed 1 Cor. 3:9 “*Fellow Workers*” to enable God in due Season to Do only what He can Do – Bring about real, relevant and

meaningful metamorphosis-ing Growth. Paul in 1 Cor. 3:6 said: “*I Paul planted, Apollos watered but God and God alone brought about the Growth.*” All we can and should do is plant and water wherever we find ourselves at home, work or play recognising that the rest is up to Him, Done in His Time and in His Way... Never ours!

... ***I had three*** crushed vertebrae in my spine and had endless back pain which often travelled down to my legs. I visited a surgeon and was told that if I did not get it attended to I would be a wheel chair case by the time I was 50. He also then warned me that the operation would not be fool proof with a 20% chance of me becoming a wheel chair case permanently after the operation. There would also be a 3 to 6 month rehabilitation period of physiotherapy so with those options it was a no brainer – I declined his offer and decided to face each day as it came. Shortly after I got saved I took a bunch of men with me to a Men’s Retreat my earthly spiritual Father invited me to, where I was wonderfully and gloriously healed through a Word of Knowledge. It’s been over 20 years since that miracle took place and I have never since been troubled by what was my constant companion.

... ***In the early hours*** one morning I woke up to this mumbo jumbo flowing out of my mouth and try as I may I could not stop it. My initial concern was that I was going to wake up my Beloved next to me who never seemed to get enough sleep. Even though I tried putting my pillow over my mouth to stem and muffle the flow she did eventually wake up and thought I was vomiting/choking. Although I tried everything in my power to tell her in “English” what was happening, all that kept coming out of my mouth was this mumbo jumbo which I now know was my Heavenly Language – I had uniquely been baptised in the Holy Spirit with the evidence of Speaking in Tongues without anyone but the Lord laying a hand on me. Shortly thereafter I was instructed and then baptised in water but my baptism in the Holy Spirit was by far the most demonstrative experience I had had so far of Gods supernatural Power.

... **Over a space** of 5 years I won three all inclusive trips plus US\$2,000 spending for my Beloved and me to Tahiti, Hawaii and Maui with a stop over in the USA on our way back. These trips included delegates from all over the World most of whom were unbelievers. Once again I was amongst the Heathen and wherever and whenever the opportunity presented itself, I would take full advantage to be “*Salt and Light*” – Recognizing that I was passing this way but once, any “*God*” (Not good) I could do, I was to do for I would not pass this way again. On all three trips the very top awards were exclusively given to Born Again Christian companies who openly gave all the Glory and Honour for their achievements to God.

... **I could not get enough** of Gods Word in me – Many nights I would stay up until 2 A.M. meditating on Gods Word and then have to get up at 5 A.M. that morning to go on a trip. I was a sales rep at the time covering over 5000KM a month, so I used to devour audio tapes during my travels by great men and woman of God of that time. If anything scriptural was even slightly questionable or hazy in my eyes, I had to have answers that satisfied me or I refused to let things go on until I did. I disrupted so many Bible Studies that eventually our Pastor who suffered unwarranted abuse at my hands during this time of grounding, arranged a separate Bible Study for me because of this. I got involved in Men’s Ministry, Youth, Junior Youth, Preaching, running a Bible Study, Eldership, and I even became the first ever male member of “*The Concerned Christian Woman of South Africa Intercessory Group*”!

... **Sharing my Faith** in the workplace was quite tricky because of what had gone on before me through other Christians - A customer who had dealt with me for years chose to stop buying from me once he found out I was now a Born Again Christian. My superiors reacted in the same way when they heard about my conversion telling me that it would definitely affect my chances of future promotion. Most of them had vowed they would never again hire any Born Again Christians because of their past experiences. Shortly after these two incidents took place I had the privilege of leading this very same

customer to the Lord while he was in hospital and I was promoted to Branch Manager from Sales Manager. Both these incidents motivated and encouraged me from then onwards to step out and become what Paul calls “*a Fool for Christ*”! To this day I still find it hard to get my head around Christians that choose not to shine their Light at every opportunity no matter where they find themselves. Jesus Said: “*If you confess Me before man I will confess you before the Father*”... And if you don’t He won’t! (Although He does not Say this outright He certainly implies it) At the expense of being different I have always believed it’s a no brainer and continue to be a little “*strong*” for these Undercover Christians - Especially when we are amongst the Heathen who can use every four letter word in their vocabulary but we can’t share the best thing that has ever happened to us. Without exception I have found in these situations it’s not the Heathen that get offended by this but those who are in Secret Service for Him - Christ has and continues to do so very, very much for me and mine in so many ways that I can’t help myself.

... **Being His Matt. 5:14 “Light”** to this dark World where we find ourselves at Home, Work or Play is not optional but mandatory – When I was still an Elder of our Church, my Pastor and I decided to go to the local Pub to meet some of the Locals on their own terms. After they got over the initial shock of us deciding to join them, everyone in the Pub was asking us questions about God and Christianity. They went out of their way to welcome us and refused to allow us to buy them a drink although they bought us a number of “Soft” drinks. Sadly this was the first and last time we did it because it caused a storm in a tea cup with some of the more self righteous members of our Church. We tried to point out to them that Jesus spent much of His Time with the Heathen but we were told in no uncertain terms to pull our proverbial “*horns*” in because we were compromising the Churches values! On the positive side as a footnote to this, a number of the men we met that night joined us at the Jolly Beach Volleyball sessions we used to facilitate twice a week after work, then attended some of our Men’s Breakfasts and at least one eventually gave his life to the Lord.

... **Being obedient** to Gods still small Voice was new to me and when I was told to give a huge portion of my net monthly salary to a Pastor who was not even part of our congregation, I decided it was very definitely NOT God Speaking - When I did the numbers it showed that we would not have enough money left over for essentials that month, so how could it be from God? But this prompting persisted for 3 days until I decided to obey and take the money to the Pastor who lived about 20 minutes away. When I gave him the money he burst out crying saying that my obedience had been answered prayer because all his Family had left to eat in the house for the past “3 days” was maize meal and milk!! I was gob stopped because for 3 days I had procrastinated causing him and his to suffer in more ways than one at the hands of my disobedience. As a result of this experience I learnt very early in my Walk with the Lord that “*Obedience truly is better than sacrifice.*”

... **A fellow worker** who was the other possible for a promotion I was hoping to get was starting to climb the ladder of seniority with the Free Masons and starting to get exposed to the darker side of what they stand for. Although I did warn him of the pitfalls, I am not sure my efforts were what they should have been, knowing he was the only person standing between me and the promotion I eventually got. In a very short space of time of being subjected to this, he became an alcoholic, got divorced and was asked to leave the company. With hindsight I often wonder if I could have done more for him/his and used more conviction but because of the circumstances at the time I possibly purposely held back – *It is something that will hound me for the rest of my days on Gods green Earth.*

... **Leading people** to the Lord and then getting them Baptised in the Spirit and Water is by far the most rewarding thing I have ever done. To see the metamorphosis that takes place from ground bound caterpillar to air borne butterfly is a miracle to behold and I will never get tired of it because each one is unique in its own right. The down side of this is when those that you feel need little or no attention anymore, suddenly fall away never to return from whence they came.

During this period I only experienced a few of these and in most of the cases we collectively as a concerned group, were able to get them back to some semblance of where they had been before they fell. One case that did not make the return trip was a young man who was looking for a spiritual Father figure. Although he was always welcome to join us we tolerated him more than trained him in the Things of God and before we knew it he had backslidden, joined the surfing crowd and eventually was selling drugs.

... **Of all the Ministries** I have been involved in, the Young Youth age group (10-13 years old) was by far the most challenging but also the most rewarding. I call this the “*Cleaving and leaving*” age group. In the context of the Body of Christ they are too old for Sunday school but too young for Youth. As a result many of them reach the Youth age group with one foot out the door and the other on it’s way – I experienced this first hand because I started a Youth Group and once it was operational I handed it over to Leaders I had raised up so I could right this wrong where it really would count. We started with a handful of “YY” (Young Youth) but eventually had almost every kid from our local Primary School attending once we were fully operational. But it was not the numbers that used to encourage me but the incredible Christ-likeness the majority of them chose to embrace – Although they lost their childishness they always retained their childlikeness! The Scripture God Gave us was Galatians 4:7 (Amplified Bible): “*Your are no longer Slaves or Servants but Sons and if you are Sons then you are also Heirs.*” Every time we got together we saw young folk without exception, going from being “*Slaves*” to becoming “*Servants*” outside Christ Jesus, then becoming “*Sons*” and functional and practicing “*Heirs*” in Christ Jesus at a very early age.

... **The Men’s Ministry** I started incorporated a “*Fly Trap*”, where we used to play Beach “*Jolly*” Volley Ball on two courts with the Heathen every Tuesday and Thursday after work as a platform to get them to attend what ever we organised that month for the men - And it worked a treat! To start with most of those who played Beach “*Jolly*” Volley Ball with us were Heathen and I often went out of my way

to “Pull their proverbial chains” in a number of ways including:
... When they swore “Jesus Christ” I would thank them for proclaiming His Name which was the Name above all names even if they were doing so for the wrong reasons. After a while when they would use His Name in vain they would sheepishly look at me and apologise!

... When one of them got hurt I would quickly run over and ask them if I could pray for them and the look that would come over their faces will never be forgotten. Suddenly they would be on their feet lost for words trying to get out that it wasn't as bad as they thought it was and thanks but no thanks!

... Men (Saved or unsaved) by nature are very competitive and when a ball landed in the court near me at the back I would quickly shout “The ball is out!” knowing full well it was in. The response from the opposing team until they got to know me was predictably always the same because they could see the mark in the sand where the ball landed inside the court – Total outrage because they knew I was lying! The next thing I said was always the clincher: “Trust me I am a Christian. I would not lie to you.” Their outbursts went from outrage to righteous anger and I think you can imagine what came next based on what they felt about Christians!

Christians that played with us often asked me why I provoked the Heathen as I did and to this day I really can't tell you but I can tell you that it worked because a large number of men were Born Again through the Beach Volleyball ensuring that in most cases their wives were soon to follow. Although my team and I had a lot to do with it, our big “hits” in this regard came when people like Angus Buchan a well known Farmer from Grey-town in Natal South Africa, was the guest speaker at a series of Saturday Men's Breakfasts at the local Hotel. Even the Hotel owner got into the act by association and was also Saved. Before the Guest Speaker took the mike I would ask a couple of men to share their Testimony and the feedback was always the same: *‘The Guest Speaker was great but the unprofessional and unsettled way in which the other speakers spoke made much more of an impact on most of the audience, especially the unsaved’.*

... ***The Youth in our Village*** were getting up to all sorts of “naughties” and the Lord Challenged me to do something about it so I started a Youth group - Which drained me but was very rewarding all the same. We would start at 7 P.M. and sometimes finish as late as 1 A.M. in the morning but still had to take everyone home because their parents refused to stay up that late to come and collect them. Some Saturdays we would do up to 7 trips to get everyone home getting to bed at around 2 A.M. with Church only 6 hours away. Our Village every year had what the Youth liked to call “*The Party*” where everyone who was anyone would attend and it was also held on a Saturday evening. When the big day came and only a handful of our Youth turned up, my Leadership and I felt we had failed because when the chips were down we were their 2nd choice! At around 8 P.M. there was a knock on the door and when I opened the door there was everyone and then some, claiming that “*The Party*” was nowhere near as enjoyable as what we did at Youth – My leadership and I went around the corner and did a celebratory jig knowing we had crossed an invisible line with them!

... ***Preaching from the Pulpit*** came to me at a very young Born Again age where I got much, much more out of my Messages than the audience did because I literally had to prepare 3 to 4 man hours of material to present a 30 minute Message. My knowledge of the Bible was limited and we had people who had been Christians for over 50 years in our congregation! What set me free in this regard was one day one of the seasoned Christians pulled me up after one of my Sermons - I had kept apologizing from the Pulpit because I was still wet behind the ears. He asked me a question which I have used for others over the years who find themselves in the same situation: “*How old is the Holy Spirit in you?*” They were heady days and everyone was determined to be Spirit Led in Church – Anyone who ministered in any form on Sunday's had to ask themselves afterwards if what they had presented included the manifested Presence of the Holy Spirit. If it did not we would critically look into why it did not to ensure history did not repeat itself the next time.

... **Eldership** was thrust upon me twice by necessity. The first time around I was no where near ready or Bible “*qualified*” to be appointed as an Elder because I lacked maturity and often agreed to decisions which came back to haunt us at a later date. At the time I was more spiritual “*froth*” than body, easily offended, quick tempered and lacking in wisdom – If outwardly it appeared to be right it would be embraced and implemented, if I had anything to do with it! What was my strength in Ministry became my Achilles Heel in Leadership and it’s only with hindsight that I truly saw this.

The 2nd time around I was metaphorically spat out with two other Elders like Jonah and at last got it through my not so thin skull that it was not for me. A lot of Pastors have opted to ignore the Biblical pattern of Leadership (Elders & Deacons) choosing to do Gods Will and Word mans way. Instead they have implemented a number of other Leadership structures, when the problem is not the Biblical Framework but the content thereof. To complicate things even further in this regard “*Mystery Babylon and her Harlot Daughters*” also comes into the mix at this level. (See Chapter 9)

... **Luke 3:22** was very special to me at a very early Born Again age but only in 1 dimension - *The Holy Spirit who came down like a Dove*. I was so obsessed by this Scripture I got a plaque made from expensive Australian Mahogany that has a unique feature – The wood is naturally soaked in its own “*oil*” and will never dry out. (At the time I never saw with eyes to see the significance of the “*oil*” until much later) A professional Carpenter cut out the shape I wanted and then I commissioned an Artist to paint a white Dove in flight at the top of the plaque with the Words from Luke 3:22 below it. This plaque became one of my most treasured possessions and took pride of place on display in our home for over 18 years. What I had “*seen*” in Luke 3:22 was not in error but was sadly not what I should have “*seen*” if I had truly pressed in as I did from September 2004 – 3 dimensional (3G) insight and understanding depicting not only God the Holy Spirit but God the Father, God the Son and God the Triune 3 in 1 Godhead. With this came the realization that when Jesus was Baptized by John, Jesus the Son of Joseph the Carpenter died when

he went down into the water and Jesus “*The Christ*” (The Anointed One), the Son of the Living God arose as a John 20:21 “*Sent One*”.(See Chapter 12) With this new Mantle came the Fathers Blessing and the Holy Spirits Anointing or Enablement. Through this act of obedience He had now been Genesis 1:26 “*Made*” in Their (3 in 1) Likeness on Earth as it is in Heaven and the New Covenant was supernaturally Conceived even though it still had to be dotted and crossed.

... **Having seen Eagles** effortlessly soar on wings since I was a young boy while other bird species had to do it the hard way, when I found Isaiah 40:31 in the Bible I made it my own. Once again although I did not know its full 3 dimensional meaning at the time, I knew it would remain very special to me as Luke 3:22 was... Little did I know that that both Scriptures would come together in a very unique and profound way shortly thereafter. A very good friend of mine who knew I had a thing for Eagles in flight brought me a Sabena Airlines calendar photo of a Golden Eagle taking off into a rising Sun. Unbeknown to her at the time on the reverse of this self same photo was a white Dove in full flight and if one held it up to the light the Dove was positioned directly below the Eagle. (The Thermals we Isaiah 40:31 Christian Eagles effortlessly “*soar*” on is Generated by the Holy Spirit) I framed this 2 in 1 photo with a transparent backing (So both sides could be seen as a unit) but before I did so I copied Isaiah 40:31 in full just below the Eagle. Shortly after this took place I visited the Book Store on a Missionary Ship (The Doulos) which was in harbour being resupplied and found Postcards of my self same Eagle with Isaiah 40:31 written on it – Needless to say I bought all the stock they had!

The 3 dimensional understanding of this Scripture only came to me from September 2004 when its true significance was Revealed – If we Isaiah 40:31 “*Wait*” on the Lord: “*We WILL effortlessly soar on Wings like Eagles going over (Not under or through) the storms of life which are before us... We WILL run this Jeremiah 1:5 God Ordained Race set before us and not grow weary... And we WILL walk this Christian Talk and not grow faint... All the while hearing the Father Saying (Luke 3:22): “This is my Son/Daughter whom I Love. With you I am well pleased”*”. (Contrary to what I believed for 17 years, God

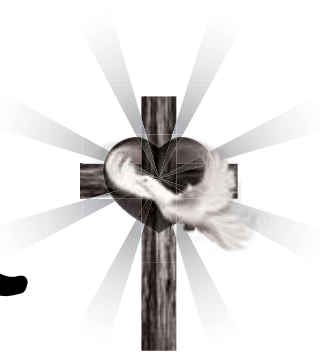

Said this before Jesus started His Ministry for the Father and not afterwards)

... ***The Works of the Lord*** rather than the Lord of the Works became my focus for 17 long years as a Born Again Christian and although I knew about Them, I never truly knew Them as I should..... In Spirit and in Truth in a unique, individualized and intimate way! My work rate for Them was of the highest order and to a certain extent by association, I think it had a lot to do with my precious Wife's illness for 5 long years (See Chapter 2). My two daughters also were victims of this in many ways and although they were part of my loop they were very seldom given their rightful place on my list of priorities. It was only 17 years later when the damage had already been done, that I recognized and realized Gods Priority List – *God first, your Wife & Family second and everything else including ones Ministry a distant third!* Like Martha I was busy with much and a lot of what I accomplished for the Kingdom was “*Good*” (Gods Will/Word done mans way) but was not “*God*” (Gods Will/Word done Gods Way). The Bible says Gods Burden is light and His Yoke is easy but there were times where neither applied. It was from this School of Hard Knocks that I learnt that although you cannot have all the Gifts you can come alongside and form associations with Brothers and Sisters who have what you don't have to get the job done the way God intended.

... ***Intercessory Prayer*** is something everyone is called to practice without exception but in reality very few actually get down to this Level and do so. Christ Jesus since He Ascended to Heaven remains Seated at the Fathers Right Hand Interceding for us 24/7 amplifying the need for us to pray in this way without ceasing. God always has and always will answer Prayer but sometimes His Answer is “*No or Wait*” which does not go down well. At other times the methods we use and the content of our prayers are not what they should be ensuring nothing happens causing us to get disheartened. (See Chapter 6) Twice, necessity required that we form an Intercessory Prayer group that literally moved Heaven and Earth - The first of which was when the Doctors had totally given up and the person was supernaturally

restored to Life. The second case was when the person we were praying for was declared dead but through Intercessory Prayer she was raised from the dead! In both cases they were wonderfully healed returning to us totally set free. When our corporate Intercessory Prayer started to lose popularity we decided to have an all night Prayer Meeting to rectify this - Although nearly all the Church was there when it kicked off, by 10.30 P.M. only three of us remained! At around 1 A.M. in the morning Heaven came down and what we experienced none of us to this day can still put into words – Our standard answer to anyone who asks remains the same: “*You had to be there.*” All I do know is that the 3 of us will never be the same again and those who chose not to be there missed out on something very special. With hindsight, it was after this that “*It Started to Rain*” in our corporate lives...

Love

AND THEN IT RAINED

Endure hardship as discipline; God is treating you as Sons... No discipline seems pleasant at the time but painful. Later on however it produces a Harvest of righteousness and peace for those who have been trained by it. That which can be shaken will be shaken so that which cannot be shaken may remain (Heb. 12:7-27)

After experiencing a time where everything that could go right in our Church did, it took some time for us to come to terms with the change in season where everything that could go wrong went wrong... *And then some!* We looked under every proverbial bush and rock that possibly could have been the cause and welcomed all comers input and suggestions to right this wrong. Everyone that was anyone was asked to assist and give their input but looking back it only made things worse because most of the time we turned “on” each other rather than “to” each other! Some of those that were given carte blanche to right this wrong included a group of Believers from up country who did not believe we sinned anymore and that Christ Sitting at the Fathers Right Hand Interceding for us was no longer necessary. Needless to say this kind of thing split us up into camps causing the one to openly appose the other! The fruit of this di-vision in the camp was un-forgiveness one to another, words said in the heat of the moment that we did not mean and false/counter accusations. This dissention in our ranks became fuel for the future and it was only a matter of time before we literally disintegrated corporately where some went to other Fellowships outside our Village... Some decided to go it alone and not attend any Church... Others tried the

local denominational Churches... And yet others chose to start two breakaway groups arrogantly claiming what they alone represented was from God. The father and co-conceiver of lies and deception, with in excess of 6000 years experience in dividing and conquering Gods People had done it again! (See Chapter 9)

... Although we all felt we were right in doing what we did, I can honestly reflect back with hindsight and say that all of us were guilty of religious unrighteousness before God because He hates “Di”-Vision (2 Visions). Satan’s replacement for unity is religious di-vision through Babylonian uniformity. Before Christ Jesus, the Son of the Living God had even been crucified there were already a number divided camps in His Body who were following a (Matt. 16:14) John the Baptist “Jesus”, an Elijah “Jesus”, a Jeremiah “Jesus” and one of the other Prophets “Jesus”. Just after Jesus the Christ Ascended to Heaven in 1 Cor. 1:12, the Corinthian Body of Christ had already divided into a Paul “Jesus”, an Appolos “Jesus” and a Cephas “Jesus”. At the last head count the number of Born Again Bible believing “Jesus” groups were well over 33,000 with each group believing they are self righteously right before God... I cannot blame everything on this di-vision which tore us apart but it went a long way for me and mine to suffer confusion, wrong choices and untold pain thereafter which I believe most of which could have been avoided if we had stayed together and worked through things! As long as Gods People stayed under The Cloud by Day and Fire by Night no matter where they found themselves (At the Oasis or the Desert), His Protection and Provision remained. Only if Gods People of their own free will, chose to step out from under this would they then be accessible to their enemies, indecision, sicknesses etc.!

... My Beloved had Yuppie Flue/M.E./Chronic Fatigue Syndrome for 5 years and apart from not having any treatment available for it, she would only get 2 hours sleep (With sedatives) at night and was bed ridden for a year. To this day they still have not found out what causes it and how to treat it. As time went on and she was not healed, our well meaning Brothers and Sisters in Christ were quick to point

out that she had not been healed because she had no faith! Apart from one or two exceptions in the Body of Christ in our Village, we were left out in the cold to fend for ourselves. Although our fellow Christian Brothers and Sisters said they were praying for us and our predicament, little else was forthcoming from them – When we needed them most, even those that we had been there for in their time of need were conspicuous by their absence! If it had not been for our Heathen friends and acquaintances I have no doubt that our family would have unravelled! They brought us meals 7 days a week for the year my Wife was bed ridden; they organised lift clubs to and from school for both our girls who were at different schools; they took our children out on trips during the school holidays and they got our grocery list when they went shopping. They were good caring people who gave of themselves without expecting anything in return and it motivated me even more to give to them and theirs in return the greatest Gift I had available to give – *Eternal Salvation, Redemption, Healing and Restoration as I knew it, through Christ Jesus.*

... ***I was offered*** a partnership by two ex co-workers and after careful consideration I resigned and joined them after 14 years with the company I was with. My Director advised me not to go because they were both senior practicing Masons who possibly had an axe to grind with me and the company due to the way we had treated one of theirs. His other reservation was that we would be unequally yoked – He felt once the area I was developing for them was established, they would drop me like a hot potato... Which they did within 18 months of me leaving my previous employee! I was too naive to see it coming from the start and it took both my Beloved and I some time to truly forgive them as God intended we should. Senior positions in my field of expertise were few and far between where we stayed at the time and although my previous boss offered me a Sales Rep. position until something more senior came up, I decided to look further afield.

... ***I was offered*** a Branch Managers position 9 hours drive away from where we were staying, not knowing that we would not be able to sell our house because no one was buying at the time even when

we dropped our price. For 7 months my almost helpless wife with M.E. and kids who literally existed if no one offered to take them out, would see me for 4 days every 6 weeks! The 9 hour drive down to see them could not go fast enough but the return trip back was one of the hardest thing I have ever done – All four of us would be sobbing knowing that the next 6 weeks would be a time of “existence” for all of us until my return when I would try to make up as much as I could in the 4 days I had together with them. God in all His Glory and Splendour who had become so real and relevant to me was now a million miles away! I can’t remember how many times on my way back from visiting my family I would cry out to God: “Why have you forsaken me and mine?” The pain I felt during this period was only second to that which I helplessly saw in my Family as they worked through things in my absence!

... ***This 7 month*** period apart had me not only having to forgive my ex partners for what they had done, my fellow Christians in my Village for what they had not done but God Himself for allowing us to be in the predicament we found ourselves in! I was living as a Boarder in a single room where apart from work, I had no other real interests - I tried being part of the golf fraternity but my heart was not really in it. I did however find a spiritual home where I was cherished, cared for and gently restored by its Leadership and people in its Congregation. But no matter what I did while I was away from my family it always left a dry taste in my mouth. The phone calls we made between us were always bitter/sweet on both sides because although we longed to talk to each other, it was almost impossible to say goodbye at the end of the call without tears being shed. Throughout this 7 month period while we were apart, every night when I got into bed I forced myself to listen to two New Testament audio tapes on continuous play which switched off long after I was asleep.

... ***I made a decision*** that we could not go on so we talked it over and decided to sell the house for literally half of what it was worth and immigrate to Zimbabwe where I had been offered a partnership in a new venture with a large corporation in Harare, Zimbabwe. It

took us 5 years to find our feet here and the children battled to settle down at their respective so called “*Christian*” schools. Both my girls were taught at a very early age that Christian girls did not fight - The daughter of a well known Pastor of a large church locally who gave inspirational Sermons every week on the radio, used to bully my daughter because she was jealous of her. Things came to a head when my daughter was given a bleeding nose by her. Although we had it reported to the School Head of Department nothing was done because of who her father was! Once my daughter had written her “O” Level/Standard 9 exams we moved her to a secular non Christian school where she did her University entrance exams (G.C.E. A levels) for two years - Not only did she excel but she became Student Council Head in her final year, often standing in for the Head Master in his absence.

... ***This time of rain*** of the wrong kind went away for a season but was back with us when inflation in Zimbabwe went off the scale. Promises made in good faith at face value were easily broken and take it or leave it half truths became the order of the day. From this was birthed what is now commonly known as a “*Zimbabwe Promise*” – What makes it uniquely different from all other promises is that it is not kept! Hand shake deals became a thing of the past and that which would normally be termed “*wrong*” in the extreme was now being justified by any means possible, to cauterize ones conscience! When all this started I owed 3 of my suppliers in South Africa just over US\$14,000.00. Try as I may to pay them although I kept getting my applications approved by our Reserve Bank, the Commercial Bank I dealt with never had funds available to transfer what I owed. Others businesses both Christian and non Christian alike by now were trading on the parallel black market where the rate at the time was Z\$64/US\$1. But being the so called “*good*” Christian I was, I did not want to do anything that was illegal in Gods Eyes. By the time I realized I would never get funds through the official channels, the rate had climbed to Z\$64,000/US\$1 – A thousand times more and in real terms, I now owed US\$14,000,000 (A thousand times more)! My suppliers in South Africa without exception agreed to write off the

money I owed them but I refused because it was a debt of honour - Even if it took me decades to pay them off, I vowed that I would pay off every cent I owed... Which we eventually did but at great cost to ourselves!

... ***One cannot buy*** a good name but we did have to “*pay*” to keep ours in more ways than what it cost in terms of money! We either had to choose to pay off the amount locally through the black market currency or get outside the local loop to pay it - My Wife or I would have to find employment outside Zimbabwe while the other kept the home fires burning. I applied for positions and was scheduled to be flown overseas for an interview when my Beloved was given a 5 year ancestral British Visa which made her eligible to work as a Carer for the aged in England at \$100.00 a day, all inclusive. We knew this was from the Lord but at times she considered packing it in due to the excessive abuse she suffered at the hands of some of those she worked for. But we needed the money so she had to grin and bear it - On the other side of the coin though, most of those she cared for took her in as one of theirs and when she left they were heart broken. At no time was she allowed to mention anything Christian or she would be summarily dismissed but nothing was stopping her from shining her “*Light*” to this dark World – The results were amazing because when they asked why she was different from the other Carers she was able to tell them that she was a Born Again Christian.

... ***As much as it is hard*** to believe, the Zimbabwe Dollar at one time was worth MORE than the mighty United States Dollar going as low as Z\$0.72 to the US\$1.00. With hyper inflation came exchange rates which became an out of control monster that fed on itself. Eventually the labour, paper and ink costs to print some of the smaller bank notes was higher than the value of the note itself and at the end we were using a One Hundred Trillion (\$100,000,000,000,000.00) Z\$ bank note which has since become a collector’s item - Last I heard these notes were selling for upwards of UK£50.00 on E Bay! Illustrated is a copy of this Z\$100,000,000,000,000.00 Reserve Bank note printed in 2008 which was eventually valued in real terms on the Black Market at US\$8.00.

... **Earning less** than we spent month after month was a modern day “*Loaves and fishes*” experience for many Christians during this hyper inflation period in Zimbabwe. At face value it was impossible that we were able to repeatedly balance our monthly books because the numbers just never made sense in the natural. I thought it was only me but when I compared notes with other Christians they also were experiencing the same thing! Whenever a crisis arose, miraculous solutions would materialize sometimes from the most unlikely sources – We did not have enough money for my youngest daughter’s final year at University in South Africa and we were considering arranging for her to finish her degree through correspondence. No one at the time knew this except my wife and I but God prompted an unbeliever whom we hardly knew to give us enough foreign currency to pay for her first term. He truly is the God of the HIM-possible who miraculously provides exceedingly, abundantly above all we could imagine, now and forever more!

... **Improvisation** and opportunism during this period in Zimbabwe was the order of the day and a book could be written about some of the creative and ingenious things that took place - People were taking the silver thread out of our Bank Notes melting it down to sell and throwing away the paper... When the \$5.00 coin was in circulation it was cheaper to use a \$5.00 coin with a hole punched in

it, than to buy a common roof washer so they were quickly removed from circulation... A large number of so called Commodity Brokers suddenly surfaced amongst us buying anything and everything they could get their hands on knowing that within a very short space of time they could sell these items at a huge profit. Everything was in short supply and price was never an issue – If you could find it you bought it no matter what it cost because there was always someone else waiting in the wings. A joke that was circulating at this time which had a ring of truth in it was: “*A man took his wheelbarrow to the Bank to draw out money. On his way back two robbers held him up but much to his surprise they emptied out the money and took off with his wheelbarrow!*”

... **Shortages of fuel** due to a lack of foreign currency, was often a governing factor in all that Zimbabweans did or planned on doing. Queuing for bread and other essentials was a common every day experience but the queues for fuel became a daily nightmare - People would push in or the fuel would run out just as you got near to the pump after hours and hours of waiting. Those that knew beforehand where the fuel tankers were going would quickly advise those closest to them so they could get near the front of the queue. At that time those that issued, ran and owned fuel stations were able to exercise authority well above their station. (Scuse the pun!) What the country lost in revenue due to everyone otherwise occupied looking for anything and everything that was in short supply/not available during this period, must have run into billions of US dollars. Cars were fitted with 2nd tanks so they could fill up twice in one visit when refuelling and or to avoid being stranded on long trips they had planned. Hoarding of fuel was not allowed. One bright spark told his Gardner to bury his 44 gallon (208 litres) drum of fuel he had bought in the back garden so the authorities would not find it if they came to inspect his premises. When he came back from work the Gardner had dug the required hole and poured all 208 litres of the fuel into the said hole and could not understand why his employer was upset!

... **Almost new** second hand items which worked or could be fixed became something of a commodity in their own right. If you could find a new replacement it originated from China which predictably normally only lasted “*days*” – New purchases were made on a no come back basis so purchases made of this kind, were at your peril! Zimbabweans became ingenious at “*Making a way where there seemed to be no way*” and Christians had a distinct advantage in this regard because of our spiritual Connections in High Places – Unobtainable essentials that supposedly were beyond repair in the natural, were prayed over and miraculously either repaired or “*healed*” in the supernatural! Medic Care was something one paid by necessity but for obvious reason amounted to virtually nothing of any worth if required. As there was no alternative available, trusting in God for Divine Health, Healing and Protection became the only option available to the vast majority of Zimbabweans. Some of the rural people tried Witchcraft and other demonic methods but soon found the only true and lasting Solution was to put ones trust in Christ’s 39 Stripes. By necessity we had to think outside the proverbial “*box*” and more often than not something from nothing would materialize in true God Fashion! Although most never acknowledged this, I recognized that God was Blessing Sinner and Saint alike because He was obligated to Honour our faith!

... **Quotations** were being kept firm for a maximum of hours rather than days, weeks or months! Our Accounting Systems and Calculators did not have enough zeros in them to accommodate our runaway inflation so everything had to be decimalised all over again. (By law our books had to be in Zimbabwe Dollars) Anyone who kept their hard earned profits in Z\$ cash for any length of time quickly went from a decent net gain to a hefty net loss! Offering Credit was considered a definite non starter and everything was done on a cash only basis causing Commercial Banks to run dry because there was not enough in circulation to satisfy the Countries day to day needs. Those that were fortunate enough to earn foreign currency outside the country were reluctant to get this returned back to Zimbabwe because a big part of what was returned was automatically Zimbabwe

Dollarized by those in authority. Luxury goods became something most Zimbabweans went without because we were in “*survival mode*” and essentials like bread became a daily queuing nightmare! (Zimbabweans who went through all this are on record as having the highest “*I Queue*” in the history of Mankind) It was not long before there existed two distinct groups of people – Those who had foreign currency and those who did not and needless to say, we were in the “*Had not’s*” group.

Resurrection Scar Tissue from festering wounds I suffered during this time it rained truly did produce what the Writer of Heb. 12:11 calls “*A Harvest of Righteousness and Peace for those who have been trained by it*” - And yes it was Heb. 12:11 “*Not pleasant at the time but painful*” but it WAS well worth it - What the enemy intended for my harm, God has and will continue to use for my good! Paul in 2 Cor. 11:16-27 said with hindsight that he considered all that he went through as “*Pure joy*” and to certain extent I can relate to what he is saying because with it comes a Heavenly Insight, Understanding, Favour and Oneness with God that cannot be achieved any other way! The Bible says: “*For the grain of wheat to bear fruit it has to fall to the ground and die*”. As a result of going through this death to life experience, you will now find yourself in Christ’s Resurrected Scar Tissue Image and Likeness as never before (Rev. 5:12). But choosing to retain festering primary and secondary wounds and hurts from your past, no matter what form they come in will automatically disqualify you from your God Ordained Jer. 1:5 “*Destiny and Purpose*” for such a time as this.

Zimbabwe is “*the last*” Country on the Alphabet of Nations and during this time it rained we were often “*the least*” in so many ways... The Bible says: “*The last will be first and the least will be the greatest*” so I am expectantly believing that the Christians in Zimbabwe that endured all that we went through, have a special place within Gods Plans when He Pours out His New Wine amongst His People soon. (See Chapter 11)

WITH SIGNS FOLLOWING

No Eye Has seen , No Ear has heard, no mind has conceived, what God has prepared for those who love Him but God has revealed it to us by His Spirit. His Spirit Searches all things even the deep things of God. No one knows the Thoughts of God except the Spirit of God. We have received the Spirit who is from God that we may understand what God has freely Given us, not in words taught us by human wisdom but in Words taught by the Spirit, expressing spiritual Truths in spiritual Words.
(1 Cor. 2:9-13)

When it rained I was “*Hard pressed on every side but not crushed; Perplexed but not in despair; Persecuted but not abandoned; Struck down but not destroyed carrying around in my body the Death of Jesus, so that the Life of Jesus may be revealed. Therefore I did not lose heart. Though outwardly I was wasting away, yet inwardly I was being renewed day by day; for my light and momentary troubles were achieving an Eternal Glory for me which far out-weighs them all. So I fixed my eyes on not what was seen but on what was unseen - FOR WHAT WAS SEEN WAS TEMPORAL BUT WHAT WAS UNSEEN WAS ETERNAL.*” (2 Cor. 4:7-18) Although this time was often that of two steps forward and one backwards it was still a net gain going forward even though at times I felt like God had forsaken me and mine. Gods Day has and always will start at 6 P.M. with 12 hours of darkness first where He needs to build foundationally downwards so it can and will carry that which He is Creating in us. Just as a 50 storey building has to have a 50 storey foundation or it will not stand the test of time, so Zoe Life can only come about through death.....

My momentary troubles were truly achieving for me an Eternal Glory which far out-weighed them all. When I chose to fix my eyes on what was unseen from September 2004, this is some of what I saw:

... **In September 2004** ten seasoned mature Born Again Christians from 4 different Churches went to Zimbabwe’s closest thing to Gods “Ezekiel 47 River” (The Zambezi River) to fish and to have fellowship – Little did we know that God was going to manifest His Presence among us in a way that very few of us had ever experienced. Like the 10 Lepers who called out to Jesus, most of us were gloriously and wonderfully healed - And at least one of us was shown the Eph. 4:13/4:24 path to Being Made Whole (B.M.W.) or “Attaining to the whole Measure of the fullness of Christ Created to be like God in true Righteousness and Holiness”. The plan was that we go out fishing during the day and get together in the evening for fellowship. The first evening we got together we experienced something that I cannot stand - “*Christianese veneer*” where everyone puts their best spiritual mask on and then acts way beyond the reality of what and who they really are, putting on a front to impress those around them! This was brought up the next morning and we all agreed to come prepared that night to be real and transparent. That evening it was not long before everyone there with one exception, was being set free by God in areas they had not dared expose to fellow Christians in the past for fear of being judged and condemned – When men cry they don’t just cry but sob from their hearts and it was truly a God Moment. The one exception that we knew had issues but refused to bring them to the table, claimed to have a so called “*Spirit of discernment*” and was freely handing out advice to the rest of us regarding what God had shown him and what we needed to do in the hereafter to remain free. (See Chapter 9) 3 months after we got back from the trip, his wife found out that he had been sleeping with prostitutes for 14 years! Over this period she had been diagnosed a number of times with S.T.D’s but couldn’t understand how she was being infected by them... And now she was suffering from cervical cancer!

... **Early the next morning** long before daybreak while everyone was still asleep, I went into my Prayer Closet and cried out to God because I knew what was soon to come – You see what I had been healed/ set free from the night before had happened a number of times in the past but it had always seemed to return at a later date. With hindsight I now recognize that although the fruit of this problem had supernaturally been removed for a season, the roots had remained to produce another crop of fruit in due season. My hearts cry to God was that I needed a “Key” to Being Made Whole (B.M.W.) like the one Leper who had gone to Jesus..... And God did not disappoint! For the very first and last time to date, I heard from God audibly and it was only one Word: “**INTIMACY**”. I have never seen Christ or Angels in all my years as a Christian but I did Hear audibly from God that morning and I have never been the same! Not only has the fruit been removed but so has the root and as I type this I might not be where I should be but I am a long way from where I was..... I am truly on the “**Path**” to Being Made Whole in Christ’s Image and Likeness mentioned in Ephesians 4:13 and Ephesians 4:24.

... **Hearing from God** audibly reinforced something in me which has permeated, saturated, marinated, resonated, impregnated, intimacy-ated, encapsulated and radiated in and through me since this experience - He is my “**Daddy**” (Abba) who speaks a Language of Love which is uniquely reserved for me and me alone. As no two snow flakes are the same so no two Relationships with Daddy through Christ Jesus by the Spirit of God, can be the same – All He is asking of each one of us is to “*Draw near to Him and He WILL draw near to you*”. He has done everything He can in His all Creating, all Conquering, all Caring and all Restoring Power to make this possible..... Now all He is asking you to do is press in and receive! God is no respecter of persons and what He has done for me He **WILL** do for you. Every Born Again, Bible believing Christian has a spiritual “**Father**” in Heaven but very, very few have a “**Daddy**” (Abba) because they have never pressed in and whole heartedly embraced that which is theirs from Him for the taking. Shortly after the People of God left Egypt they were also asked by God to draw near to Him but they free

wilfully chose to take off in the opposite direction, asking Moses to act as their intermediary instead. Once Gods People had chosen to turn their backs on Him, things were never the same again. I beg you not to repeat history but rather make it your ambition to press in to His Psalm 91 “*Secret Place*” no matter what it costs you – I assure you that it will be well worth the effort. (See “*Gods Final Word*” at the end of the book)

... **The Word Intimacy** although only one word and easily interpreted from the Dictionary, has an unlimited array of meanings from God - Which I am still unravelling! For the past nine years I feel like a very special, spoilt little boy in pyjamas on “*Christ -mas*” morning at the foot of the “*Christ -mas Tree*” opening present after present marked with my name on it from “*Father (Daddy) Christ-mas*”! Just when I think there is an end to it, suddenly there are even more to open and now I cannot get enough! The Father, the Son, the Holy Spirit and the Triune Godhead (Three in one) have become so meaningful to me that they are truly more real and relevant to me than the written Bible. I am now getting to know the John 1:1 “*Living Bible*” in a way that everything else pales in comparison. “*Abba*” Daddy Sent His Son to reconcile us to Him. Jesus the Christ sent the Holy Spirit to enable us as well as give us understanding and insight to receive all that Daddy has for us, on Earth as it is in Heaven – Sadly like most Christians through a combination of ignorance and deception, I had gratefully been eating/drinking whatever crumbs and leftovers fell my way from “*His Banquet Table*” (See Chapter 4). While Gods Best for me has always been exceedingly, abundantly above all I could imagine which only now, I am starting to see with eyes to see and embrace.

... **Jesus the Christ** walked this Earth for 30 years with little or no eternal relevancy but once He had been baptised in water by John, God the Holy Spirit Descended on Him in bodily form like a Dove and God the Father Said from Heaven: “*You are My Son whom I Love; With You I am WELL pleased*”. (Luke 3:21&22) God the Father was **WELL** pleased with His Son even before He had started to do what

He had Sent Him to Do... And that is exactly how I felt after Hearing audibly from God in 2004. (Up until then I believed the lie that my Heavenly Father would only Say those same precious Words over me if and when I ran my Race for Him to His Satisfaction at the end and NOT at the beginning) I would love to be able to explain why I felt this way and how I know this was true but I just knew – It's like when you knew that you knew you were Born Again when you received Christ Jesus as your Lord and Saviour. Although you could not explain it to those who questioned it, you just knew that a spiritual metamorphosis (Caterpillar to Butterfly) had miraculously taken place from within you.

... **An 8 year (New Beginning)** Psalm 51:9-13 Sabbatical then followed where I literally was Born Again, AGAIN! For this 8 year period from September 2004 to 22nd September 2012 my hearts cry was: *“Hide Your Face from my sins and blot out all my iniquity. Create in me a clean heart, O God and renew a steadfast spirit within me. Do not cast me from Your Presence or Take Your Holy Spirit from me. Restore to me the Joy of Your Salvation and Grant me a willing spirit to sustain me. THEN (And only then) WILL I TEACH TRANSGRESSORS YOUR WAYS AND SINNERS WILL TURN BACK TO YOU.”* Asking God as I did to *“Blot out all my iniquities”* and *“Hide His Face from my transgressions/sins”* is impossible in your own understanding and strength as Gods People found out over and over again in the Old Testament... But in Christ Jesus all things are possible because the Bible says He bore both our transgressions and our iniquities (Isaiah 53:5) making it now possible for us to have a *“Clean heart and a steadfast spirit from within”*. When Christ Jesus left us He Said in John Chapters 14 &16 He would not leave us as Orphans but He would Send the Holy Spirit to *“Sustain us”* with *“Joy Strength”*. (Read Romans 14:17) Although it took all of 8 years to get a handle on what Psalm 51:9-13 truly meant, I believe I am now Qualified in the Sight of God to *“Teach Transgressors His Ways”* and *“Turn Sinners back to Him”*... As one of His John 20:21 *“Sent Ones”* for such a time as this. (See Chapter 12) In one sense it cost me nothing but in another it cost me everything - At times I would be on my face weeping my

eyes out wondering where God was in all of this and other times I was in the Glory Cloud wondering when the next spiritual “speed bump” was coming my way! The highs were supernaturally high and the lows were lower than I ever thought was possible but through it all He remained Faithful even when I was faithless. Every year on Sept. 22nd I fasted for a week which more often than not added to my misery because most of the time I had no real understanding of what was happening to and through me. The best way I can explain it in one sentence is that it was a bitter/sweet *“Stop it I like it”* experience!

... **A 30 Year old Eagle** gets a second wind in the natural where they then can soar on wings higher, see with eyes to see further and generally achieve far more than they could before but they have to Isaiah 40:31 *“Wait”* for a season, so they can be Born Again, AGAIN! Before they can start this process they have to make an unconditional freewill choice of going through with it no matter what lies ahead because there will be no turning back allowed! Once this choice is made the Eagle then perches on the highest rock possible in its territory, pulls out all its old feathers, its old beak and its old talons. Now it is totally naked and vulnerable to the elements and its only true enemy the snake. After this *“No turning back”* phase is behind it, the Eagle then Isaiah *“Waits”* for everything to grow back to enable it then to fly higher, see further and fulfil a Jer. 1:5 Destiny and Purpose that it could only have achieved by going through what it went through – *“Running the Race set before it and NOT growing weary and Walking the Talk and NOT growing faint”*. He/she who has ears to hear let him/her Hear what the Spirit is Saying for such a time as this. (See Chapter 12)

... **In the space** of a very short time during the first two years of this 8 year Sabbatical I was part of 7 totally out of character Fish Eagle experiences that God Spoke to me through:

1/7 - *I was fishing in my boat when the Holy Spirit's still small Voice asked me if I would like to be a “Fisher of Men or a Fish Eagle of Men?” Although I knew the right answer I had no idea of what it implied so in faith I answered: “I want to be a Fish Eagle of Men”. As*

this reply left me I saw in the distance a Fish Eagle coming directly towards me. I knew God was in this so my focus was on nothing else but what was going to happen next... The Fish Eagle stopped directly above me and hovered there for some time. It then flew off and the Holy Spirit told me to follow it, which I did. When I came around the corner in my boat, I saw the self same Fish Eagle sitting on a large rock doing nothing else but looking straight at me with that "Look" that only Eagles have. (At this stage I must rewind and tell you that while all this was happening, I did not know about Eagles being Born Again, AGAIN)

2/7 – A couple of weeks later I was again fishing in my boat around an island and as I came around the corner I saw a Fish Eagle no further than 10 meters from me that was at least twice the size of anything I had seen before. I got to within 5 meters of it and at no time did it show any signs of wanting to fly away. What God the Holy Spirit was Saying to me through this experience was that my Jeremiah 1:5 "Purpose" in my area of influence would be exceedingly abundantly bigger than anything I could imagine and would carry an eternal knock on effect that would blow my mind.

3/7 – Shortly thereafter I was again fishing in my boat and a Fish Eagle landed in the water directly in front of me. I immediately wanted to lift my anchors and go to its assistance but God the Holy Spirit's still small voice told me to do nothing and watch. The Fish Eagle calmly lay on top of the water with outstretched wings for a short while and then flapped its wings and flew off to a dead tree nearby to dry off. What the Lord Showed me through this was that what I could not do in the natural, would be possible in the supernatural. I was to expect the unexpected and not to question but blindly obey in faith what He would ask me to Do, even when it looked impossible.

4/7 – By nature Fish Eagles are solitary birds but one day I was again fishing in my boat when 12 Fish Eagles gathered within 30 meters of me and proceeded to do some very "un-Eagle" things for about 20 minutes. What the Lord Showed me through this experience was that there would be a one off Gathering of spiritual Eagles once His New Wine had been poured out. As much as no one person can have all the Gifts and Talents required to accomplish God's New Wine Agenda to come, one can and will have access to Brothers and Sisters

in Christ with these other Gifts and Talents to come alongside to assist as required. In addition this spiritual "Bond" between us would also help to Exodus 17 sustain/arm bear us as we went about fulfilling His Destiny and Purpose wherever He chooses to Send us.

5/7 – I was fishing from the bank at a Dam I went to and although there were a number of Fish Eagles in the area we did not see any until around 2pm that afternoon. When they did appear I heard and felt them before I saw them – They launched themselves from behind where I was sitting and then let out a high pitched Fish Eagle cry which gave me goose bumps, came low over my head and did two victory rolls in front of me. The Lord was showing me that no matter how long He took I was to Isaiah 40:31 "Wait" because He has never been late even if in our own understanding we sometimes think He is! (Mary and Martha expected a healing but God did a Resurrection four days supposedly too late!)

6/7 – I was sitting in my stationary boat fishing near a so called Bird Sanctuary and I heard the most mournful Fish Eagle Call that I have ever heard. It was still a Call but it carried such a woeful and painful note to it that instead of it being a Call it was a Cry of utter despair. I was shaken to the bone by it and when I located it I realized why it sounded like it did. What I saw was a bedraggled and forlorn Fish Eagle in a wire mesh enclosure where it was unable to soar as Eagles should. I was totally overwhelmed for some time before I pulled myself towards myself and allowed the Lord to show me what it meant. Many of His People who were Destined to do what spiritual Fish Eagles do best were now also spiritually caged, controlled and in bondage through ignorance, deception or choice. His Mandate for me was to assist Him in Psalm 51:13 teaching Transgressors His Ways and turning Sinners back to Him... But only if they wanted to go the distance! (Good Soil – See below)

7/7 – I was fishing in my boat and a Fish Eagle which had been soaring around me for some time suddenly dived down and took a fish out of the water right in front of me. I had seen this many times before but never this close or this dramatic. What the Lord was showing me was that I was only to plant Good Seed in Good Soil in my area of influence based on the Parable of the Sower. Although two of the

three other Bad Soils would ensure the Seed germinated and grew it would still be a waste of time because they would never fruit – The precious Seed planted and ones efforts would be a fruitless exercise or an Ishmael!

Since all this was shown to me by God I very seldom go fishing anymore, I have sold my boat and I can't remember when last I saw a Fish Eagle even when I do go fishing to these places - Which in itself confirms what I experienced was a collective 7 Segmented "Sign" from God.

... Twice in two services over 3 weeks my Pastor who was preaching from the Pulpit to about 3,000 people in our church stopped before he finished his sermon, came down from the stage and prophesied over me that God had His Hand on my Life. At the time I had been questioning God from within myself "*Why He was Mindful of me*"... I could not come to terms with why He had Called, Chosen and now would soon be John 20:21 "*Sending*" me knowing the depths of all my double mindedness, unbelief and other weaknesses. (To the best of my knowledge these were the first and last times my Pastor has done this in 30 plus years of Ministry) Although I did not know it then I do know it now that God throughout the Bible has never Called the qualified but has always qualified the Called and many of those whom He Called had some serious issues they had to work through before they could be Sent. Being singled out by Him in such a public and unique way before my peers not once but twice never to be repeated again, just confirmed to me how special I was to Him. How can you NOT reciprocate and say (Isaiah 6:8): "*Here I am, send me.*"

... On Saturday 22nd September 2012 at 6 P.M. a very unique "*Sign following*" took place which could have only been Orchestrated by God. Our Senior Pastor declared for the first time ever in our churches 30 year history, a 40 day time of purification for our 10,000 plus members throughout the World. This time of spiritual purification would end at 6 P.M. on "*Friday*" 21st September 2012. God had

told me 8 years before that my Psalm 51:9-13 Desert Sabbatical would end on 22nd September 2012 so understandably I was a little disappointed it would finish 6 hours before. Early on Friday 21st September 2012 while I was having my Intimacy Time with the God Head, I nearly came unglued through what was Revealed to me..... Although mankind's calendar was from 12 midnight to 12 midnight, Gods Calendar never has been and never would be because His Calendar is from 6 P.M. to 6 P.M. (Genesis 1:5-31). What our Senior Pastor had announced as 6 P.M. on "*Friday 21st*" September 2012 was in fact 6 P.M. "*Saturday 22nd*" September 2012 - It was not 6 hours early but exactly on time, to the second!!! God had once again Shown me in a very special way that I was going to be publically John 20:21 "*Sent*" like Christ Jesus had in Luke 3:22 when He started His Ministry.

... Other Signs following that have accompanied me to date included:

My Father for some unknown reason left the last "E" of Neville off my first name when he registered my birth and it caused me untold hassle and heartache. Any official documentation in my name had the second "E" on it and it would take ages to get them to correct it so I would be legal. All my correspondence from friends and even some family used to include the second "E" and try as I may to rectify it I eventually gave up. During this 8 year Sabbatical, God the Father showed me that my Heavenly Father not my Earthly Father had left the last "E" in Neville off... So I could experience a Sara/Sarah and Abram/Abraham experience in due season – The "E" in Yahweh, the "E" in Yeshua and the "E" in Hakadesh were collectively now mine - My proverbial "Grain of Sand" in my Oyster since my physical birth, had supernaturally become the heart of a Heavenly Pearl of much worth in due season.

I had separated two dogs fighting and in the process got my left hand and wrist chewed up and scarred. When I used to pray to Jesus the Christ, I always used to put my right hand over my heart and keep my left hand raised to Him because He is Seated at the Fathers

Right (Which was on my left). One day while I was praying to Him in this way I heard the Holy Spirit Ask me what was on my left hand. When I replied “Nothing” I suddenly saw with eyes to see the Scars on both the outside of my left hand and wrist and understood what He was revealing to me – Some say Christ was Crucified in His Hands but others say this is not possible because ones hands cannot support the weight of a grown man when crucified - Either way, both bases are covered in my case because I have scars on my left wrist and on my left hand - I now reverentially call these scars: “THE MARK OF MY MESSIAH”.

I went to a Church in South Africa where no one knew me and I was called out and prophesied over. I then was Slain in the Spirit for almost 2 hours while the sermon was preached. The Head Intercessor came to me afterwards and she told me that God had a very special Calling on my life and she had seen in the Spirit a death to life metamorphosis take place over me while I was doing carpet time on the floor.

Yet other signs that followed included:

- A Northern Lights experience in my back yard
- A single peal of Thunder which went on and on in a cloudless sky
- A Cyclone which has never been recorded in Africa
- Three Lightening Storms all coming together from three different directions meeting directly above my prostrate body
- A Wind which blew for some time and disappeared as quick as it had come
- A Bird which accompanies me before first light every morning in Worshipping God the Father, Son, Holy Spirit and 3 in 1 Triune Godhead. I have moved into another house at least 15 K.M. away from where we used to stay and since I moved in, I also have the very same type of bird accompanying me near my bedroom window as the previous one did before
- Dreams and Visions many of which relate to His soon to be poured out New Wine

*... **Jesus the Christ** in Matt. 16:19 Said He would Give the “Keys of the Kingdom of Heaven” to those who got a “Rock” Revelation from the Father of who He truly was (“The Christ, the Son of the Living God”) – But this would not be possible by flesh and blood! Over a period of time I was shown by God that His John 20:21 “Sent Ones” would be Equipped with ten Matt. 16:19 “Keys” for binding and loosing on Earth as it is in Heaven:*

- *The Fathers Heart of unconditional Love*
- *The Sons Crown and Sceptre*
- *The Holy Spirits River of Life*
- *The Triune Godheads Authority*
- *The Robe of Righteousness*
- *The Signet Ring of God*
- *The Breath of God*
- *The Oil of Anointing*
- *3G Seeing Glasses*
- *The Master Key*
- *In all you think (mind), in all you hear (ears), in all you see (eyes), in all you say (mouth), in all you are (heart), in all you do (hands) and in all you go (feet)!*

Gods “New Wine” will only be poured into those Wine Skins (New and Renewed) that He and He alone Chooses. Once you have been Chosen He will then Equip you with these 10 Kingdom of Heaven “Keys” to get the Job done for Him where He Chooses to 7 dimensionally Send you... He is NOT looking for your ability but rather your AVAIL-ability –Will you make yourself unconditionally available in this way?

Much of what I have shared in this Chapter might seem like I was hallucinating, smoking something illegal or making it up but I can assure you at all times my faculties were fully functional, my feet were always firmly on the ground and all the facts can be verified. In all honesty more often than not especially at the beginning, I also could hardly believe what I was experiencing myself! But as time

went on it became more and more of a norm which I will never ever again take for granted! Sadly most Christians have walked so far away from this sort of thing that when it does happen to either themselves or someone else, the first thing that pops into ones head is unbelief! Every now and again one or more of the 9 Gifts of the Holy Spirit manifests in our corporate midst but what used to be freely encouraged, embraced and savoured is now sadly received with suspicion and scepticism by most due to its unusualness. Healings, Signs following, the Gifts of the Holy Spirit, Miracles etc. should be an everyday occurrence and not something we should have to weigh up with scepticism! Jesus said in Matthew 6, that our daily prayer to God should include *“Your Kingdom come, Your will be done on earth as it is in Heaven”*. Although we may say this with our mouths, for the most part very few of us beleive this from our hearts. Regressively becoming extra ordinary people (in this world but not of this world) thinking, hearing, seeing, saying, being, doing and going about the Father’s business in a very ordinary way.

THE BANQUET TABLE

“I am the Living Bread that came down from Heaven. If anyone eats of this Bread he will Live forever. This bread is My Flesh which I give for the life of the World. I tell you the Truth, unless you eat the Flesh of The Son of Man and drink His Blood you have no Life in you. Whoever eats My Flesh and drinks My Blood has Eternal Life and I will Raise him up at The Last Day – For My Flesh is real food and My Blood is real drink. Whoever eats My Flesh and drinks My Blood remains in Me and I in him. The words I have Spoken to you are Spirit and they are Life - Yet there are some of you who do not believe.”
(John 6:48-64)

Eating and drinking Christ’s Flesh and Blood is and always will be John 6: 61 *“Offensive”* in any other sense than through a spiritual revelation from God the Father of what this really means – In John “6: 66” many of His Disciples turned back and chose to stop following Him because they had no spiritual understanding or insight of what this meant. The 12 who remained did so only because they had the benefit of being John 6: 65 *“Enabled”* by the Father to see with spiritual eyes to see that Jesus was *“The Holy One of God”* (John 6: 69)... Or they would have left as well because... *“He had no beauty or majesty to attract us to Him and nothing in His Appearance that we should desire Him”* (Isaiah 53: 2)! Without this Heavenly Insight and Understanding from the Father with the eyes of your Heart, much of what Christ represents can and will be what Peter calls in 1 Peter 2:7&8: *“The Stone the builders rejected that causes men to stumble and a Rock that makes them fall”* - Choosing instead to embrace a Genesis 11: 3-4 / 2 Timothy 3: 1-9 form of Godliness denying the

Heavenly Power therein! For a number of years I could not come to terms with Christians in our ranks that Jesus in Rev. 3:16 Calls “*Lukewarm*” (Neither hot nor cold) until I recognized that it took one to recognize one – I needed to take the proverbial log out of my eye before I could even attempt to assist others with splinters in theirs. After seeking Gods Face, I believe He gave me Psalm 51:9-13 which would be my bench mark for 8 long years. In essence what He was telling me was that realistically I could not help others to help themselves, unless I myself was free. In other words I could not give “*It*” until I myself had “*It*” to give... And it was only when I started spiritually “*Eating*” Christ’s Flesh and “*Drinking*” Christ’s Blood that I can honestly say that I was on a path of true spiritual Restoration or *Being Made Whole* (B.M.W.). Getting fruit removed in ones spiritual life can be a repetitive quick fix but to remove and replace the roots of these fruits takes a lot longer and requires a step by step process which needs to be worked at. As a result I am not where I should be but I am a long way from where I was. For the first time in my spiritual life I can honestly say that I truly am starting to live move and have my being in Christ Jesus as I understand it to be in the Bible. Before this became a reality, unbeknown to me I had been living a lie more often than not calling those things that were not as though they were!

... ***Just as the Father alone*** is the only One who can and will Reveal Christ to you, so Christ alone (Not another) can and will Reveal “*Abba*” (Daddy) Father to you. Jesus Said in Matt. 11:27: “*No one knows the Father except the Son and to whom He Chooses to Reveal Him.*” All Born Again Bible believing Christians have a Heavenly spiritual Father but very, very few have a Heavenly Daddy through ignorance, deception or because they have never bothered to press in. During my 8 year Sabbatical this became a living, life changing reality to me and Christ Jesus continues to reveal “*Abba*” to me in Ways I never thought possible! The Bible says in 1 John 4:8 that the very Character and Nature of the Father is unconditional Love and only now can I claim this in my life as an absolute truth - My relationship with the Revealed Father (“*Abba*”) now, is oh *sooooo* personalized that I

know, that I know, He Loves me because He Loves me, because He Loves me... And always will! The Bible says that He will never Leave or Forsake us – If there is a standoff between us, it’s solely because we free wilfully choose to distance ourselves from Him and not Him from us. You can get as close to God as you want to because Christ Jesus has removed every obstacle and hurdle than used to separate us. Jesus said we must FIRST seek the Kingdom of God and His Righteousness (Right standing with Him) and everything else will follow even before we even ask! For 17 years I was seeking “*Everything else*” putting the proverbial cart before the horse.

... ***Jesus Said that*** when He Left He would not leave us as orphans but He would ask the Father to Send Another Counsellor in His Place who will be with us forever. (John 14:16-18) And when He came, He would Guide us into all truth and take what is Christ’s and make it known to us. (John 16:13-15) Introducing God the Holy Spirit your individualized and personalized Heavenly Helper, Intercessor, Vindicator, Renewer, Searcher, Life Giver, Counsellor, Comforter, Strengthener, Teacher, Standby, Advocate, Gift Giver, Fruit Giver, Sanctifier, Tongue Giver and much, more! Up until September 2004 I had frequently seen the Holy Spirit in action corporately and individually in myself and others through His Gifts mentioned in 1 Cor. 12:1-11 and through *Holy Laughter, being Slain in the Spirit, Weeping, Total Silence, Stuck to the floor etc.* but I never truly knew Him as the Bible says I should. I cannot deny that He Manifests in these wonderful and unique Ways because I have had the honour and privilege of experiencing the above far more than most but it was only from September 2004 that I truly started to know Him as I should have long, long ago. Up to then I had been seeking the Gifts rather than the Giver and although He never disappointed, I never felt totally satisfied or whole - Until I started to get to know Him as the Third Person of the Godhead who will sit at the Fathers Left Hand when He returns to Heaven. As such He deserves reverential recognition by Christians at the highest level. In the Beginning as early as Genesis 1:2 He was on hand to assist with Creation as required. When Christ Jesus started His Ministry in Luke 4:1 He was

“Full Of, Controlled By and Led by the Holy Spirit”. Some would claim that He is nothing more than an energy force from Heaven - My reply to that is there is only one unforgivable sin and that is to blaspheme the Holy Spirit. If one chooses to refer to Him as an “Energy Force” they are in danger of crossing this line!

... **The three in One** Trinity God Head was something until recently I could not come to terms with. God the Father, God the Son and God the Holy Spirit (In One) truly does exist as a single corporate unit and must be enjoyed and acknowledged at The Banquet Table. The plural “Us/Our” Image and Likeness mentioned in Genesis 1:26 and the three in one Father, Son and Holy Spirit individually and collectively recorded in Luke 3:21&22, confirms this. (Read Isaiah 6:3 and Revelations 4:8) If one were to question or doubt He existed would be like saying our Body, our Soul and our Spirit exist individually but collectively (3 in 1) we don’t! The Triune Godhead made Mankind in Their collective three in one Image and Likeness and if They don’t exist corporately in this way, then we don’t either!

... **Drinking spiritually** of Christ’s Blood which was shed once for all mankind forever, comes in six very unique restoring and redemptive Life changing forms. (All you have to do is find each ones revealed true meaning for you from the Father and freely “drink” of it):

Christ’s sweated Blood

Christ’s Bruises Blood

Christ’s Wounds Blood

Christ’s Crown of Thorns Blood

Christ’s Hands and Feet Blood

Christ’s Blood & Water from His Side

Christ’s sweated Blood – In a Garden in Gethsemane, *Last Adam* (Christ Jesus) chose to Shed His Blood in this way to reverse a curse from God that First Adam had brought upon himself and his Seed in another Garden in Gen. 3:17-19. First Adam chose to eat from a tree whose fruit would cause him and his Seed to spiritually

die. (Gen. 2:17) *Last Adam* chose to Eat from a Tree who Fruit would cause Him and His Seed to spiritually Live. In *Last Adam* we now have been redeemed and restored back into this self same Garden where we are repeatedly reminded by God to not eat from this tree again or we will surely suffer the same consequences... In practice this is easier said than done because the fruit of this tree was and still remains (Gen.3:6): “*Good for food, pleasing to the eye and desirable for gaining wisdom*”. To add to this temptation, the enemy whom the Bible calls the Deceiver of the Brethren continues to quote Gods Word out of context as he did in Genesis 3:1 and in Luke 4:10. Over the years before I understood and drank of Christ’s Blood in this way, I regret to say I co-conceived with Pie Face the father of lies and deception, numerous “*Ishmaels*” (Gods Word done mankind’s way) – Although they carried God’s Blessing on them because they were Word based, they never could or would carry His Birthright... In due season they would return to the Gen. 3:19 “*Dust*” they were formed from.

Christ’s Bruises Blood – He was Bruised for our iniquities (Isaiah 53:5) ensuring that everything that was passed down to us from our forefathers can be cut off in its tracks from our generation and beyond. My Grand Father, who lived with us for most of the last years of his life and my Father, both suffered an iniquity that caused untold hurt and emotional damage to those around them - They could not help themselves. When these self same fruit started to manifest in and through me from a very early age, although I did not know what an iniquity was at the time, I knew that something had been passed down to me generationally because of the mirror effect I was seeing. Once I became a Born Again Christian I went for counselling, attended Deliverance Seminars some lasting as long as 14 weeks but none of them seemed to work in the long term... Until I was enabled by the Father to see with the eyes of my heart and I “*drank*” Christ’s Blood in this way (Although the fruit could be removed during these sessions the root couldn’t)

Christ’s Wounds Blood – He was Wounded 39 times with the Cat of Nine Tails for our Sicknesses (Isaiah 53:5) and science has since confirmed that there are 39 groups of known sicknesses and

diseases in this dark world... Every one of which He Shed His Blood for once, for all and forever! Sadly before I got a revelation of this, I chose Medicine over Christ's Blood almost every time, even though I had experienced numerous healings over the years including that of my crushed vertebrae in my back being totally restored. (See Chapter 1) My perception and understanding of Christ's 39 Stripes during this time was 2nd hand and I often felt like the man in the Bible who said to Jesus: "*I believe but help me in my unbelief?*" With hindsight I now recognize and understand that being healed *BY* Christ Jesus (Like the 9 Lepers) is a far cry from Being Made Whole *IN* Christ Jesus. (Like the 1 Leper)

Christ's Crown of Thorns Blood – When He was crowned with a Crown of Thorns the Thorns penetrated His Skull making His Brow to bleed. This Blood was shed to reverse a Curse in Gen. 3:17-19 over First Adam and his Seed. Only if we worked this soil through painful toiling and the sweat of our brow, would we be able to eat from it until we returned to the dust we were taken from. As the Bread Winner of our Household I toiled and sweated for a number of years to provide for me and mine but somehow never seemed to get there. Much was received but much of it has since returned to the proverbial "*dust*" it was formed from. Ever since I started to "*drink*" of His Blood in this way, our every need has been supernaturally met exceedingly, abundantly, above all we could imagine - Without toiling or sweating! God truly does meet all our needs according to His Riches and Glory *IN* Christ Jesus often before we even ask.

Christ's Hands and Feet Blood – He was pierced with nails in His Hands and Feet for our transgressions. (Isaiah 53:5) Complying with all of Gods uncompromising Laws in the natural is and always has been impossible to do in the natural. In the Old Covenant, mankind was permanently trying in vain to comply with Gods Laws and was forever bringing sacrificial offerings to offset the Judgment they were now under. Jesus the Christ did not come to do away with Gods Laws but rather to fulfil them, so that in Him we are no longer under Gods Judgment but under Gods Mercy... "*Which triumphs over judgment*"(James 2:13) Like the Law of Gravity in the natural which is superseded by the Law of Lift so in the spiritual, Gods

Law of Judgement is superseded by His Law of Mercy and Grace. Sadly I continue to witness a never ending stream of New Covenant Christians in their own understanding and strength going back to embracing one or more of these Old Covenant Laws including the Ten Commandments. Jesus Said that if you try to keep just one of the Laws you have to keep them all! As well meaning as it may be, keeping one or more of these Laws in this way automatically disqualifies one from remaining under Gods Mercy and mocks everything that Christ did for us. Paul in Galatians 3:1-13 asked the Church in Galatia the same thing: "*Who has bewitched you? Are you so foolish? After beginning with the Spirit are you now trying to attain your goal by human effort? Does God Give you the Spirit and Work Miracles because you observe the Law? ALL who rely on the law are under a curse because it is written: 'Cursed is everyone who does not continue to do everything written in the Book of the Law.' Clearly no one is justified before God by the Law. Christ redeemed us from the Curse of the Law by becoming a Curse for us.*"

Of all the types of Christ's shed Blood I "*drank*" during my 8 year Sabbatical, this was by far the most meaningful, significant and life changing for me. God has only one uncompromising Criteria for us to enjoy the benefits of this Higher Law and that is we have to measure others by the same Measurement God Measures us by – *We cannot expect Gods Mercy to be our portion when we ourselves choose to exercise judgment over others!* If we choose to judge others (Including un-forgiveness), we automatically disqualify ourselves from His all encompassing Mercy. (Matt. 6:15)

Christ's Blood & Water from His Side – When a birth takes place in the natural, blood and water flows. While Jesus hung dead on the Cross at Calvary He was stabbed in His Side and His Blood and Water flowed. (John 19:34). Scientists recently have proved that when a baby is born from the womb it goes through a death in the womb from the old that requires a rebirth or born again experience on the outside, to the new. When I was Born Again this spiritual death to life experience I had was very real to me because all the old things had passed away in the twinkling of an eye and made brand new. My whole demeanour changed as I experienced what I now

call a spiritual Caterpillar/Butterfly metamorphosis on a level I am lost for words to explain. Comparatively I can only liken it to when I witnessed the natural birth of my daughters when they breathed their first breath of life outside my Beloveds womb but that doesn't quite make it - Of the six forms of Blood I drank this was the only one I experienced in its fullness the first time around and will always be by far the greatest miracle I have ever experienced in my life. I have since had the privilege of being part of witnessing a number of other people go through this self same process and I will never tire of it because each re-birth is totally unique in its own right. Contrary to some contemporary Christian beliefs, drinking of this Blood is *NOT* optional but mandatory. Jesus in John 3:3 Says: *"I tell you the Truth, no one can see the Kingdom of God unless he is Born Again."* If these so called Christians are *"seeing"* anything it's Babylonian Godliness where they are calling those that are not as though they were! (See Chapter 9)

... ***Eating spiritually*** of Christ's Flesh comes in 3 segments which make a single whole. If you do not embrace all three segments equally it will have little or no effect:

Christ's Death

Christ's Resurrection

Christ's Ascension

Christ's Death – When Last Adam, Christ Jesus ate from the (Spiritual) Tree of Sin and Death at Calvary He reversed all that First Adam in the Beginning did when he also ate from a Tree of the same nature. 1 Cor. 15:21 says: *"For since (Spiritual) death came through a man, the resurrection of the (Spiritually) dead also comes through a man. For as in Adam all die (Spiritually), so in Christ all will be made (Spiritually) alive"*. Just as First Adam and his Seed spiritually died so Last Adam and His Seed will spiritually live. Although I knew all this in my head through my own human wisdom, it was never really functional in my heart until I was *"Enabled"* recently by my Daddy and I started spiritually eating Christ's Flesh in this form. Although

I had no doubts that my spirit was saved and sanctified when I was Born Again, I also knew my Soul (Mind, will and emotions) had some catching up to do! Repeatedly I still chose to think the wrong thoughts, do the wrong deeds and respond emotionally at times like a spoilt child. Instead of seeking Gods Face to deal with the root issue, I instead found places in the Bible where great men and woman of God had responded in the same way – Paul got Timothy circumcised after saying that those Believers advocating this should go all the way and emasculate themselves. Peter pulled back from Gentile Believers even though he knew he was wrong. And my favourite Scripture I hid behind was quoting Paul when he said: *"I do what I don't want to do but I do it anyway."* All this is a thing of the past in my life and I am pressing on to (Eph. 4:13, 24): *"Attaining to the whole measure of the fullness of Christ, putting on the new self created to be like God in true Righteousness and Holiness."* Christ's Death Revealed to you by the Father is the proverbial gateway or Step 1 of 3 to attaining this *"3 in 1 Whole Measure"* that has always been ours to have.

Christ's Resurrection – When Christ Jesus rose from the dead, He had Scar Tissue from wounds He sustained before He died. These wounds included emotional and spiritual wounds which one cannot often see at first glance but are still there all the same. Christ's Resurrection Revealed by the Father is the proverbial straight and narrow *"Path"* Jesus told us we have to walk down. This Path has hatred/discord, darkness and death filled ditches either side of it which can and will ensnare you but if you keep your spiritual eyes firmly fixed on the middle of His Path, they will not come near you. (Another name for this place in the middle of this straight and narrow Path is Psalm 91 *"The Secret Place"*) – Receiving emotional and spiritual hurts and bruises fairly or unfairly in the course of ones life, is a forgone conclusion. (Not *"if"* but *"when"*) By eating of Christ's Flesh in this way, these metaphoric *"wounds"* will all be collectively metamorphosis-ed into Resurrection Scar Tissue (In Christ's Image and Likeness), fit for the Masters Jer. 1:5 Use.

Christ's Ascension – When Christ Ascended, He Gave Psalm 68: 18 / Eph. 4:8 *"Gifts"* to men that were intended for our enablement and equipping... *"To no longer be infants tossed back and forth by the*

waves, and blown here and there by every wind of teaching and by the cunning and craftiness of men in their deceitful scheming. Instead speaking the Truth in Love, we will grow up into Him who is the Head, that is Christ.” (Eph. 4: 14-15) 1 Cor. 15: 48-49 says: “As was the Earthly man, so are those of the Earth; and as is the Man from Heaven, so also are those who are of Heaven. Just as we have borne the likeness of the Earthly man, so shall we bear the Likeness of the Man from Heaven.” Gods “Enabled” third and final segment of His Ascension has truly taken me to new spiritual heights I never thought possible mainly because His Ascension includes Him Sitting at the Fathers Right Hand Interceding for me 24/ 7! To know that no matter what time it is, where I am, what I am doing or what I feel, He “has my back” is something I still find overwhelming - The Christ, the Son of the Living God has freely committed Himself to this task without ceasing until His Return come what may and it often brings tears to my eyes when I think of it! As a small token of my reciprocal appreciation I make every effort to glorify Him at every opportunity I get, wherever I find myself in my area of Influence. I have also set aside “The Lords Day/ Son Day” (Rev. 1:10 & Acts 20:7), the first day of the week, as a day where I can reflect on His goodness, unselfishness and faithfulness celebrating what He has Done and continues to Do for me and mine.

... **Jesus Gave thanks** broke the Bread and said: ‘*This is My Body, which is for you; Do THIS in remembrance of Me. In the same way, after supper He took the Cup Saying, ‘This Cup is the New Covenant in My Blood; do THIS, whenever you drink it, in remembrance of Me’.* (1 Cor. 11: 23-25) To have The Lords Supper in any other way than “THIS” (Christ’s broken Body in 3 ways and Christ’s shed Blood in 6 ways) is and always will be a form of Godliness denying the Power therein... And Paul says in 2 Tim. 3: 5 we should have nothing to do with it! For years and years I ate The Lords Supper where “THIS” was a Babylonian form of Godliness denying the Power therein because I knew no better - Unbeknown to me, I had been spiritually eating the proverbial crumbs and leftovers that fell my way from Gods Heavenly Banquet Table when all the time I had access to the Captains Table! Jesus confirms this in Revelation 3: 20 when He Said: “If you hear My

Voice and open the door (To your heart) I WILL come in and Eat with you and you with Me.” Since I started having The Lords Supper (THIS) in remembrance of Him in this manner, I can honestly confirm that the Power of God in all its facets and forms detailed in this Chapter is truly now my portion... On Earth as it is in Heaven!

THE SECRET PLACE

“He who dwells in The Secret Place of the Most High will rest in the Shadow of the Almighty and say of the Lord He is my Refuge and my Fortress, my God in whom I will trust. He will surely cover me with His Feathers and under His Wings I will find Refuge. His Faithfulness will be my Shield and Rampart.”
(Psalm 91:1-4)

When Jesus the Christ in John 2:19 said that He would “Raise” the Old Covenant Temple of God in 3 days, he was not referring to the physical but the spiritual. Instead of Gods manifested Presence on Earth as it is in Heaven Dwelling in a building it would now be housed in His Born Again (Resurrected/Raised) People. The Old Covenant of Judgment and Sacrifice for unrighteousness in the Sight of God would now be done away with and His People would now be under Gods Mercy (Through His New Covenant) - Which triumphs over His Judgment (James 2:13). This was dotted and crossed when Christ Jesus Died, Rose and Ascended to Heaven. When He died the curtain separating mankind from Gods Presence in the Holy of Holies Temple “Was torn in two from top to bottom” (Mark 15:38). The Old Covenant through “First Adam” and his Seed had been replaced by the New through “Last Adam”, Christ Jesus and His Seed. (1 Cor. 15:45-49) Jesus did not come to do away with Gods Righteous Requirements but rather to fulfil them so Gods People could now carry Gods Presence in and through them as He had intended before The Fall in Genesis 3 – Gods Temple (On Earth as it is in Heaven) would now be Christians individually (1 Cor. 3:16) and corporately (2 Cor. 6:16) in and through “Christ Jesus” and Him alone. Any other

Jesus would be a form of Godliness denying the Power therein. (See Chapter 9) Although the God Heads three chamber Place of Abode had changed, its Heavenly furnishings, protocol and modus operandi has and always will remain the same:

- The Outer Court, Red Room, Eagle Egg Room or Jesus Christ Room
- The Holy Place, Blue Room, Eaglet Room or Holy Spirit Room
- The Holy of Holies, Yellow Room, Eagle Room or Abba Father Room

... **The Outer Court.** Due to this room being lit by natural light alone from the sun, it was only fully functional when darkness or artificial light was not present. This room had only two furnishing:

The Bronze Altar... Located at the one and only entrance/exit, where very specific blood sacrifices were made for the repeated sins of Gods repentant People. Access was limited only to those who first offered a blood sacrifice on entry.

The Bronze Laver or Wash Basin... This is where the Priest would wash himself before offering the next sacrifice on The Bronze Altar. Outer Court Christianity can only be truly fully functional when darkness in any form (Including artificial light) is not present. If Gods Living Tabernacle, individually or corporately has a toe hold, foothold or stronghold of darkness in their life and lifestyle, their Christianity will become more and more talk and less and less walk... Sermonizing others more and more in their area of influence to regressively do what they say and not what they do! To add self righteous veneer value to this they will wear religious masks, outrageous clothing, embrace self edifying titles, wield a whip for submission and brand for ownership and become learned Bible Scholars, showing themselves approved by the washing of Gods Word... “Washing the outside of the cup and dish but inside full of greed and self indulgence” (Matt. 23:25) - These and theirs are the deceived “Saints” whose blood the Harlot in Rev. 17:6 was drunk from! (See Chapter 9)

Even before I became a Christian, I went out of my way to expose the likes of these and theirs in their various forms only to find myself when I joined, now ensnared by another arm of the same spiritual Octopus! This shift took place in baby steps and was so

subtle that it's only with hindsight I was able to "see" where I had gone before I could work my way back to where I should be! The two main reasons this took place was because I chose never to truly press in, as well as the fact that I was instructed by Leaders who themselves had also been unknowingly ensnared – The blind was truly guiding the blind! It was only when I frustratingly compared who I was at the time with what Gods Word in Ephesians 4:13&24 said I should be, that I cried out in desperation to Him for His Help in September 2004. Choosing to dwell in *The Outer Court* and not press in is only one third of Gods Eph. 4:13&24 "Whole" for His People and no matter how well meaning your reasons may be, you will be ensnared as I was. *The Outer Court* is extremely important but only as the first step of three - The other two steps are progressively found in *The Inner Court* and *The Secret Place* but can only be embraced *through The Outer Court*.

Of the 10 Lepers who were healed only one was "Made Whole" by choosing to come to Jesus after being healed. Since Sept. 2004 I am progressively Being Made Whole in a real, transparent, meaningful and lasting way as I continue to press in. My focus is no longer on being rid of the darkness of this World but on embracing Outer Court "Light"(The Son) , Inner Court "Life" (The Spirit) and The Holy of Holies "Love"(The Father), in all their many Facets and Forms! Over this 9 year period I have been in a Heaven on Earth "Cloud by Day & Fire by Night" New Covenant Bubble where I wilfully allowed myself to be subjected to innumerable paradigm shifts on an ongoing basis. I believe this is all in preparation for His preordained Jer. 1: 5 "Purpose and Plan" for me in my area of influence which grows brighter and more defined every day.

... **The Holy Place (Or Inner Court)** This has 3 pieces of Furniture in it:
The 7 Stem, oil fed Candle Stick which is the only source of Light in this room
The Table of Shewbread with Bread and Wine on it (See Chapter 4)
The Altar of Incense where sweet smelling Incense Sacrifices were made daily

The 7 Stem oil fed Candle Stick (Menorah) was fuelled by specially mixed oil and the wicks were constantly trimmed to ensure the oil (A shadow and type of God the Holy Spirit) and not stinky, sooty, smelly wick (A shadow and type of ones flesh or sinful nature) constantly remains the only source of light in this room. Every Christian dwelling in this room in any and every given situation and circumstance has two options available to them:

To do so going over in line with Gods Word/Will done Gods Way
To do so going through in line with Gods Word/Will done mans way

Doing Gods Word Gods Way carries His eternal Birthright & Blessing (An Isaac) and doing Gods Word mans way only carries Gods Blessing without His eternal Birthright (An Ishmael)... In the season of time returning to the Genesis 3:17 "Dust" it was formed from. Another name for this is "Self righteousness" and sadly many of Gods People since Christ's Death, Resurrection and Ascension have like Adam and Eve, chosen in one form or another to embrace this option, bringing Gods Judgment upon them again. Isaiah 64:6 says: "All our self righteous acts are like filthy rags in the Sight of God". Jesus confirmed this when He Said that if we try to keep so much as just one of the many laws God requires of us to abide by, we have to keep them all or we will come under Judgement. Jesus did NOT come to do away with the Law but to fulfil it and it is only in and through Christ Jesus (Not another) that we can be found to be truly Righteous before God. Sadly I had innumerable "Ishmaels" (Gods Will/Word done my way) in my wake before I was aware of this and many of them have already returned to the proverbial "dust" they were formed from. Psalm 127:1 says: "Unless the Lord Builds the House its Builders labour in vain."

The Table of Shewbread was where fresh bread and wine was placed and represents Christ's bloody, broken and bruised Body of which we should spiritually eat as well as His shed Blood of which we should spiritually drink. (See Chapter 4) Spiritually this is the promised Heavenly Manna and "Anyone who eats and drinks of it will

live forever.” (John 6:48-51) When I first got understanding and insight of all that this represented I was repulsed and chose to ignore it. Only since September 2004 has this truly spiritually become real Food (x3) and real Drink (x6) to me knowing that I now am experiencing first hand The Real Deal.

The Altar of Incense was where sweet smelling Incense Sacrifices were made morning and evening to God. Jesus in John 4:23&24 Says: “*A time is coming and has now come when true Worshipers will worship the Father in (Holy) Spirit and in (Christ Jesus) Truth for they are the kind of Worshipers the Father Seeks. God is Spirit and His Worshipers must worship in (Holy) Spirit and (Christ Jesus) Truth.*” Worshipping the Father in *The Inner Court* must be done based on a combination of “*Oil*” (Holy Spirit) and “*Bread & Wine*” (Christ Jesus Truth) for it to be that which the Father Seeks for such a time as this. Anything less than this is a form Godliness which God in Amos 5:23 Says: “*Away with the noise of your songs!*”

Until I attained reverential insight and understanding of the seven forms of Biblical Praise and Worship we can and should offer to God, I often unknowingly offered up Amos 5:23 displeasing “*Noises*” to Him - It was all I knew through those who had taught me, who themselves were uninformed and ignorant to what they were doing! These 7 forms of Praise and Worship are made up of “*Towdah*” (Psalm 50:23) *where one extends ones hands Heavenwards to worship Him.....* “*Shabach*” (Psalm 63:3) *where one shouts in triumph to God.....* “*Zamar*” (Psalm 57:7) *where one sings to God accompanied by music.....* “*Barak*” (Psalm 34:1) *where one adores and reverences God.....* “*Halal*” (Psalm 22:2) *where one foolishly celebrates Gods Goodness.....* “*Tehillah*” (Psalm 22:3) *where one creates a man made throne in ones Heart for God to sit on and.....* “*Yadah*” (Psalm 107:8) *where one has reverential Intimacy and Fellowship from ones Heart with God.* All these forms of Praise and Worship must be done in a sincere and meaningful manner and NOT because the Worship Leader says so. Offering Sacrifices of Praise and Worship in this “*Simon says*” manner is and always will be received by God as an Amos 5:23 displeasing “*Noise*”, no matter how sincere or uninformed you are – Because Gods Protocol has remained the same throughout

the ages. What we do in this regard while on Earth will be “*Choir Practice*” for the Real Thing in Heaven where we will (Rev. 4:10) “*Join the Angels and those who have gone before us, laying our Crowns down before Them and loudly Worshipping before the Throne.*” (See “*Epilogue*” at the end of the book)

... **The Most Holy Place** (Or Holy of Holies). This room has only 1 piece of Furniture in it:

The Ark of the Covenant. The Ark of the Covenant consisted of two Angels with outstretched wings facing each other and just below this is *The Mercy Seat*. Between *The Mercy Seat* and the Angels outstretched wings is Gods manifested *Shekinah Glory* or manifested Presence on Earth as it is in Heaven. Another name for this Place is Psalm 91 “*The Secret Place*” and is an impenetrable Cloud by Day and Fire by Night Fortress. The Light refracted from His manifested Presence in this room is the only true Light source continually erasing all forms of darkness and artificial light. (The Bible says the enemy comes into our midst as an Angel of light) His all encompassing Protection and Provision will be yours wherever you find yourself in your Jer. 1:5 *Area of Influence*” at home, at work or at play... *You WILL find Gods Favour, He WILL Protect you, He WILL Rescue you, He WILL Answer you when you call upon Him, He WILL be with you in trouble, He WILL Deliver you, He WILL Honour you, He WILL Satisfy you with long life, He WILL Show you His Salvation and His Faithfulness WILL be your spiritual Shield and Rampart.* (See Gods Final Word at the end of the book)

As long as Gods Old Covenant People remained under The Cloud by Day and Fire by Night, their every need would be met whether they found themselves in the Desert or at the Oasis. - Their circumstances were subject to them rather than them being subject to their circumstances! It was only when Gods People in their own understanding and strength and of their own free will, decided to abandon this place of total Protection, Provision and Peace that they were now subject to their circumstances..... *Their enemies could now attack and deceive them; They were now no longer under Gods Mercy but subject to Gods Laws and Gods Judgment; They were now subject to*

sicknesses, diseases, fear and anxiety; Everything they owned was now subject to aging; They now had to self righteously fend for themselves by the sweat of their brow to survive... Having a form of Godliness denying the super natural Power therein! This New Covenant Secret Place in Christ Jesus (Not another) and this alone is where Gods Mercy can, will and does continue to triumph over His Judgment for His People where you are no longer subject to Gods Laws... Unless you, in your own understanding and strength, free wilfully choose to do otherwise! Choosing to come under The Law again of your own free will is a disaster waiting to happen no matter how well meaning your reasons may be. The Ten Commandments and the other Laws have been done and dusted once, for all and forever by Christ Jesus, our New Covenant “*Cloud by Day and Fire by Night*”.

Due to the hour and day we live in, although in theory Christians have a choice of 3 places to spiritually Dwell, in reality we really only have one - *The Secret Place!* Jesus Said in Matt. 24:36 that no man knows the hour or the day of Christ’s return except the Father but He did Say before His return a period He Calls “*The End of The Age*” (Matt. 24:1-35) would come about. During this period He Said many will come to deceive many from within His Ranks and the Love of most would grow cold because of the increase in wickedness. If you choose to dwell in *The Secret Place* at this time it will become your Shelter, Shield and Refuge where the Fowlers snare, deadly pestilence, the arrow that flies by day, the pestilence that stalks in the night and the plague that destroys at midday will not come near you. “*A thousand may fall at your side and ten thousand at your right hand, but it will NOT come near you. You will only observe with your eyes the (Rev. 18:8) Punishment of the wicked. If you make The Most High your Dwelling then no harm will befall you, no disaster will come near your tent.*”(Psalm 91:7-10)

... **When God told me** audibly in Sept. 2004 that “*Intimacy*” was the key to Ephesians 4:13&24 “*Being Made Whole*” I was sceptical but because I had heard from God in this manner I went all out to find out what all this meant... In a nutshell it means spiritually dwelling in The Secret Place of The Most High under the Shadow of the Almighty where:

*God is no longer just my Father but has now become my Daddy (Abba)
Christ Jesus is no longer just my Saviour but also my Lord in every sense
The Holy Spirit is no longer just my Gift and Fruit Giver but my Friend
The Triune Godhead although three are uniquely and wonderfully One*

Having Intimacy and Fellowship with the Father, through Christ Jesus the Son by the Power, Insight and Understanding of the Holy Spirit is becoming more and more my portion. God in all His Glory has so many Facets to His 1 John 4:8 “*Love*” Nature and Character, it’s impossible to even try to explain.

My Walk and Talk for and with Him is no longer about Him or me but about me collectively in and through Him Christ Jesus, the hope of Glory! Once I truly started putting my trust in Him and all that He truly represents, I experienced results which could only be explained as supernaturally synergetic – *The sum total being exceedingly, abundantly more than the parts thereof! I am now fully assured “He who began a good Ephesians 4:13 and 4:24 Work in me is faithful to Carry it on to completion until the Day of Christ Jesus.”* (Philippians 1:6) Herewith find a diagrammatical drawing of the New Covenant individual & corporate “*Living Tabernacle*” to assist you in getting a little more revelatory insight & understanding of this.

situation we prayed and petitioned up into, would always be “*Thanksgiving*” from our heart based. This would continue until we first hand experienced a reciprocal Download from God of “*Heart and mind Peace*”. Once we felt this was in place we would move onto the next thing on our Prayer List knowing that God had Heard our Prayers and things were now in His more than capable Hands - The Burden of Responsibility regarding what we had been praying and petitioning for had now been transferred to God to do as He Saw fit, in His Way and in His Time. (Knowing where, how and when to finish when praying effective Meaningful Prayers is just as important as knowing where, how and when to start) The second foundational dimension to effective Meaningful Prayer is that it must always be Holy Spirit Led in Christ Jesus. (Not another) And the third and final foundational dimension to effective Meaningful Prayer is that it must be bi-directional (Both to and from Heaven) where you offer up “*Prayers and Petitions with thanksgiving in your heart*” and in due course download a Heavenly “*Heart and Mind Peace*” which surpasses all understanding, confirming closure.

... *I was given a wake* up call by God one day at the beginning of my 8 year Sabbatical during my prayer time. I had a 7 day a week self righteous prayer routine where I would read my Bible, pray for a list of things and finally pray as Led by the Holy Spirit..... All the while watching the clock count down! Fully satisfied that once again God was well pleased with my efforts in the Prayer Closet, I prepared to pack up but the Holy Spirits still small Voice stopped me in my tracks when He Said: “*You are flatulating!*” Initially I was stunned and wasn’t sure I had heard what I had and then I started to laugh, and laugh, and laugh because sadly it was true! My Prayer Life had become one of ineffective, self righteous religion where repetition and clock watching played a very big part. I still get the giggles to this day when I think of this incident - I can imagine standing up in Church and telling the congregation that I was Given a Word from God during my Prayer Time and that Word was that I was spiritually “*flatulating*”! From that day to this, my prayer time has been metamorphosis-ed in every conceivable way possible and I have gone back to my

Philippians 4:6&7 tried and tested 3 in 1 Criteria mentioned above.

Prayer is not optional but mandatory for any Born Again, Bible believing Christian who wants to be part of what God is doing at this time in this dark World. It comes in many forms with each having its own unique facets. They include:

Thanksgiving Prayers
Intercessory Prayers
Warfare Prayers
Petition Prayers
Relational Prayers
Tongue Prayers
Corporate Prayers
Partner Prayers

... ***Thanksgiving Prayers*** are personalized, pleasing and acceptable sacrifices to God because you have taken time out to show your appreciation, gratefulness and recognition for what He has and continues to do for you. Psalm 95:2 says: “*Let us come before Him with thanksgiving and extol Him with music and song.*” These prayers should carry no hidden agendas and must originate from ones heart as an overflow. God does need to be bribed or manipulated for you to get what you want - And never try to fake it! If there is one prayer the Triune Godhead truly does appreciate and enjoy it’s the Prayer of Thanksgiving. After prayerful consideration, I have set aside Friday as Holy Spirit Thanksgiving Day, Saturday as Abba Father Thanksgiving Day, Sunday (Son Day) as Son Thanksgiving Day and Monday as Triune (3 in 1) Thanksgiving Day. In Church during corporate Praise and Worship if the Holy Spirit manifests, I will spend most of my time in Thanksgiving Prayer as an overflow from my heart. Early every morning I have Thanksgiving Prayer time with my Abba Daddy, the Son, the Holy Spirit and the Triune Godhead and I find most days it takes up most of my time with them – Everything else somehow doesn’t seem that important anymore and gets put on the back burner!

... **Intercessory Prayers** are those which are offered for and behalf of circumstances, situations and individuals whom you feel Holy Spirit Led to pray for. What and how you pray have to originate in and through the Holy Spirit, who will Guide and Direct you to address roots rather than the fruits for any given situation, individual or circumstance. The Bible in 2 Cor. 10: 4 says: "*The Weapons we fight with are not the weapons of this World. On the contrary they have divine Power to demolish Strongholds.*" These Weapons of divine Power are both offensive & defensive and are the Matt. 16:19 "Keys" Jesus Promised us for binding and loosing on Earth as it is in Heaven. Offensive Weapons include - *The Blood of Jesus* (Rev. 7: 14 & Rev. 12: 11), *The Name of Jesus* (Mark 16: 17-18, Luke 10: 17 & Acts 5: 16), *The Sword of the Holy Spirit – The Bible* (Eph. 6: 17 & Luke 4: 4-12), *Praying in Tongues* (Acts 10: 46 & 1 Cor. 14: 39), *Praise and Worship* (Acts 16: 25&26 & Eph. 5: 19), *The Word of your Testimony* (Rev. 12: 11), *The Blood of Jesus* (Rev. 7: 14 & Rev. 12: 11) and *Ministering Angels* (Luke 2: 9, Heb. 1: 14 & Gal. 1: 8).

Defensive Weapons include *The Blood of Jesus* (Rev. 7: 14 & Rev. 12: 11), *The Name of Jesus* (Mark 16:17&18, Luke 10: 17 & Acts 5:16), *The Sword of the Holy Spirit – The Bible* (Eph. 6: 17), *Praying in Tongues* (Acts 10: 46 & 1 Cor. 14: 39), *Guardian Angels* (Matt. 4: 11, Acts 5: 19-20 & Acts 12:7-10), *The Breastplate of Righteousness* (Eph. 6: 14 & 1Thess. 5: 8), *The Shield of Faith* (Eph. 6: 16 & 1 John 5: 4), *The Helmut of Salvation* (Eph. 6: 17 & 1 Thess. 5: 8), *The Belt of Truth* (Eph. 6: 14 & Isaiah 11: 5) and *Feet Shod* (Eph. 6: 15 & Romans 10: 15)

... **Warfare Prayers** are those prayers where a spiritual breakthrough is required and is aimed at removing that which spiritually blocks, hinders or restricts Gods perfect Provision and Protection for any given situation. In Eph. 6:12 the Bible says: "*Our struggle in not against flesh and blood but against the rulers, against the authorities against the powers of this dark world and against the spiritual forces of evil in the Heavenly Realms.*" Spiritual "*Constrictions*" (From the outside in) and spiritual "*Encrustations*" (From the inside in), require Warfare Prayers and must include very specific offensive and defensive weapons which the Holy Spirit (And Him alone) will choose. The

timing, application and use of these weapons at every phase of this battle must also be shown to you by the Holy Spirit – The Bible clearly says the Battle is not and never will be ours but the Lords and if we try to add to or take away from His Modus Operandi, we are doomed to failure before we even start. Before engaging the enemy in this type of prayer one must make sure you are fully Equipped to do so because forearmed is forewarned!

... **Petition Prayers** are very specific Exodus 17: 8-16 type "*Arm Bearing*" prayers. When the Amalakites attacked Gods People just after they left Egypt they had no weapons to speak of and little or no fighting skills. Moses sent Joshua and his men into battle while Moses looked down upon the Battle with arms raised – As long as he kept His arms raised Joshua prevailed but when they started to drop, the Amalakites were winning. Aaron and Hur came alongside Moses and seated him on a rock and they then stood either side of him holding his arms up until the sun set on the battle before them. For victory to be won with this type of prayer each of the 3 links in this proverbial petition chain has to play their part always remembering the chain is as strong as the weakest link. The first of the three links in this chain is that one must at all times recognise that the battle before you is and always will be the Lord's and His alone - at no time must we think we need to help Him out in any way!

The second link is that throughout the battle before you, you have to at all times remain seated on the Matthew 16: 16 "*Rock Revelation*" from the Father of who Christ truly is (As Moses did in Exodus 17).

The Third and final link is to get Holy Spirit Led Exodus 17 "*Arm Bearers*" (Like Aaron and Hur) to come alongside and pray as Led for you to keep your arms raised for the full duration of the battle. This submissive act symbolically represents "*The Lord Jesus Christ is my Banner*" (Jehovah Nissi).

After 5 years of Seeking Gods Face about what He wanted me to do after my 8 year Sabbatical which ended on 22nd September 2012, He Instructed me to start a Men's Ministry incorporating Spirit Led Arm Bearers who would offer up Petition Prayers for this Ministry.

We have been operational for over 9 months now and I know that nothing effectively could have been achieved in and through this Ministry if these Arm Bearers located in 3 countries, were not part of this Ministry.

... **Relational Prayers** are those times when we have “*One on one*” intimate, personalized and individualized interaction or chats from our hearts with God the Father (Abba Daddy), Jesus The Christ the Son of the Living God, God the Holy Spirit and the Triune (3 in 1) Godhead. In these times, I find I spend very little time contributing but instead being marinated, saturated, permeated, resonated, impregnated, intimiciated, encapsulated and radiated through a spiritual “*soaking*” from on High. In Gods Time as a result of this Isaiah 40:31 “*Waiting*” will come your “*Eagles Wings*” that will take your spiritual relationship, individually and corporately with the God Head, to unimaginable levels: “*Rising up and going over* (Never under or through)... *Running the Race set before you and not growing weary... And walking your Christian Talk and not growing faint.*”

God’s main reason for Creating Mankind (Male and female) was so that He could have “*One on one*” fellowship with them – God repeatedly continues to Genesis 3:9 “*Call out*” to His Born Again, Bible believing People no matter where they find themselves whether in (Gen. 3:8) “*Hiding*” or having walked away from Him, to boldly embrace with gay abandon this form of prayer, as originally Planned. You will NOT be disappointed!

... **Tongue Prayers** can only be prayed by those Christians who have been baptized in the Holy Spirit *with the evidence of Speaking in an Unknown Tongue*. One could easily decide that they can do without this form of prayer in their spiritual Armoury but you have not prayed your best possible mountain moving prayer until it is done in your Heavenly Prayer Language. Opponents of this form of prayer misquote Scripture so I need to spell out why the Body of Christ is divided for and against it. The Greek language in the New Testament refers to three types of Tongues, not just one:

1) The known language “*Tongue*” spoken in Acts 2:4 where citizens of a number of countries from all over the World heard those in the Upper Room speaking their home language Tongue. (Acts 2: 8-11)

2) The 1 Cor. 12:10 “*Gift and Interpretation Tongue*” where if there is no Interpretation forthcoming, the Speaker should “*Keep quiet*”. (1 Cor. 14: 28)

3) The Heavenly Prayer Language “*Unknown Tongue*” mentioned in 1 Cor. 14: 14.

Paul amplifies the importance of this Heavenly Tongue Prayer Language in Romans 8:27: “*In the same way the (Holy) Spirit helps us in our weakness. We do not know what we ought to pray for, but the (Holy) Spirit Himself intercedes for us with groans that words cannot express. And He who Searches our hearts knows the Mind of the (Holy) Spirit because the (Holy) Spirit Intercedes for the Saints in accordance with Gods Will.*” The benefits of a Tongue Prayer is that it is in a language the enemy cannot understand, it always deals with the roots and not the fruits of a given situation and is a Prayer *from* God (The Holy Spirit), *through* God (The Son), *to* God (The Father)..... And will return back to you *in* the Power, Dominion (Influence) and Authority of the Triune 3 in 1 Godhead – A better smart bomb prayer than this, you will never be able to pray and to choose do without this is at your peril!

... **Corporate Prayers** are those prayers offered up where two or more are gathered in *one united accord*. When groups of Christians get together for Corporate Prayers the single most important ingredient is that everyone who attends is on the *same* page. The Bible says one will put to flight a thousand and two will put to flight ten thousand provided they are gathered in *one united accord* and are not divided in what their purposes and plans are. If a spiritual “*oneness*” can be attained, then three will put to flight 100,000, four will put to flight 1,000,000, five will put to flight 10,000,000 etc. The potential synergetic Power even in a small group of Prayer Warriors in one accord is something sadly most Christians have yet to experience

because we all have our own agenda's and modus operandi's. When our Church declared an all night Prayer Meeting (See Chapter 1) and almost everyone left before 10.30 P.M., although it was a negative in one sense it was also a positive in another – The three of us who remained were very definitely in one united accord and our collective corporate synergetic ability had increased from putting to flight one thousand to putting to flight one *HUNDRED* thousand! If others had stayed who felt obligated to do so for reasons other than those we were united on, I believe we would never have experienced what we did shortly thereafter - Sometimes less is more!

... **Partner Prayers** or Prayer Partner prayers are also pivotally based on the two of you being in one accord in how, what, when and why you pray. From experience I have found much of what is prayed for in these situations is largely based on what the Holy Spirit shows either one or both of you for any given situation. What He shows you is root and not fruit based and your "*in one accord*" Led prayers which then follow should be focused on this alone. (By adding to or taking away from that which the Holy Spirit wants you to pray, can be equally detrimental to the desired end result) When you pray in this way don't be afraid to have times where nothing is said provided both of you understand it's a time where you put your respective spiritual "*Arial's*" up and listen out for Heavenly Downloads to direct and guide you regarding the way forward. By far the most profound and deep time I had with a Prayer Partner was with an Afrikaner who could not speak English and I could not speak Afrikaans. (The 3rd person who could speak both was delayed and couldn't join us) Initially he would say what he felt he wanted to say in Afrikaans and then I would have my say in English but due to the language barrier this quickly became a non entity so we both decided to keep quiet and put our spiritual "*Arial's*" up... And it was the best thing we could have done because for the next 3 hours we both experienced something I can only explain as possibly similar to what John must have experienced in the Book of Revelation. In that 3 hour period collectively and in one accord we prayed in Unknown Tongues, we laughed, we cried, we worshipped, we saw visions, we rejoiced but for every second of that time we Rev.

1:10: "*Remained in the Spirit*"... And it changed our individual Walks with the Lord forever!

From experience I have found clock watching when praying in this way is a non starter... Both you and your Prayer Partner should be in total agreement in this regard. No matter how long it takes, let God the Holy Spirit do what He does best so that when you go your separate ways all that needed to be "*dotted and crossed*", has been! Over the years I have prayed with a number of Prayer Partners who from time to time due to other commitments could only spare a certain amount of time to pray with me and once this became a norm I would ask to be released from this partnership and rather go it alone – Because I recognized I was knowingly Grieving the Holy Spirit by complying with this request.

I would like to close this Chapter the way I opened it by repeating that "*Prayer is not optional but mandatory*" and I trust what I have recorded has reinforced this. Learning to pray in the 8 ways I have mentioned incorporating Phil. 4:6&7, will no longer be something you have to do but something you will *WANT* to do! For too long our prayer life has been something that has become a dry, desolate and ineffective duty but I assure you if you apply the principles I have listed in the way I have suggested, this will no longer be the case – Put your proverbial "*Seat Belt*" on because it's going to be a Bell Ringer!

SPIRITUAL SAFARI

"Call to Me and I will Show you great and unsearchable things you do not know." (Jeremiah 33: 3)

Every Born Again, Bible believing Christian has been given a pair of Isaiah 6:9/2 Cor. 4:18 "3G Seeing Eyes" but the choice remains with us whether we ever choose to use them or not. God wants to "Show us great and unsearchable things we don't know" but He can only do so if and when we choose to "Call to Him" from our hearts while wearing our designer, prescription, made to order in Heaven, "3G Seeing Eyes". If you choose not to wear them, much of what represents true Christianity becomes foolishness and contradictory because you can only see it in "1G" (The natural). For those of you who have watched a "3D" film while wearing a pair of 3D Glasses will know exactly what I mean – Without the glasses you will never appreciate what the others are seeing and getting so excited about.

... **Jesus Said** in Matt. 15: 18 that the things of the heart determine if one is spiritually unclean or clean and if one chooses to not use their 3G Seeing Eyes of their heart they will be led astray by those modern day Matt. 15: 14 "Blind Guides" who themselves choose not to do so! "They honour Him with their lips but their hearts are far from Him. They worship Him in vain and their teachings are but rules taught by men". (Matt. 15:8-9) I know this is true because I have been both a New Covenant "Blind Guide" as well as part of "The Blind" from within the Body of Christ. Sadly it's only when you see what you were from a distance after you have left all that this represents, that you fully recognize how spiritually blinded you were both as a Guide and

as one who was being guided! (See Chapter 9) 1 Cor. 2: 12-14 says: "We have not received the spirit of the World but the Spirit who is from God, that we may understand what God has freely Given us. The man without the Spirit does not accept the things that come from the Spirit of God for they are foolishness to him and he cannot understand them, because they are spiritually discerned."

... **All too often for** over 17 years as a Christian, I missed out on experiencing awesome spiritual insights and detours from the Spirit of God because I chose to see the seen by the flesh (1G), rather than the unseen by the Spirit (3G). 1Cor. 2: 9-10 says: "No eye has seen, no ear has heard, no mind has conceived what God has Prepared for those who love Him – BUT GOD HAS REVEALED IT TO US BY HIS SPIRIT. THE SPIRIT SEARCHES ALL THINGS EVEN THE DEEP THINGS OF GOD." Only in the last 9 years can I honestly say I have made a quality decision to choose to "Fix my eyes on what is unseen for what is seen is temporary but what is unseen is eternal." (2 Cor. 4: 18) And now: "I see with eyes to see Gods hidden Wisdom that God Destined for our Glory before time began". (1 Cor. 2: 7) Gods Promised Reward to those who press in and choose to exercise T-Heir (Trinity Heir) made to order 3G Seeing Eyes is exceedingly abundantly above all we could imagine. Most Christians are waiting for this to be our portion when they reach Heaven but if you believe that, you are believing a lie straight from the Pit of Hell - In the image and likeness of the 2nd Prodigal Son who had access to everything His Father owned but in practice by a freewill choice, was functionally no better off than a Hired Hand! Gods Best for us is exceedingly, abundantly, above all we could imagine and His Promises have and always will be "Yes and Amen". If you choose to see with your 3G Seeing Eyes in future, I assure you that your Christian Walk will take on dimensions you never thought possible!

... **Seeing with the Eyes** of your heart is to see as others who have gone before us saw - The woman with the Alabaster Jar in Matt. 26: 6-13 saw with the 3G Seeing Eyes of her heart that Jesus needed to be prepared for burial, while those closest to Him had no clue of

what was going on. Simeon and Anna in Luke 2: 25-38 both saw with the 3G Seeing Eyes of their hearts that the baby Mary and Joseph got Circumcised and Dedicated at the Temple was Matt. 16:16 *“The Christ, the Son of the Living God”*. 30 years later Peter and Peter alone of the 12 Disciples was able to see with the 3G Seeing Eyes of his heart the same thing. During my 8 year Sabbatical God Instructed me to go on a three destination Spiritual *“Seeing with the 3G Seeing Eyes of my heart”* Safari. I am so pleased I did not reject this prompting out of hand, as I had many times in the past because it was to change my Walk with and for God forever:

FIRST STOP - Three Ways Safari Lodge (Near Beitbridge, Zimbabwe) They offer three dimensional Safaris (Hunting Safaris, Foot Safaris and Vehicle Viewing Safaris) – Needless to say this was not missed by me as my first of 3 destinations where I would exclusively be doing all three while I was there but in the Spirit. God told me to spend 2 nights here and not to go on anything but His spiritual Safari where He and He alone would be my Tour Guide in Jeremiah 33: 3 *“Three Ways”*. Our hosts were very perplexed because we declined any of the free activities they had on offer and eventually stopped asking us if we wanted to join them on the next activity they were going on. This Leg would be God the Fathers.

... His 1st of Three Ways took place as we came into camp where I was clearly and uniquely Shown something which depicted His Mercy Seat Throne. Once I had unpacked I took time out to meditate on what I had seen and God showed me the following through His Word: *In any and every given situation we have a freewill choice of either embracing His Mercy or His Judgment – How we qualify or are disqualified is whether we ourselves choose to exercise mercy or judgment because the “Measure we measure with will be the Measure we are measured by”*. (Matt. 5: 7) *He can only show us His Mercy if we ourselves are merciful! Coupled with His manifested Mercy, comes His manifested Presence “Where there is fullness of Joy” unspeakable... Which in turn becomes our Heaven on Earth Strength because the Bible says that “The Joy of the Lord IS our strength”* (Neh. 8: 10). *If I or*

any other Christian chooses to judge rather than be merciful, not only will we be subject to Gods reciprocal James 2: 13 “Judgement” but His “Joy Strength” and His “Peace Presence” will also depart leaving us with “Ikabod” (His Presence has departed) over us - It’s an all or nothing 3 in 1 deal!

... His 2nd of Three Ways took place the next morning after Breakfast in the dry Bube River bed below the Lodges we were staying in. He Told me to write in big letters in the sand His Name *“YHWH”* which I did in letters about 10 feet (Just over 3 meters) high. Once I had done this He then Told me to 3 dimensionally replace the last *“H”* with an *“E”* (For Neville instead of Nevill) and put the last *“H”* back on the end... Then I was told to stand before *“YHWEH”* with arms raised and commit myself to His Purposes and Plans regarding my future Walk with and for Him - No longer just Called or Chosen but now also John 20:21 *“Sent”*, which I willingly and unconditionally agreed to! All along I thought my Earthly Father had forgotten to add the second *“E”* to Nevill when he registered my birth with the authorities but it wasn’t – My Heavenly Father had purposely ensured this was done so that in due season, like Abraham (Abram) and Sarah (Sara) I would no longer be *“Nevill”* (Without the 2nd *“E”*) but *“Neville”* with the 2nd *“E”* in 3 dimensions... From YHWEH (The Father), from Emmanuel (The Son) and from Hakadesh (The Holy Spirit). YAWEH can be spelt with or without the *“E”* (Like Neville) which in itself makes this even more unique and special! Although my Birth Certificate would always show my first name as Nevill without the last *“E”*, in the Sight of God for eternity from that day forth, my name would be Neville with a second *“E”* uniquely mine in 3 dimensions!

... His 3rd of Three Ways took place the last morning we were there just before we were about to leave for our next destination. The Bube River is a river by name but not by nature because 11 months of the year it remains outwardly dry above the river bed. I am told it does carry water all year round but selfishly conserves it deep down well below its sandy surface. Only in exceptional cases where extreme conditions prevail when flooding occurs, does it become in practice

what it should be all year round – *A living source of life to everything on its path to the sea!* The Lord told me this was a picture of His New Covenant People who only in exceptional cases choose to share what they have from within with those in a lost, thirsty and dying World in their area of influence at home, at work and at play! His Man-date (See Chapter 12) for me was to reverse this and facilitate Psalm 51: 13 “*Transgressing Christians*” in this regard to learn to freely give to those in their area of influence as they had freely received. Coupled with this I was to also Psalm 51: 13 “*Turn back Sinners to Him*.”... Needless to say it was a no brainer and without hesitating I replied: “*Here am I, Send me.*” (Isaiah 6:8)

SECOND STOP – Tshipise Hot Mineral Baths (Near Musina, South Africa) Once again God told me to spend 2 nights here and by now I knew God was going to continue where He had left off at Three Ways Safari Lodge. Unbeknown to me at the time, leading up to my visit, a certain gentleman had been clearly Told by God to visit Tshipise on a regular basis and every morning climb the mountain where the source of the Hot Mineral Water comes out and blow his Shofar. Although I am sure Gods Reason for getting him to do this was far greater than just heralding in my visit, I know it definitely had something to do with it! This Leg would be God the Holy Spirits who would depict what I saw in 3 dimensions, in 3 ways and at 3 times of the day (3x3x3). What He showed me not only confirmed and underlined what Father God had Shown me but also confirmed what I suspected to be our true enemy – *Our 3 dimensional flesh (soul) made up of ones mind, will and emotions!* The Devil was defeated 2000 years ago by Christ Jesus and our spirit man through Christ Jesus has been saved set free and sanctified for eternity. (The only way we can lose this is if we choose to walk away from under Gods New Covenant Cloud by Day and Fire by Night in Christ Jesus) But the vast majority of Christian’s three dimensional souls will remain unsaved, unsanctified and undefeated until they change their addresses and go home... *If their Soul does not lead them 3 dimensionally Gen 3: 6 “Astray” before then!* If I had any doubts about this being our true enemy before I visited Tshipise, after what I saw over and over again with the 3G

Seeing Eyes of my heart, I had none what so ever when I left.

... **The Mineral Baths** consist of 3 pools with 3 very different water temperatures – Cold, Luke-warm and Hot. Depending on what time of day it was (Early morning, mid-day or evening) was dependant on where the Bathers frequented. Very early in the morning they frequented the Hot Pool. During the heat of the day they then moved to the Cold Pool. In the late afternoon and evening the Bathers then moved to the Luke-warm Pool. Of all three pools the most popular was by far the Lukewarm Pool. Having witnessed first hand this Soul (Mind, will & emotions) based movement from one pool, to another, to another, God the Holy Spirit confirmed to me what Jesus had told His Rev. 3 Laodicea Church. They were neither hot nor cold but lukewarm and would be spat out of His Body if they did not do something about it: “*You say. I am rich; I have acquired wealth and do not need a thing but you do not realize you are wretched, pitiful, poor, blind and naked. I Counsel you to buy from Me gold refined in the fire so you can become rich; And white clothes to wear so you can cover your shameful nakedness; AND SALVE TO PUT ON YOUR EYES SO YOU CAN SEE*”. (Rev. 3: 17)

Satisfying ones Flesh/Soul has taken on unique and creative forms from within Gods New Covenant People which continues to shock - But then Christ did say in Matt. 24 that many would come to deceive many and the love of most would lose its “hotness” in this New Season we find ourselves in! Recently I attended a 3 hour Prayer Meeting and for nine tenths of that time we spent rebuking/binding/casting out/coming against etc. in our own understanding and strength, Satan and darkness whom Christ Jesus defeated 2000 plus years ago! At no time during this Prayer Meeting were we instructed or led to deal with our true enemy (The Soul or Flesh) that is well and truly now in charge in most Churches! Although Satan and his gang can influence the choices we make in this regard (See Gen. 3:1 & Luke 4: 2-13) the decision still remains squarely with the individual concerned as to what he/she chooses to do. Spiritual Lukewarmness comes in many forms and needs to be recognized for what it is (Our true enemy) and Luke 4: 2-13 “*Rebuked or Ignored*” in Christ’s

Image & Likeness whenever and wherever it takes precedence over the things of the Spirit. Now I am aware of this I can honestly confirm that I am at last going forward (Recognizing the fruit of your Soul for what it is, is in itself a step in the right direction).

THIRDSTOP – Lion & Elephant Motel (Near Beitbridge, Zimbabwe)
This Leg would be God the Sons and the fact that I was now on the “*other side*” of the Bube River was very significant confirming I had now *also* been John 20:21 “*Sent*” by Jesus (The Lion of Judah) as the Father had Sent me at Three Ways Safaris. He Told me to spend one night here before returning home. The “*Lion*” from the name of the place we stayed for the night had two dimensions to it: “*The true Lion, the Christ, the Son of the Living God*” and “*Another*” NOT the Christ... Who goes around “*Like a roaring Lion*” from within our New Covenant ranks seeing whom he can deceive from within... The Bible says he comes as an Angel of Light from within our ranks where he has successfully deceived Gods People by misquoting Scripture out of context for over 6000 years since Genesis 3:6. Christ showed me that the dry Bube River we stayed on the banks of, symbolized modern day New Covenant Christianity where through deception we become “*Under Cover Christians*” for Him often unintentionally serving directly or indirectly the purposes of the enemy! What we say we are and what we are in living reality more often than not is poles apart purely through being deceived.

Jesus Showed me that I was the “*Elephant*” from the name of the place we stayed and collectively with Him, The Lion of Judah, we would set New Covenant Captives free in my area of Godly Influence... *And with hindsight I truly believe the Divine Reason this book (B.M.W.) has now been written, published and soon to be distributed all over the World is specifically for His People who are Called by His Name, to read with 3G Seeing Eyes to see!* Jesus Showed me that the only true and lasting solution to this dark World’s problems was in and through those who had received Him as Lord and Saviour and have remained in and through Him (Not another) choosing to exercise their 3G Seeing Eyes to see wherever they find themselves. When I got back home I was to embrace Psalm 51: 9-13 in every sense of

the Word and make it mine. Once I got His green light to go to the Psalm 51: 13 “*Saints and Sinners*” alike in my area of influence for His Purposes and Plans, I was to do so without ever looking back... But first and foremost on my return I had to allow Him to Create a Psalm 51: 10-12 “*Clean heart and renew a right spirit within me, casting me not from His Presence or taking His Holy Spirit from me. Restoring to me the Joy of His Salvation and granting me a willing spirit to sustain me.*”

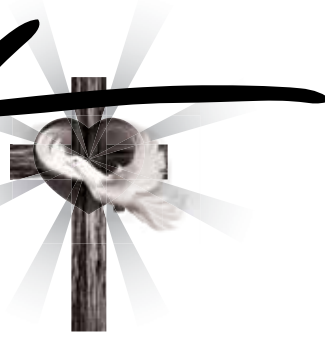

It is not by chance that you are reading this book but because God is prompting you to make yourself unconditionally available to Him for His Purposes and Plans where He has Planted you in your Designated Jer. 1:5 “*Area of Influence*” for Him, for such a time as this. God can and will do much with little – All He asks of you as He did Moses: “*GIVE ME WHAT’S IN YOUR HAND.*” My closing prayer for you at the end of this Chapter is that which Paul prayed over the Church in Ephesus in Eph. 1:18-19:

“The Eyes of your heart may be enlightened in order that you may know the Hope to which He has Called you; The Riches of His glorious Inheritance in the Saints and His incomparable great Power for us who believe.”

MERCY VS. JUDGEMENT

*"Judgement without Mercy will be shown
to anyone who has not been merciful.
Mercy triumphs over Judgement"
(James 2:13)*

Over the years I battled to get my head around what God meant in Genesis 1:27 when They collectively made Mankind in Their (3 in 1) spiritual Image and Likeness. Getting to intimately know God the Father, Son and Holy Spirit as I have never known them before in the past 9 years, has gone a long way to giving me understanding and insight into what this truly means. God only wanted His *very* best for Mankind (Male and female) so He made them in *"Their"* individual and corporate Image and Likeness – Embracing and walking in anything less than this, is best depicted by the 2nd Prodigal Son in the Parable of The Prodigal Son in Luke 15:11-31 who was part of His Fathers Household but very definitely not enjoying all the benefits that were readily available to him. In Luke 15:31 his Father said to him: *"My son, you are always with me and everything I have is yours."* Like the 2nd Prodigal, for 17 years I had been doing all the right things for God but for the wrong reasons.

Luke 3:22 is such a big part of this book from cover to cover - One of the main reasons for this is because until recently I had this mindset where I believed that I could only be truly worthy of being Called *"His Son in whom He would be Well Pleased with and Love"* AFTER I had successfully run to His Satisfaction, His Race set before me! My perception for all that time was based on Babylonian *"Boy Scout/Brownie Points and Badges"* where my ongoing performance

for Him at any given time became my benchmark as to what level my relationship with Him would be... Instead of the other way around! Now my focus is no longer on my performance for Him but on my Relationship with Him... Now knowing without a shadow of a doubt that I *AM* His Son in whom He *IS* well pleased with and *UNCONDITIONALLY* Loves, even before I have even started what He has Sent me to do! When Jesus Said that He came to *"Set the Captives free"*, I believe this is what He meant because Gods People at the time, were performance rather than relationship focused – Sadly this still seems to be prevalent in many Churches today!

... In the Old Covenant a never ending list of very specific laws, laws and more laws had to be complied with which Gods People were never able to keep no matter how hard they tried. In the New Covenant, Christ Jesus took it upon Himself to comply with every single one of these Laws and Sacrifices once, for all and forever – Jesus did not come to do away with these Laws but to fulfil them (Matt. 5:17) so Gods People who chose to come into Him by being Born Again, could be free from being under Gods Judgement.

However if at any time His New Covenant People choose to come out from under this and choose to live by just one (1) law, Jesus Said they will again be subject to *ALL* the laws incorporating Gods Judgement, making a mockery of all that He did, is doing and continues to do for us! Trying to be self righteous before God in our own understanding and strength is an accident of catastrophic proportions waiting to happen, best depicted repeatedly again and again in the Old Testament - Sadly I continue to hear of more and more Churches including where I fellowship advocating we live by the 10 commandments when Christ Jesus has done and dusted these laws and others like them for us over, 2000 years ago!

... As a Gal. 4:7 "T-Heir" (Trinity Heir), all that God the Father, Son and Holy Spirit represents and the fullness therein, had been mine from the start but I never pressed in. Those who had disciples me who themselves were in bondage, led me down this Genesis 3:6 Babylonian Garden Path where I remained for 17 years. Paul in

Galatians 4:1 amplifies this: *“As long as the Heir is a child he is no different from a slave although he owns the whole estate.”* Through a combination of ignorance and deception I remained a *“Child”* who was no different from a *“Slave”* to what I now recognize as The Babylonian System – A type and shadow from the pit of Hell of what true Christianity in Christ Jesus truly represents! (See Chapter 9) It was only from September 2004 and beyond when I started to press into that which was already mine, did Christianity as I believe it should be, started to become a living reality from within me. Until this took place I was in self denial more often than not, calling those things that were not as though they were. This reminds me of a joke I heard in this vane which sadly has a ring of truth to it in the context of what I experienced...

A Catholic, a Christian Scientist and a Charismatic Christian all find themselves in Hell... The Charismatic Christian says: *“I walked away from Christ and became a Backslidden Believer so I am here by the wrong choices I made.”* The Catholic followed and said: *“Someone is praying for me and very shortly I will no longer be here.”*

The Christian Scientist shook his head in disbelief having heard what he had from the other two and said: *“I am not here!”*

... ***Making wrong choices*** are only catastrophic if we can't see with eyes to see the error of our ways. The two criminals either side of Jesus at the Crucifixion in Luke 23:26-49 were examples of this Deut. 30:19 *“Life and death”* choice everyone has to make some time in their life on this Earth. The one hurled insults at Him but the other responded (Luke 23:41&42): *“We are punished justly for we are getting what our deeds deserve. Jesus remember me when you come into your Kingdom.”* And Jesus Answered Him: *“I tell you the truth, today you will be with me in paradise.”* Even at the very end of this mans life he was still eligible to receive Gods Mercy which triumphs over Gods Judgment because he chose to (2 Chronicles 7:14): *“Humble himself, sincerely seek Gods Face and reverentially and fearfully turn from his wicked ways.”* (See Chapter 11) Although Gods Restoration is a sincere repentant *“In Christ Jesus”* Prayer away, this does not give one the liberty to wilfully go and sin

at every opportunity!” God Hates sin but unconditionally Loves the Sinner and Saint alike, who sins. (Sometimes your Walk may entail two steps forward and one back – But as long as the net gain is forward don't beat yourself up too much when this happens because His Mercies are and always will be new every morning!) Having had the privilege of arm bearing a number of backslidden people of all ages, genders and races through this process, this realization is by far the thing that accelerated their Walk forward the most. And with this embracing of His Mercy comes His manifested Shekinah Presence where there is fullness of His Nehemiah 8:10 *“Joy Strength”* to sustain them as they are wonderfully and gloriously restored back to Him.

... ***The woman caught*** in adultery brought before Jesus by those who were self righteously living by the Law of Moses in John 8:4 is an example of what I am getting at:

- Those self righteously living under the Law had every right according to Gods Law to stone her to death but one has to ask where her so called partner in crime was and why he was not included in this? Was he possibly one of theirs?

- When Jesus Said: *“If any one of you are without sin, let him be the one to throw a stone at her”*, He advocated that they choose to exercise the Higher Law of Mercy which triumphs over the Law of Judgement! The Bible records that their hearts were convicted/smitten from the least to the most learned of them and they left.

- Jesus then asked: *“Woman where are they? Has no one condemned you?”* She replied: *“No one, sir.”* Jesus declared: *“Then neither do I condemn you. Go and leave your life of sin.”* The One who had every right in the Sight of God according to the Law to throw the first stone also chose to embrace and exercise Gods Higher Law of Mercy.

... ***Another recorded*** story of Mercy triumphing over Judgement is wonderfully illustrated by Jesus in Luke 7:36-50 when a woman who had lived a sinful life: *“Brought an Alabaster jar of perfume, and as she stood behind Him at his feet weeping, began to wet His feet with her tears. Then she wiped them with her hair, kissed them and poured perfume on them. When the Pharisee who had invited Him saw this,*

he said to himself, 'If this man was a Prophet, he would know what kind of woman she is – She is a sinner.'" Jesus answered him with a parable of two people who owed money to a moneylender where one owed ten times more than the other. Neither had the money to pay back what they owed so he cancelled the debts of both. Jesus asked Simon the Pharisee which of the two would love the moneylender more and he correctly answered that it was the one who owed the most. Then Jesus turned to the woman and Said to Simon: "Do you see this woman? I came into your house. You did not give Me any water for My Feet but she wet My Feet with her tears and wiped them with her hair. You did not give Me a kiss but this woman has not stopped kissing My Feet. You did not put oil on My Head but she has poured perfume on My Feet. Therefore I tell you her many sins have been forgiven." For 17 years from the day I was Born Again when Jesus came into my 1 Cor. 3:16 "House" I never gave Him "water" for His Feet, a "kiss" of friendship or "perfume" on His Head and I never really "saw" with eyes to see, how much I had been forgiven. As she prepared Him for His Burial and Resurrection she could "see" so much more than I could during this period because she recognized that she was a sinner saved by Gods Mercy triumphing over Judgment - It was only when I also truly "saw" with 3G Eyes to see in the same way how much forgiveness I had received when I was saved, that I started to express my appreciation and reciprocate for all that He has and continues to do for me and mine!

... **Gods Mercy** in the extreme is best depicted when a Back-slider chooses to repent and return from the far country where he/she has resorted to eating the proverbial "Pigs swill" this dark World has to offer. I personally have been down this path myself and have since had the privilege of leading a number of Back-sliders to be wonderfully and gloriously Restored to well beyond what they had the first time around. (Much will be given to those whom much is forgiven) Recently I led my youngest daughter back to the Lord and like the 1st Prodigal Son, receiving Father Gods unconditional Restoring Mercy, Grace and Goodness, it is not easy because of how undeserving one feels - In your filthy, smelly state He runs to you with open Arms

the moment He Sees you on the horizon and Embraces and Kisses you. His Robe of Righteousness, His Ring of Authority and Sandals for your feet are next, followed by a Celebration in Heaven because one of His who was lost, has now been Found and Restored! Peter, who denied Christ three times, backslid and went back to fishing feeling he had no other choice considering what he had done. When Jesus rose from the dead He told Mary Magdalene to: "Go and tell the Disciples AND Peter" (Mark 16:7) - Thereafter Restored in ways that He had never experienced before including taking over from Jesus when He left - Simon (*The Reed*) had now become Peter (*The Rock*), fit for the Masters Jer. 1:5 "Use"!

... **The Zimbabwe Elections** have recently come and gone and the response from Gods People regarding the results ranged from "Hope differed" (At best) to "Doom and gloom" (At worst). Sadly we put too much store in the dreaded flesh which the Bible says makes us "Double minded and unstable in all our ways". Our Nation is supposedly 80% Christian and the majority of them of all denominations, ages, colours and genders in Zimbabwe are now offended with God like Mary and Martha were. The Bible says: "He never responded but remained where He was for another 2 days". (John 11:6) When Jesus eventually did arrive four days after Lazarus was dead (He "stankith"), Mary refused to go out and welcome Him! Although Martha had the courtesy to go and greet Him, she quickly made it known that she was not impressed in John 11:21: "If you had been here my Brother would not have died!" Both sisters were upset because Jesus never responded the way they expected Him to in their hour of need – Jesus' Plan all along was not to Heal Lazarus but to Resurrect him... And I believe the same applies to Zimbabwe for one reason and one reason alone:

The level and variety of un-forgiveness in this Christian nation at this time accompanied by the festering wounds from this un-forgiveness, warrants a resurrection rather than a healing – all that the past used to represent must be set aside so it can supernaturally be made new again.

Black Christians need to unconditionally forgive Whites for what they did to them in the days of Rhodesia, White Christians need

to unconditionally forgive Blacks for what they did to them for the past 33 years since they have been in power, the Matabele Christian people need to unconditionally forgive those that slaughtered theirs just after Zimbabwe was birthed, the Christian Farmers need to unconditionally forgive those who took their farms from them, those Christian people that suffered untold injustices leading up to the 2008 Elections need to unconditionally forgive their attackers, those Christians who continue to suffer the on-going day to day injustices need to unconditionally forgive those in power who continue to abuse their powers and positions of authority etc.

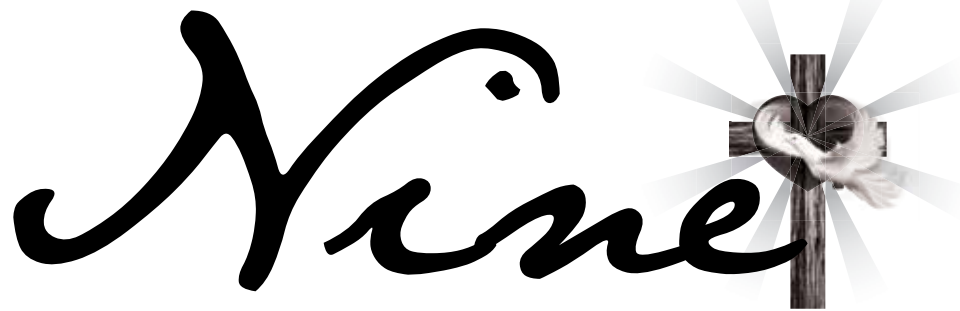

The Lords Prayer is very clear in this regard. Jesus in Matt. 6:12 Says we should pray: “*Forgive us our debts as we also forgive our debtors*” but the real clincher in this regard is in Matt. 6:15 where Jesus Says: “*But if you do not forgive men their sins your Father in Heaven will not forgive your sins.*” The Bible says that the Measure we measure others by will be the Measure we are measured by - If we don't unconditionally forgive we cannot and will not be forgiven – *No matter how justified one is in withholding ones forgiveness!* From being under His Mercy *in* Christ (Where you will receive Gods Mercy) you are now under His Judgment *outside* Christ (A Christian that chooses not to forgive is like someone drinking poison, so those they want to harm/hurt will suffer).

On Palm Sunday Jesus rode into Jerusalem on a Colt and the self same crowd that were waving Palm Fronds and shouting “*Hosanna to the Highest*” on Sunday were baying for His Blood and shouting “*Crucify Him*” a few days later! Although He was declared by the authority of that day totally innocent, He was beaten, bruised, mocked and then nailed on a Cross to die. In spite of all that, He still free wilfully chose to embrace Matt. 6:15 by saying: “*Father Forgive them for they do not know what they are doing.*” (Luke 23:34)... So that He too could qualify to receive Gods Mercy and the fullness therein that triumphs over Gods Judgment! - In the natural this is impossible but in Christ Jesus it has and always will be *HIM*-possible!

... **For God to truly** use you, the single most important criteria is for you to have a spiritual brokenness most times incorporating a 2nd

Born Again, Again experience – Joseph was used mightily by God but was only able to do so after he had unjustly been thrown into slavery and then into jail where the Bible says he was “*forgotten*”. When he faced his Brothers for the first time since they got rid of him, he said something we need to say to those who have attacked and hurt us (Genesis 45:8): “*What you intended for my harm, God intended for my good*” - In Christ Resurrected Image & Likeness! Forgiving yourself, your enemies and those who come against you has never been optional but mandatory! Recently at our Men's Meetings we had a case where one of those who attended saw his Father killed in cold blood when he was 7 years old. Even in his case he has to forgive his Fathers murderers, to be Forgiven... Not in his own strength and understanding but in Christ Jesus' by choosing to exercise Mercy over judgment so that he too can receive Gods Mercy! (Matt. 5:7) Nobody said it would be easy but I can assure you it will always be worth it.

The only thing that was burnt when Shadrach, Meshach and Abednego were thrown into the Fiery Furnace in Daniel 3 was the bonds that bound them hand and foot. In Malachi 3:3 it says that God Refines us “*Like the Silversmith*” - He subjects us to just enough “*heat*” so our impurities within us can rise to the surface where they can be removed. (If it gets too hot the opposite effect will take place so to avoid this happening the Silversmith does not take his eyes off the Silver throughout this purifying process). For such a time as this, God is more concerned about your character than your comfort... Everything that can be shaken will be shaken, and only that which is of Him will remain standing! (Hebrews 12: 27).

THE BABYLONIAN SYSTEM

“Come out of Her (Mystery Babylon the Great the Mother of Abominations of the Earth) My People so that you will not share in her sins, so that you will not receive any of her plagues, for her sins are piled to Heaven and God has remembered her crimes”.

(Rev. 18: 4-5)

Peter in 1 Peter Chapter 2 talks about Christians being like “Living Stones” being built into a spiritual House with Christ Jesus as the all important “Capstone or Corner Stone”. Stones made by God come in all shapes and sizes but ALL “man made “Bricks” come in one uniform shape and size - 9”(225mm)x4.5”(114mm). I have built in the natural with both materials and I fully understand why Church Leaders feel it necessary to cookie cut to size (Uniformly) these spiritual Stones under them before they incorporate them into their building plans for God – Stones are much more difficult to build with and no matter how long you take you will never get the “uniform” shaped, pleasing to the eye finish you can get using bricks! Unfortunately once Leadership has decided to embark on this course of action, what follows really puts the proverbial final nail in the their coffin because they now also have to cookie cut uniformly to size, Christ Jesus the Corner Stone... *Thereby creating “Another Jesus” to add to the thousands that have gone before since Genesis 11:3-4 in the Old Covenant and 1 Cor. 3: 4 in the New Covenant - Echoing and confirming what Peter says: “The Stone the builders rejected causing men to stumble and a Rock that makes them fall”... Heading up yet another Rev. 17: 5 “Abomination of the Earth” co-conceived and birthed with Mystery Babylon the Great by “Committing adultery*

with her” (Rev. 18: 9)!

... Gods People have been spiritually “Committing adultery with her” or going into her since the fall of Adam & Eve in Gen. 3: 17 - In Gen. 4 Cain... In Gen. 6 *The Nephilim*... In Gen. 9 Noah... In Gen. 11 Gods People... In Gen. 14 Lot... In Gen. 16 Abraham... In Gen 19 Lots daughters... In Gen. 25 Esau... In Gen. 26 Isaac... In Gen. 27 Jacob... and on and on through both the Old and New Covenant even to this day! Although her ways may vary in form and substance, her purpose has remained the same throughout the ages – To deceive Gods People to do Gods Word mans way by encouraging them to see that whatever is on offer is spiritually (Genesis 3: 6): “Pleasing to the eye, good for food and good for knowledge”, embracing what Paul calls in 2 Timothy 3: 5: “A form of Godliness denying the Power therein”. In Revelation 17: 6 John saw in the Spirit that “She was drunk with the blood of the Saints” and although these Rev. 3: 16 “Luke warm Christians” continue to be Blessed of God, they like Esau, have sold their Birthright!

... It was not long after Gods People had crossed the Jordan into the Promised Land where God had started a new and mighty Work of Grace and Unity that Achan secretly coveted the goodly “Babylonian Uniform” garment and that which has and always will accompany it – Silver and gold! (Joshua 7: 21) The very thing that was to have been destroyed was secretly saved amongst their ranks as the forerunner of building materials to come... To build for themselves yet another (Gods Word done mans way) Genesis 11: 3-4 spiritual “Tower, language and nation choosing to use brick instead of stone”, to add to the universal confusion and disorder already manifesting in Gods People since Gen. 3: 17! With time comes other Genesis 3: 6 “Good” (Not God) building bricks to add diversity and even further confusion including established orders, sects, denominations (Abominations), creeds, assemblies, doctrines, meetings, communions, baptisms, programs, campaigns, tracts, offerings & tithes, drives, publications, church buildings, get rich quick schemes, self edifying titles, man made positions, whip for submission and brand for ownership, turning the

Fathers House into a John 2:16 “Market” etc. How many recorded Revivals have come and gone since Christ’s Ascension only to find within a short space of time it grinding to a halt and becoming yet another of the Babylonian Harlots scalps to add to the many others that have gone before since Genesis 3:6 – What started out in God, by God, soon becomes subverted into another brick built Genesis 11:3&4 “Babylonian Tower” to add to the thousands that have gone before following in Achans footsteps! Sadly the Church is the only business that goes out of business (Ikabod) that stays in business propped up by well meaning but deceived Christian Leaders – The Bible calls “False Shepherds & Fat Sheep” in Ezekiel 34 and “Kings and Merchants of the Earth” in Revelation 18! Psalm 127: 1 says: “Unless the lord builds the house, its builders labour in vain”.

... **Recently I was proudly** informed by one our Church senior Leaders that we would soon be Africa’s very first Bible believing Christian Church with ISO 9000 Standards Association approval - *Surely that in it self would be a warning that this may NOT be of God?!* (Our Leaderships slant on this was that God was a God of Order and Structure) Having this worldly system at the very core of our Church makeup takes us to new heights in and with the Babylonian Harlot that we have never been before. One wonders what is next on the cards for this man made Babylonian Tower to Heaven being so diligently and earnestly built by our Leadership in their own understanding and strength! Over the years I repeatedly asked God why He wanted me to stay in this Fellowship because if ever there was a definition of a proverbial “Square peg in a round hole” one need look no further than me being a member of this Fellowship! There are a number of reasons and one of the more recent ones which came to light is that before my very eyes I have first hand seen and continue to see another “Tower, language and nation choosing to use brick instead of stone” being built almost from its very foundations. I believe God did this so I can never have a shadow of a doubt that this Mystery from within His Body has, is and always will be in existence until Christ’s Return when the Revelation 17:14 “King of kings and His Called, Chosen and Sent Followers will overcome them.” (A New Covenant Gideon’s Army)

Unfortunately the single Body of Christ (The Church) is riddled with Christians at all levels of Leadership with other agendas - Jesus Prophesied this in Matt. 24:24 saying that at the End of the Age even the “*Select Elect would be deceived if that were possible*”... But the abuse thereof does not justify the non use thereof! As true Light, Life and Love Carriers in His Image and Likeness, we must make His Presence felt at every opportunity from within the Body of Believers we belong to - No matter how unpopular or how out numbered you may feel! (Sadly thousands of our members over the years, who should have stayed, have left for other Fellowships when they repeatedly witnessed these extremes from within our ranks) God plus one where He has Planted you, always has and always will be a majority wherever you find yourself at home, at work or at play! Being a member of a very large Church (Over 10,000 members) I have at every opportunity, made what I “See” known to my Senior Pastors, much of which is normally against the grain. I am long past being offended with all the extremes I see that are taking place but will always try to be Obedient if God tells me to point these extremes out, no matter what the knock on effect might be. The key ingredient when and if you do this, is to do so with a clean heart and clean hands ensuring you don’t add to or take away from what God wants you to Do or Say! Although I will never be popular, I do believe my senior Pastors whether they agree with me or not, now receive what I have to say without suspicion, resentment or taking it personally.

... **To amplify** and give additional substance to what I am saying above, I detail below extracts from a well respected, seasoned and sincere Pastor who was born into this Babylonian religious system as far back as the early nineteen thirties long before he was even Born Again. Please note this took place over 80 years ago, in a totally different setting thousands of miles away, long before I was even born into this World. Below are extracts from his recorded story which unbelievably is almost parallel with mine... “*Forgive me if I boast a little for this boast is not the kind that savours of pride but rather brings great sadness to my heart. There may be many men in the world qualified to speak these things, but few have been more experienced than I both to see and*

discern the many ramifications of the (Mystery) Babylonian system. I was born into the system many years ago. I walked its streets and wore its garments before I even knew Christ as my personal Saviour. The denomination (Abomination?) was everything. It mattered little how men lived or whether they had any personal experience with God. - The thing that mattered whether or not you were a church-goer. You did not hide the (Joshua 7) Babylonian garment within your tent, you wore it with pride. Neither did you hide the (Joshua 7) Babylonian talents of gold and silver. The more you contributed to the organization the better Christian you were.

Then one day I found Christ and my heart was filled with Joy because of the Love I had for Him. I wanted to be near Him and point other men to Him. He was to me the centre of all things and the most important person in the Universe. It was not long however before I saw I was falling into another Sect. They wanted me to speak their language and help build their (Genesis 11) Tower. Was I going to join them? Was I going to preach for them? Was I going to wear their garments? Was I going to be distinctively theirs? But God was leading me on, delivering me from the prisons of Babylon, opening the rusty gates and leading me out into the broad ways of His Grace divine.

Perhaps it was a Miracle. I do not think it was chance. I learned that men could be baptized in the Holy Spirit. So I sought and found this Blessed new Experience in God and joy flowed like a river as The Comforter came in. But here again the arms of another Daughter of Babylon began to enfold me. Was I going to join their Church?... Was I going to preach for them?... Was I going to take out credentials and papers? This time I was persuaded and I did, and for 17 years thereafter I was a faithful slave to the system speaking its language and building its Tower... "So that we might make a name for ourselves using man made bricks and mortar". (Genesis 11:4) But I was never fully satisfied though I loved the work, I loved the people and I loved the students of my old Bible School. All the while there was a longing for a Freedom which I did not know and a Relationship with God I did not have. On 13th February 1948 God began a new thing that was destined for a time to shake the Church system all over America.

How we sang the Songs of Deliverance! How the Praises

of God echoed down the corridors of the soul and re-echoed among the battlements of Heaven. Music of Heavenly Choirs of Earth went sweeping up the sky steeples while Angels stood at Heavens Gates and swept their Harps of Gold. Day after day, month after month the celestial Wonder continued. Heaven came down our souls to greet and Glory crowned The Mercy Seat. People came from thousands of miles to drink the ever flowing Fountain of Life and it looked for a time as though the walls of Babylon were to be broken down and the whole church would come marching into Zion. But the Babylonian captivity was not yet over. As I look sadly in retrospect now, I can see with clearness that the great and Blessed Move of God was not yet two years old before the sectarian spirit began to show its ugly head and men began to hide the Babylonian Garment in their tents together with the silver and gold.

It is true we vociferously denied that we had become a sect. Oh no! Not we! We had no name; we were not registered with the Government as a sect and never would be. We had done away with many of the institutions that had characterized other sects. Gone were the Bible Schools. Gone were the Church buildings. Gone were the Pastors. Gone were so many things that would have identified us with either the Mother of Harlots or any of her daughters. The old Babylonian garment was well hidden deep beneath the earth of the tent, but it was there none the less. The whole move was becoming more and more enfolded by another tentacle of the great Babylonian octopus.

Stricter and more rigid became the teaching and the discipline. There was to be no fellowship with anybody who was not within the confines of our ever narrowing circle. We were the true church. We were the Elect. We stood on the foundation and all other men on sinking sand. No man must cast out a devil unless he followed us. No teaching was worth the time it took to tell unless it originated with us. We were the most spiritual people in the World. We were going to reign in the Kingdom and even now we were beginning to reign. We had the Gifts of the Spirit and we were going to call the shots in the Tribulation. We boasted of the Gifts of the Spirit but what had become of them? Where were the Healings? Where were the Miracles? Where were the Faith, the Word of Wisdom, and the Word of Knowledge? The only thing that was left was Prophecy and it became weariness to

the flesh, flowing continually from the mind of man and scarcely ever having any fulfilment. Prophecy that has no fulfilment comes from one of two sources – The mind of Satan or the mind of man but never from the Mind of God! How often I listened to people fumble for words as they Prophesied thus giving the lie to their words supposedly being Inspired by God. I shall never cease to thank God that I was vomited out of the belly of the Whale also, FOR WE NEVER KNOW THE DEPTHS TO WHICH WE HAVE SUNK UNTIL WE ARE ABLE TO VIEW BABEL AT A DISTANCE. THEN AND THEN ALONE OUR HEARTS GIVE THANKS TO GOD FOR DELIVERANCE FROM ANOTHER OF THE HARLOTS DAUGHTERS OF BABYLON. The harlot is the Babylonian system and is of the flesh. The Lord is Christ and Union with Him is a union of the Spirit. As soon as the truth of this Revelation dawns upon you, you are immediately thrown into a turmoil of frantic wonder trying to imagine where you are going to find fellowship, where you will find a church home, what will your children do, what will you do for activity, what will happen to the Sinners and to the Heathen, and what about a thousand other questions that will fill your mind? But that my friend is because you have been married to the Babylonian system so long that you cannot think in any terms but its terms. You have been joined by the carnal mind to this Babylonian harlot so long you don't know how you can live without her. You are like a man who has been married to a woman who finds that his marriage is illegal. You have been joined to a harlot but you must forsake her to be joined to Christ in the Spirit. After all the True Church consists only of those who are one with Him in the Spirit.

The whole system is doomed to destruction based on Rev. 18:5. As sure as God is in Heaven, Babylon the Great is going to fall! Nothing can be done to save her, redeem her or help her. WE MUST COME OUT OF HER. (Rev. 18:4) It is not against Christians in the system that the dreadful anathemas of the Book of Revelation are proclaimed but AGAINST THE HARLOT SYSTEM... THAT HAS CAPTIVATED OUR MINDS, MADE US BOW DOWN IN WORSHIP AT ITS IDOLATROUS SHRINE, BINDING US IN SLAVERY TO THOUSANDS OF ACTIVITIES DEMANDING OF US TITHES OF RUE, ANISE AND CUMMIN WHILE

FORGETTING JUDGMENT AND TRUTH. CHRIST IS TRUTH. Thousands upon thousands of Christians have a less intimate Relationship with Christ today than they had when they first came to know Him. They have been spoiled they have been robbed of their first Love because of things, things, things which have taken His Place. You are being asked to come out of a system which there is everything for the flesh and nothing for the Spirit.

*... **The Revelation 18: 12-13** “Cargoes/Merchandise” the Babylonian System traded in which included bodies and souls of men, belongs to the natural and visible and cannot enter the realm of the Spirit. Having experienced first hand an almost exact replica of what all that my learned colleague went through back in the 1930's and beyond over the past 25 plus years which included a Rev. 18: 4 “Coming out of her”, I can confirm all that he said. I never knew the depths to which I had sunk until I was able to view Babel at a distance. Then and then alone my Heart truly did give thanks to God for Delivering me from this Babylonian System in all its many and varied facets and forms... To this day still remaining pleasing to the eye, good for food and good for knowledge... And if and when “You eat of it you will surely spiritually die” (Genesis 2: 17)... Because God is not a man that He should lie!*

*... **Doing the Fathers** Will/Word the Fathers Way in Christ Jesus in whatever situation or circumstance we find ourselves, can only come when we choose to John 6: 54 spiritually drink of His “Sweated Blood” in the Garden of Gethsemane. (See Chapter 4) In Luke 21: 44 Jesus shed His Blood once for all mankind to enable us to do what we in our own understanding and strength could never do. Like those that have gone before us, if we choose to drink of Christ's Blood in this way the impossible in the natural will now be possible in the super natural... HIM-possible! There remain 3 spiritual mysteries which are mysteries because they cannot be explained:*

The Mystery of Godliness – There are many mysteries within this Mystery that not even godly men and women can understand but by faith embrace without reservation. Over the ages since the Creation of Mankind (Male & Female) men and women of God have answered the Call and as a result have gone without, endured untold heartache, pain and suffering many to the point of death... And if asked why they did it none could clearly tell you because it always has and always will remain a mystery. Paul in Romans 14:7 says the Kingdom of God is not a matter of eating and drinking “*But of Righteousness, Peace and Joy in the Holy Spirit.*” – Sustainable ongoing Righteousness, Heart Peace and Joy Strength in the Holy Spirit which surpassed all understanding!

The Mystery of Iniquity – This is a mystery of lawlessness, ungodliness & rebellion where Mankind does what he does but does not know why he does it and includes (Gal. 5:19-21): “*Sexual immorality, impurity, debauchery, idolatry, witchcraft, hatred, discord, jealousy fits of rage, selfish ambition, dissension, factions, envy, drunkenness, orgies and the like.*” Since Cain chose to kill his brother, the reason for this has and continues to be something one cannot explain!

The Babylonian Mystery – This Rev 17:5 mystery is one where the enemy comes as an Angel of Light to deceive from within our ranks even Gods Select Elect, if that were possible (See Chapter 10). In 2 Tim. 3:1-5 Paul said Gods People in the Last Days through embracing this mystery, will be “*Lovers of themselves, lovers of money, boastful, proud, abusive, disobedient to their parents, ungrateful, unholy, unforgiving, without self control, brutal, not lovers of good, treacherous, rash, conceited, lovers of pleasure rather than lovers of God – HAVING A FORM OF GODLINESS DENYING ITS POWER.*”... But other than that remains a mystery unexplained.

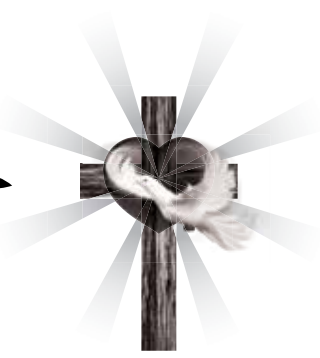

... **To be forewarned** is to be forearmed - Recognizing these 3 mysteries as part of your spiritual makeup as a Christian is halfway to dealing with those mysteries you wish not to live by, for such a time as this. All 3 are on the rise and to not be able to recognize them for what they represent is at your peril. Paul who wrote two thirds of the

New Testament is on record as saying: “*I do the things I do not want to do but I do them anyway*” - It may seem like a small victory going forward but to know you are doing what you should **NOT** be doing in the right context is better than believing you are not doing it when you are – *That’s called deception!* In so doing you may not be where you should be but you very definitely are not where you were - *You are on your way!* Jesus in Rev. 3:15 preferred that they would rather be “*Cold*” than “*Lukewarm*” for this very reason. Like so many of Gods People since Genesis 3 they self righteously considered themselves “*Rich and in need of nothing*” when Christ Said that they were “*Pitiful, poor, blind and naked in need of white clothes to cover their shameful nakedness, salve to put on their eyes so they could see who they truly were for what they were and to buy from Him gold refined in the fire.*”

The Bible says we should work out our Salvation with reverential fear and trembling. Having read this chapter I ask... no I beg you, to carefully consider your ways while time is still on your side to make the necessary changes as required because later will be too late!

THE END OF THE AGE

“Concerning the Coming of our Lord Jesus Christ, don’t let anyone deceive you in any way for that Day will not come until the rebellion occurs and the man of lawlessness is revealed, the man doomed to destruction. He will oppose and will exalt himself over everything that is Called God or is worshipped so that he sets himself up in Gods (Living) Temple, proclaiming himself to be god. (2 Thess. 2:1-4)”

Jesus the Christ in Matt. 24:36 Said that no man knows the day or the hour of His Return, not even the Angels in Heaven nor the Son but *only* the Father. Preceding His Return, seven “Signs” of the “End of the Age” would take place which included (Matthew Chapter 24):

- There will be famines and earthquakes in various places
- Many would come in His Name claiming “*I am the Christ*” and will deceive many
- You will hear of wars and rumours of wars and Nation will rise against Nation
- Kingdom will rise against kingdom
- Many will turn away from the Faith and will betray and hate each other
- Many false Prophets will appear and deceive many people
- Because of the increase of wickedness the Love of most will grow cold

... Jesus Said in Matt. 13:39-43 that: “*The Harvest is the End of the Age – As the Tares are pulled up and burned in the fire, so it will be at the End of the Age. The Son of Man will Send out His Angels, and they will weed out of His Kingdom everything that causes sin and all who do evil. They will throw them into the Fiery Furnace, where there will be weeping and gnashing of teeth. Then the Righteous will shine like the sun in the Kingdom of their Father - he who has ears to hear let him hear.*” Many among our senior ranks in the Body of Christ are Rev. 17 Babylonian Harlot “*Tares*” who in appearance act and look exactly the same as Wheat until their fruit starts to ripen and are ready for milling and consuming. Their fruit turns a deep black colour instead of a golden brown and is highly toxic, if eaten! For too long these Ezekiel 34/Rev. 18 “*Tare Christian Leaders*” have dwelt among us secretly serving their own mandates so that they may make a Gen. 11:4 “*Name for themselves*”. Implanting in our midst other man made, Gen. 11:3 cut to size and uniformly fitting, “*Brick*” Jesus’s (Not the 1 Peter 2:6 “*Christ Stone*” they rejected) as far back as 1 Cor. 3:12 in the New Covenant and Gen. 11:3 in the Old Covenant... *Doing Gods Will and Word mans way (An Ishmael)... Putting God the Father second to other gods including mammon... Washing the outside of the cup and plate but remaining unclean from within... Using the Body of Christ as a means to an end for self gain or glory... Asking others to do what they say and not what they themselves do... Calling the Holy Spirit an energy force... Living by one or more of Gods Judgement Laws... Elevating themselves to self edifying and self glorifying positions etc...* Those in Leadership who chose to Rev. 18:9 “*Commit adultery with her*” in due season co-conceiving, birthing and raising these Rev. 17:5 “*Abominations of the Earth*” (Denominations) from within our ranks with the Babylonian Harlot and her Daughters. Paul in 2 Timothy 3:5 says: “*Have nothing to do with them*” and in Rev. 18:4 a Voice from Heaven whom I believe is our very own King of kings Says: “*Come out of her My People.*”

This does not mean you should leave where you feel God has Planted you no matter how uncomfortable you may feel but it does mean you should no longer be a co-worker in their dust to dust endeavours. You have just as much right to fellowshipping their and

making what you “see” known as they have because ultimately it never has been and never will be “their” Flock but His! The abuse thereof does not justify the *non* use thereof. (See Chapter 9)

... **There will be famines** and earthquakes in various places. At no time in the history of the World have there been more Famines and Earthquakes. Earthquakes are being recorded daily all over the World and only those that are truly devastating are now being made public knowledge. The number of hungry and starving continues to rise all over the World even though food aid organisations are trying their level best to stem the flow. Countries like Zimbabwe who were once considered “Bread Baskets” of their region are now themselves having to import essentials which they grew and had a surplus to export - It defies all reason and logic but is here to stay as part and parcel of *The End of the Age*.

... **Many will come** in His name to deceive many using the tried and tested 6000 year old divide and conquer method. Rev. 17: 6 says: “*The Woman was drunk with the blood of the Saints, the blood of those who bore testimony to Jesus.*” At the last head count over 33,000 Born Again, Bible believing, “Artificial light” Denominations (Abominations of the Earth) are presently in existence in this dark and getting darker World. Each one choosing to use Gen. 11: 3 “*Brick and not stone*” and build for themselves, in their own understanding and strength, a Gen 4 “*Babylonian Tower reaching to Heaven*”!

Although this scenario is discouraging it is also very encouraging because forgeries are only produced where an original exists or it would be a waste of time and effort. This leaves no doubt therefore that there is an “Original” Jesus, *the Christ, the Son of the Living God* or the enemy and his cohorts from within Christ’s Body, would not be going to so much effort to deceive! The problem I had when I became a Born Again, Bible believing Christian was not whether He truly existed but how I was going stop myself from being deceived down the road... “*Tossed to and fro by the waves and blown here and there by every wind of teaching and by the cunning and craftiness of men in their deceitful scheming.*” (Eph. 4: 14) My

solution came to me during my 8 year Sabbatical when God Brought to remembrance how my Beloved had solved this problem when she was involved with foreign currency forgeries – *she got to know the original so well that any forgery that crossed her desk, no matter how presentable they were, would be recognized for what they were!* Finding *the Christ* at this time is easy but remaining with and in Him with all the other Jesus’ on offer is impossible unless you embrace and apply this very simple but profound solution. Jesus confirmed this in John 10: 4-5 “*When He has brought out His own He goes on ahead of them and His Sheep will follow Him because they KNOW His Voice. But they will never follow a stranger; In fact they will run away from him because they do not recognize a strangers’ voice.*” Jesus is Calling to His People at this time to Rev. 18: 4-5 “*Come out of her My People so that you will not receive any of her plagues; For her sins are piled up to Heaven and God has remembered her crimes.*” Remain where God has Planted you at all costs and Rev. 18: 6-7 “*Give back to her as she has given; Pay her back double for what she has done. Mix her a double portion from her own cup. Give her as much torture and grief as the glory and luxury she gave herself.*” I repeat, the abuse thereof does not justify the non use thereof – DO NOT LEAVE! Leaving offended, hurt, disheartened, disillusioned, falsely accused etc. is admitting defeat and allowing the enemy and her cohorts to take the spoils. By default you become another statistic making up Rev. 17: 6 “*The blood of the Saints she was drunk with.*” Gods assured Victory Promise to you if you choose to remain where God has Planted you to pay back double what she has done is Rev. 17: 14 “*The Lamb will overcome them because He is Lord of lords and King of kings – and with him will be his called, chosen and faithful followers.*” The Battle is not and never will be yours but the Lords and although it will still not be easy I assure you, it will be possible!

... **Wars and rumours** of wars where Nation will rise up against nation - There are more conflicts/counter conflicts going on in this dark World at this time than ever before in its history. The armaments industry is second only to that of the illegal Drug industry. Many countries throughout the World who cannot afford to feed themselves have

instead used much of their income to fund state of the art armaments against their sworn enemy – China vs. USA, Russia vs. USA, North Korea vs. South Korea, Greece vs. Turkey, Iran vs. Israel etc. New devious, clandestine and unique weapons for all forms of warfare are being produced daily for this market which knows no bounds - Every time one side upgrades its armaments the other side has to do the same so they don't get caught napping – Resulting in the race for being the best prepared “just in case” taking on distorted proportions! What Jesus prophesied in Matt. 24 is no longer a probability but now a living reality! The Psalm 91 *“Terror of the night, the arrow that flies by day, the pestilence that stalks in darkness and the plague that destroys at midday”* is almost upon us and we have to make a quality decision to choose to (James 4:8) *“Come near to God, so He will come near to us”*. Choosing to Dwell in The Secret Place of the Most High is no longer optional but mandatory or you and those in your *“Tent”* will be subject to what is already on its way. Like Noah's Ark... Later will be too late!

... **Kingdom will rise** against kingdom. There is coming a time and is now come when the Kingdom of God will rise up against the Kingdom of (Rev. 17:5) *“Mystery Babylon the Great the Mother of Abominations of the Earth”*. With a mighty Voice an Angel coming down from Heaven shouted (Rev. 18:2&3): *“Fallen! Fallen is Babylon the Great! She has become a home for demons and a haunt for every evil, unclean and detestable bird - For all the nations have drunk the maddening wine of her adulteries. The kings of the earth (Ezekiel 34 “False Shepherds”) committed adultery with her and the merchants of the earth (Ezekiel 34 “Fat Sheep”) grew rich from her excessive luxuries”*. Then another Voice from Heaven whom I believe is our Shepherd Said (Rev. 18:8&9): *“She will be consumed by fire for Mighty is the Lord God who Judges her. When the Kings of the Earth (The False Shepherds) who committed adultery and shared her luxury see the smoke of her burning they will weep and mourn over her. The Merchants of the Earth (The Fat Sheep) will weep and mourn over her because no one buys their cargoes (Which included bodies and souls of men) any more.”*

... **Many will turn** away from the Faith and will betray and hate each other. Sadly much of our Christian Walk has become a laughing stock to the World we live in where divorce, pornography, racism, unforgiveness, sectarianism, doctrinal differences, promises broken, idol worship, John 2:14-16 *“Buying and selling”*, the whip (For submission) and brand (For ownership), hatred and discord, denominationalism etc. is now rife within Christ's corporate Living Temple..... Where even His sovereign Headship often has been usurped! A large group of us have even passed a decree where we dress up as *“mother”* and call ourselves *“father”*. When the Bible clearly says no one should even consider calling themselves father from within Gods People as there is only one true spiritual Father both on Earth and in Heaven! The sacred Marriage Bed Covenant before God and Mankind (Male & female) has become defiled and anything goes - Where practicing homosexuals become Ordained Ministers and homosexuality is now accepted from within our ranks with the so called blessing of those in charge! Sinners do what sinners do best (They sin) but when Gods People *“choose”* to sin as they continue to, a time is coming and has now come where they will answer for this! Gods (James 2:13) *“Mercy”* can only continue to triumph over Gods Judgment if we choose to retain our righteous, rightful Place in and under Christ Jesus, the Son of the Living God – Anything outside of this will be subject to Gods Judgment and Rev. 18:5 Wrath!

... **Many false Prophets** will appear and deceive many people. Jesus Said in Matt. 24:24 that these False Christ's and False Prophets will come to deceive even *“The Elect if that were possible”*! Taking what Gods Anointed men and women of God instruct and preach at face value, is no longer an option one can embrace without reservation - Like the Borians who were *“More blessed”* because they checked out what Paul (Gods Anointed) was preaching from the Scriptures, we need to check things out and not take anything anymore that is said by our Leadership, as in stone! This may upset many of those over you but recognize and realize there is a very good possibility of you being deceived, if you don't. At this time it will be these *“Foxholes”*

that will be our undoing if due caution is not taken. The fine line between Gods Word preached mans way and Gods Word being preached Gods Way at this time, is something only the Holy Spirit will be able to confirm or deny. Jesus confirms this scenario in Luke 13-27 where He is recorded as Saying: *“Make every effort to enter in through the narrow door, because many, I tell you will try to enter and will not be able to. Once the Owner gets up and closes the door, you will stand outside knocking and pleading: ‘Sir, open the door for us.’ But He will Answer: ‘I do not know you or where you come from.’ Then you will say: ‘We ate and drank with You and You taught in our streets.’ But He will reply: ‘I don’t know you or where you come from - away from me all you evildoers!”*

... Because of the increase of wickedness, the Love of most will grow cold. Sadly this is so true where before our very eyes the Love from within our hearts that most Christians once had for God when they were first Born Again, has gone oh so cold! Some have been honest enough to recognize this and have left the Body of Christ but others are trying to bluff their way through by committing adultery with Mystery Babylon the Great – Becoming neither hot nor cold but lukewarm followers of *“False Shepherds”* (Kings of the Earth) and their assistants the *“Fat Sheep”* (Merchants of the Earth)... Blindly being led by those who themselves who are blind!

Recently, I witnessed a living example publically of this very thing in our Church. It was announced at our SON-Day morning Service that our Pastors Wife would be doing a Worship Evening that night. To put this into perspective she is recognized and received all over the World as one of the best Praise and Worship Leaders in her time, anywhere. She carries an Anointing (Enablement) from God for this Ministry that very few people have and she has released a number of DVD’s/C.D’s Worldwide. Our Church Services normally are attended by over 3000 people but on this night less than a 100 people turned up. The following night the Bible College held a teaching which was attended by hundreds upon hundreds of people including all the Church Leaders, most of whom were conspicuous by their absence the night before! When the People of God had a

choice of Two Trees to eat from, like Adam and Eve they chose that which was (Genesis 3: 6) *“Pleasing to the eye, good for food and good for knowledge”*... And God Said because we choose to eat of it we *will* surely spiritually die!

... Being in “The Way” at this time has a double meaning especially for those who were in active service for Christ Jesus as His John 20: 21 *“Sent Ones”* in the past. With this spiritual paradigm shift before us, what used to be Pleasing and Acceptable to God in the past probably won’t be anymore - From being in *“The Way”* you will now be in the way and He will be obligated to take you out of the way for the Greater Good! John the Baptist who was truly Called, Chosen and Sent in a sovereign and unique way by God to prepare *“The Way”* for Christ was undoubtedly in *“The Way”*! Not only did he prepare Gods People for Christ’s pending arrival but he also Baptized Jesus in the Jordan where Jesus in Luke 3: 22 was Ordained and Equipped for 3 years of Ministry. At this time in his Ministry he was... Unequivocally in submission and subject to what God had Called, Chosen & Sent Him to do... Undoubtedly doing Gods Word/Will, Gods Way! But from this point forward instead of decreasing so Christ could increase he continued to take centre stage and thereafter chose to form his own ministry, which included his own (Matt. 11: 2) *“Disciples”* choosing to do Gods Word mans way (Much like many of the men and woman of God in full time service for Him at this time) From being in *“The Way”*, John was now in the way and God had to take him out of the way for the Greater Good (Even though Jesus acknowledged his contribution in Luke 7: 28 Saying: *“I tell you among those born of Women there is no one greater than John.”*)

Once John was arrested and recognized that Jesus was not going to get him out, he got 1 Peter 2: 8 *“Offended”* and sent his Disciples to question Jesus’ Credentials by asking Him (Luke 7:18) *“Are you the one to come or should we expect someone else?”* -This is the same person who less than a year ago proclaimed in John 1: 29 – 34 *“Behold The Lamb of God who takes away the sin of the World. A Man who comes after me has surpassed me because He was before me. I myself did not know Him but the reason I came baptizing with water*

was that He might be Revealed to Israel... I have seen and testify that this is The Son of God.” Although John began his Ministry in Christ Jesus the Cornerstone, he finished his Ministry where Jesus the Christ became (1 Peter 2: 8) “A Stone that causes men to stumble and a rock that makes them fall”... Like many of Gods Anointed today!

... **So the Holy Spirit** Says: “Today if you hear His Voice do not harden your hearts as they did in the rebellion.” (Heb. 3: 8)... As has just been Said: “Today if you hear His Voice do not harden your hearts as you did in the rebellion.” (Heb. 3: 15)... Therefore God Set a certain Day Calling it Today Saying: “Today, if you hear His Voice do not harden your hearts.”(Heb. 4: 7)... “Let us therefore make every effort to enter that rest so that no one will fall following their example of disobedience.” (Heb. 4:11).

GOD'S NEW WINE

*Jesus Said “Men do not pour New Wine into Old Wineskins. If they do, the skins will burst, the Wine will run out and the Wineskins will be ruined. No they put New Wine in New Wineskins and both are preserved.
(Matt.9: 16-17)*

When Gods People left the Desert and arrived at the Oasis where Quail, Date, Shade and Water were in abundance, little did they know that it was part and parcel of the “New Wine” not the old and would require a New or Renewed Old Wineskin to hold it! Those that chose to stay at the Oasis instead of going back out into the desert again with the Cloud by Day and Fire by Night, were giving into their Soul’s (Mind, will and emotions) desires. Instead of allowing God to renew them for what lay ahead, they chose to remain where they were and as they were, thus excluding themselves from Gods future Plans... When Gods People crossed the Jordan only two repeatedly renewed “Old Wineskins” (Joshua and Caleb) from the “Old Wine” days from those who left Egypt, made it across – Not even Moses made it... When David’s “New Wine” Tabernacle replaced that of Moses, many of Gods people chose to remain in the “Old Wine” ways and ignore the New... When Jesus started to rebuild the 1 Cor. 3: 16 / 2 Cor. 6: 16 “Living Temple” the Bible says in John 6: 66 most of His “Old Wine” Disciples turned away and followed Him no more. Because they refused to be renewed for Gods “New Wine” before them! Over and over again Gods People who went before us from being in “The Way” suddenly found themselves to now be in the way

because where God had been was no longer... He had Moved On, obligating God to take them out of the way for the Greater Good!

... **When a New Season** in God is birthed, all of Gods People without exception have to make a quality Deut. 30: 19-20 *“Life or Death”* freewill choice and sadly history continues to repeat itself – The vast majority choose the palatable, comfortably predictable, controllable, mature *“Old Wine”* option still housed in ones *“Old Wine Skin”*. Jesus said in Matt. 9: 17 that *“New Wine cannot be poured into Old Wineskins because not only will the New Wine be lost but the Old Wineskin will be ruined when (Not if) it bursts”*. The brittle, inflexible, set in its ways *“Old Wineskin”* is not qualified to contain Gods unpredictable and uncontrollable *“New Wine”* even if it wanted to! Like those who have gone before us who have made the effort to be renewed, an *“Old Wineskin”* can qualify provided one is prepared to be unconditionally metamorphosis-ed or Born Again, AGAIN! This painful but necessary process requires the *“Old Wineskin”* to be emptied of all its *“Old Wine”* contents and progressively be subjected to an annealing, softening and strengthening process with Oil (The Holy Spirit).

Only once you have been subjected to this renewing (Caterpillar to Butterfly metamorphosis) experience will you then be eligible in the Sight of God to receive His *“New Wine”* for His New Season - As Caleb did for every *“New Wine”* Season from the time he was grafted into God’s People in Egypt, to the time He went to be with the Lord. When the 12 Spies returned and reported back on The Promised Land, only Caleb was singled out at the time by God as having a Numbers 14: 24 *“Different Spirit”*. When Gods People eventually entered The Promised Land 40 years later, although they supernaturally destroyed Jericho, they chose to bypass Hebron the Land of the Giants (Goliaths forefathers) for obvious reasons. When Joshua asked 85 year old Caleb what land he wanted, Caleb had no hesitation in insisting on being allocated this High Country – For this New Season in God, even at the ripe old age of 85 years old Caleb had again allowed himself to be subjected to a 30 year old Eagle Born Again, *“Again”* (Metamorphosis) experience - Ensuring he again Qualified in the Sight of God as a *“Renewed Old Wine Skin”* eligible

to receive Gods *“New Wine”* for such a time as that.

In Luke 2 a righteous and devout man called Simeon and a Prophetess named Anna who was very old, both were able to make this self same transition and *“See”* (In the Holy Spirit) The Christ when everyone else just saw an 8 day old Baby being circumcised and dedicated. On the reverse side of this, *“Old Wineskin”* John the Baptist and his Disciples chose the other option and distanced themselves from Jesus’ *“New Wine”* Ministry... And had to be sidelined for the Greater Good so that Gods future Purposes & Plans could continue to be fulfilled.

... **When I recently** experienced this Old Wineskin Deut. 30:19&20 *“Life or Death”* choice first hand, God told me repeatedly to *“Let go, let go, let go of everything that my Christianity represented at the time”*. It took a lot of soul searching and wrestling with God but the more I went into it, the more I realized it was the only option open to me, if I truly wanted to be an integral part of what was to come in His *“New Wine”* Season. Once I had poured out my *“Old Wine”* ways, my now empty *“Old Wineskin”* went through a Holy Spirit metamorphosis-ation which was extremely painful in a number of ways but very necessary! In so doing everything I considered to be of God was thoroughly Heb. 12:27 *“Shaken once more so that which could not be shaken would remain”*. Meaningful, intimate Christian associations of many years with those who free wilfully had refused to make this transition with me, had to be severed and many areas of how my Christianity used to be played out, had to be reviewed and overhauled. Everything that used to be with and for the Lord no longer was, for the Greater Good... And I am still trying to come to terms with some of these very painful changes that I had to go through!

... **Those that choose** at this time to press in and through will find themselves by necessity disassociating themselves from those Christians that choose not to (And visa versa), forming new associations with those that do. In so doing be prepared to be judged, misunderstood and persecuted by those who refuse to join you.

History will again repeat itself, as it has over and over again since Abraham was Told by God to go – The Evangelicals were persecuted by those before them when they broke away.....The Pentecostals were then persecuted by the Evangelicals when they chose to break away.....The Charismatic's were then persecuted by the Pentecostals when they broke away.

Jesus arrived in Jerusalem on SON-Day to a hero's welcome by a crowd waving palm fronds and shouting "*Hosanna in the Highest*" but a couple of days later this self same crowd were waving their fists at Him and shouting "*Crucify Him*"! Our response when our Brothers and Sisters who chose to remain and turn against us, must not be to retaliate but take the proverbial High Ground as Jesus did saying: "*Father Forgive them for they know not what they do*" (Luke 23:34).....Allowing "*Gods Mercy to triumph over their judgement and condemnation*".

... **Recently God** gave me insight into this "*New Wine*" for "*Old Wineskins*" transition when He showed me a two lane road (One lane in each direction) connected to an 8 (New Beginning) Lane Freeway with 4 lanes in each direction. Unfortunately to gain access to this Freeway one had to pay a very precise and specific 2 Chron. 7:14 Heavenly "*Toll Fee*" which in one sense will cost you everything but in another, nothing. Like the Door to Noah's Ark, Gods Toll Gate will remain open for a limited period only and anyone who is waiting to see what will happen is in danger of trying to go through when it is too late to do so. For 125 years Gods People mocked and belittled Noah and his Sons as he built the Ark and it was sadly only when it started to rain that Gods People responded!

Gods very precise and specific 2 Chron. 7:14 Heavenly "*Toll Fee*" is made up of four links and the strength of this proverbial chain will always be that of the weakest link:

Link 1/4) **Humble yourself**

Link 2/4) **Pray**

Link 3/4) **Seek Gods Face**

Link 4/4) **Turn from ones wicked ways**

Anything less than this four legged stool will disqualify you from being eligible because it's an all or nothing, non negotiable Deal. Gods eight Rewards for those who choose to pay this 4 Link "*Toll fee*" for such a time as this, is made up of the following (2 Chron. 7:15&16):

- *He will Hear from Heaven on your behalf*

- *He will Forgive your sins in their entirety*

- *He will Heal and Guard your Heart Land*

- *He will ensure His Eyes will always be open and His Ears attentive to your prayers*

- *He will Call, Choose and (John 20: 21) Send you for such a time as this*

- *He will Consecrate and make you holy/sacred for such a time as this*

- *His Eyes to See will always be with you*

- *His Heart to Be will always be with you*

... **Humbling Yourself** in the Sight of The Lord comes in many forms and can only be revealed to you by Holy Spirit Conviction... *And Him alone!* Embracing humility is easy but retaining it when Gods Spotlight starts to fall on you, is not so easy because we can unwittingly embrace a false humility where we become Isaiah 64:6 "*Proud of being humble*" - Recently this Catch 22 scenario played itself out when I went to a great Man of Gods Birthday Party - Those whom he had spiritually fathered over the years gave him a huge framed photo of himself with numerous prophetic words they had Downloaded written over his photo. If he chose to hang up the framed photo of himself he would be slated for Isaiah 64:6 "*False humility*" but if he didn't, those who had given it to him would be offended... Very much like the man who was given a badge in recognition of his humility but when he started to wear it they took it away from him!!! (He was now proud of being humble)

For such a time as this when one has to make these types of "*Humility*" decisions, it's a no brainer if one is sincerely and honestly seeking God with all ones heart, soul and mind - Because the things of this World go strangely dim in the Light and Glory of Him. Like Paul in 2 Cor. 10:17 any boasting we find we are doing will always be rooted, reflected and represent Him through us... Rather than us through Him!

... **Pray** The reason we are Told by God to first and foremost humble ourselves and then and only then pray, is because these prayers can only be truly Answered as and when you exercise a brokenness heralding in Gods all Perfect, all Loving and all Restoring Provision for your unique one of a kind situation. I call it "*Onion Peeling Prayers*" and I trust those of you who have peeled onions before know exactly what this means – Necessary but not nice! Although Gods "*New Wine*" Seasons may come and go, His strict uncompromising Protocol will always remain. In Isaiah 6:5 Gods Prophet found this out in spades when he found himself in Gods Presence: "*Woe to me, I cried. I am ruined! For I am a man of unclean lips and I live among a people of unclean lips and my eyes have seen the King, the Lord Almighty.*" It was from this prostrate, onion peeling prayer position, that Gods Seraph touched Isaiah's lips with a hot coal from the Altar ensuring his guilt was removed and his sin atoned for.

... **Seek Gods Face** This progressive Heavenly Restoration can only take in a third dimension if true humility and true repentant prayer are both first in their rightful places. Gods "*Face*" comes in four wonderful, unique and totally diverse Persons which collectively I like to call "*THE TOTAL PACKAGE*" – *God the Father, God the Son, God the Holy Spirit and God the Triune Godhead 3 in 1!* Each is uniquely different in Form, Friendship and Function and one needs to reverentially recognize and learn to walk in this more and more when seeking Them. (See Chapter 4) God in Genesis 1:26 Said: "*Let Us (Plural 3 in 1) Make Mankind (Male & Female) in Our (Plural 3 in 1) Image and Likeness*". Seeking Gods four "*Faces*" is something I cannot guide you on because every case is uniquely different. What I can say in this regard is that "*If you do choose to draw near to God in all His Facets and Forms, He WILL very definitely Draw near to you*". (James 4:8) There is no high like The Most High and this is where this "*High*" of all highs originates from!

... **Turn From Your Wicked Ways.** At this juncture if you feel turning from your wicked ways is all about dealing with Satan and his cohorts in your life and lifestyle, you are sadly mistaken! Although they very

definitely can influence your "*Your wicked ways*", ultimately they only come into the frame by association when you choose to allow them to. (Christians don't sin anymore by nature but rather choose to) The final choice of choosing to eat or not of the forbidden Gen. 3: 6 "*Fruit*" will continue to remain squarely with the individual concerned, even in the most adverse conditions!

"*Our wicked ways*" always has and always will represent the wrong choices we make with or without the Devils influence and input, where Gods Word is done mankind's way – Some examples of these include Eph. 4: 14 "*Deceitful scheming*", John 2: 16 "*Turning the Fathers House into a market*", 2 Timothy 4: 5 "*A form of Godliness denying the Power therein*", Rev. 3: 16 "*Lukewarm-ness*", Isaiah 64: 6 "*Self righteousness*", 1 Cor. 1: 12 "*Another Jesus*" etc. Sadly these examples still remain well rooted to this day from within our ranks - The quality, diversity and creativeness of these Babylonian "*Wicked ways*" from within our ranks at this time continue to take on new lows which never cease to amaze me! (See Chapter 9) Having said all this, turning from your wicked ways is much easier than one might assume provided the other 3 steps are in their righteous rightful place. The main reason this is so easy is because Christ Jesus remains 24/7 at the Fathers Right Hand Exodus 17: 15 "*Interceding/Arm Bearing*" you as your Banner (Jehovah Nissi) - Although the rules of engagement don't allow Him to win the day for you, He will always have your back when and if you choose to take this 4th and final step!

... **This New Wine** Called, Chosen and Sent group of Believers will soon be Gods Judges 7: 16-22 "*Gideon Torch Bearers*" Led by none other than our (Rev. 17: 14) "*Lord (Of lords) and King (Of kings), Christ Jesus*". With this "*New Wine*" Mantle will come a unique Anointing (Enablement) reflecting/refracting a Heaven Sent Character and Nature mentioned in Ezekiel 1: 10 and Revelation 4: 7:

- **The Face of a Man** - *Prophet, Priest and King*
- **The Face of an Ox** - *Submissive and serving*
- **The Face of the Eagle** - *Seeing and soaring*
- **The Face of the Lion** - *Purring and roaring*

In the natural this is impossible but in the supernatural this will be HIM-possible ensuring Gods Will/Word is effortlessly done Gods Way in our areas of Influence - In the Image and Likeness of Christ Jesus in line with Ephesians 4: 13 and Ephesians 4: 24.

CALLED, CHOSEN & SENT

*Jesus Said: "As the father has sent me, I am sending you."
And with that He Breathed on them and Said: "Receive
the holy spirit. if you forgive anyone his sins, they are
forgiven; if you do not forgive them, they are not forgiven."
(John 20:21-22)*

When I was conceived there was no such thing as contraceptives or vasectomies so as the last of 8 children in a poor family, my conception was not welcomed. This root & fruit of rejection was only truly known to me later when I went for deliverance counselling – My Christian Counsellor “saw” in the Spirit that words of rejection had repeatedly been spoken over me while I was in my precious Moms womb. How I know this was true was that when she prayed for me, a burden I had been carrying for all those years lifted off me! Up till then I always used to hide as best I could, a spirit of rejection which a lot of the time outwardly was not visible but was with me throughout my life. No matter what accolades, recognition or accomplishments I achieved there always seemed to be a bitter/sweet taste to it. I tell you this not to wear my heart on my sleeve but to tell you that whatever past you may have in the natural, Gods future for you in the *supernatural* for such a time as this, is also summed up in Jeremiah 17: 7-8! God is no respecter of persons and what He has done for me, He can and will do for you. If you have been Born Again, the Bible confirms that you *have* been Called by God to fulfil His Purposes and Plans for this time – All He is Asking of you is to get off your “*rusty dusty*”, make yourself unconditionally available to Him in your area of influence at home, work and play and He will Do the rest. The

first two letters of God is “GO” and the first three letters of Satan is “SAT”... Remaining spiritually seated at this time speaks for itself regarding who you are indirectly serving because all it takes is Gods People to do nothing for the enemy to win this Battle of all battles before us. *Many will be Called by God, few will be Chosen and even less will be Sent* John 20:21 “Sent” at this time for no other reason than ones level of availability! It never has been about your ability but rather about your AVAIL-ability because He does not Call the equipped but rather Equips the Called... Who choose to make themselves unconditionally available to Him!

... **Gideon in Judges** Chapter 6-7 was from the smallest tribe and he considered himself the least of his tribe. Once God had convinced him that it was not his ability but his AVAIL-ability that He wanted, he was Instructed to “Call” as many volunteers as possible from his tribe and 32,000 men responded. Recognizing that most of them did not have their heart in what they had volunteered for, God Told Gideon to send those who did not want to be there home – Only 10,000 (Just over 30%) chose to remain as Gods “Chosen” but once again God knew that most of those who remained would not complete what He had in mind in the way He had in mind. (Gods Will/Word Done Gods Way!) As a result a mere 300 (Less than 1%) were John 20: 21 “Sent” by God to do something that was impossible in the natural but would be HIM-possible in the supernatural... If everyone played their Designated Part! Gods New Wine Season before us entails a similar pattern where although many will be Called, fewer will be Chosen and even fewer will be Sent for the same reasons as what took place in Judges Chapter 6-7 – Ones level of AVAIL-ability!

... **Called** (Metamorphosis-ed) Being John 3: 3 “Called” or Born Again by God is a wonderful privilege and honour but we need to play our part for us to truly qualify for the next two segments (Chosen and Sent) that make up the “Being Made Whole” in Christ as God intended His People to be. Like Adam in the Garden, I found God also Calling to me: “Where are you?” (Gen. 3: 9) not because

He did not know where I was but like Adam I did not know where I was with Him! You see like Adam, I had also eaten of the wrong tree not long after I was Born Again and had also taken cover for 17 years from His all seeing Sight under the dreaded Genesis 3: 21 self righteous Babylonian Uniform garment. What had started out as a naked, transparent and open bi-directional relationship had become what I can only describe as “Hypocritically calling those things that were not as though they were” - Often in the image and likeness of the Pharisees and Sadducees that Jesus accused of washing the outside of the cup but remaining filthy from within, self righteously depending on my Jer. 17: 5 “Flesh” for my strength.

Much of what I saw in myself and others I associated with made me despise what I represented as a so called “Christian” - The meaning of which is: “Christ-like in character and nature”! At times I was nowhere near anything like Christ was in the Bible when He walked this Earth - Everyone I asked about this told me not to be too hard on myself as we were “Only human”! Eventually I could not take anymore so I left and joined a group of Believers who felt the same way as I did but little did I know that I was jumping from the proverbial frying pan and into the fire. What I saw in those I was now fellowshiping with was the very same self righteous hypocrisy I had experienced before but in another form – It was just another arm of the same Babylonian Octopus!

For a season after leaving this group of Christians I went solo and backslide until I found someone else who had also decided to go it alone. From this association we formed “The First Offended Church of Zimbabwe” which we remain founding members of to this day - I find it makes a nice “Ice Breaker” as a conduit/platform when I try to restore Backsliders in my area of influence... Not back to the Babylonian System they left but Christ Jesus who initially was the Reason they became Christians in the first place! Past hurts from Christians always seem to play a major part in them no longer wanting to go back to Church but to neutralize this I use a tried and tested three pronged attack as follows which has proved reasonably successful over the years:

- *If one is in a Garage it does not necessarily make you a car. By the*

same token if you are in a Church it does not necessarily make you a Christian in Christ's Image and Likeness!

- I show them from the Scriptures in Matthew 13 and 24 that Jesus was fully aware of these "Tare Christians" within His Body as well as what they represented. By isolating themselves from them is admitting defeat and allowing darkness in and through these Christians to prevail!

- When Jesus Rode into Jerusalem on a colt the very same people who were part of "The Triumphal Entry" in Luke 19 were three days later frog marching Him to Golgotha to be Crucified. Being celebrated in one breath, to be cursed shortly thereafter, has been taking place for thousands of years - the abuse of something does not justify the non use thereof!

Although this approach may not work all the time it does at least give me a "Bridge" to use in the future to continue working on them whenever the chance as Led arises.

Shortly after all this took place I went to work one morning and found a Butterfly Chrysalis on the middle of my Desk Pad – I was the last to leave the night before and I was the first to arrive, so I knew in my spirit that God was trying to show me something. After prayerful consideration and a bit of research, I knew that God wanted me to free wilfully set aside my old "Caterpillar" self righteous Christian ways... So I could be spiritually metamorphosis-ed by Him into a metaphoric African Monarch Butterfly in due season, fit for the Masters future Use. Without any hesitation I gladly and free wilfully gave Him my unconditional permission to Do what He had to from within to bring this about - Not knowing it would take all of 8 lonnnnnnnng years before I even saw the so called proverbial Light of Day but it was worth every ounce of onion peeling! Many times over the next 8 years the still small Voice of the Holy Spirit would Point out things in my makeup that I truly felt was ok until He played back times in the past where and how I had used them!! Without exception He was right every time and I would soon be on my face convicted, ashamed and feeling unclean asking for Gods Forgiveness as well as to (Isaiah 6:7) "*Touch my lips and take away my guilt*"! Every time this happened although it was 1 step backwards in one sense, it was also two steps progressively forward in Christ Jesus!

For a number of years people had repeatedly been on my case to start some sort of Men's Ministry but although I knew that's where God was pointing me to, I also knew the timing was not right. You see I had a number of roots and fruits to deal with first - "*Constriction*" (From the outside in) and "*Encrustations*" (From the inside in)! Until they were done and dusted I knew I would have to Isaiah 40:31 "*Wait upon the Lord*" while repeatedly peeling onions in the Spirit until they were behind me. Having never heard of anyone else I knew going through what I went through, I would often have a Pity Party wondering why I had been singled out for such rough treatment by Him. In response God one day Showed me that His New Day always starts at 6 P.M. with 12 hours of darkness first. The first part of His New Day will always be to foundationally Build downwards, taking away that which will not serve His purposes and replacing it with that which will – This time of John 15:2 "*Pruning*" is aimed at foundationally putting down Jer. 17:7&8 "*Roots by the Stream*" so one can and will produce "*Fruit good for eating and Leaves for Healing both in and out of Season*" for those in your area of influence... Because Water from the Sanctuary now flows to them through you!

... **Chosen** (Trees Rooted in The River) "*Fruit Trees of all kinds will grow on both banks of The River. Their Leaves for healing will never wither and their Fruit good for eating, will not fail. Every month they will bear because the Water from the Sanctuary flows to them*" (Ezekiel 47:12)

About two years after I Heard audibly from God at the Zambezi River in September 2004, God the Holy Spirit Prompted me to make another trip to the same place.

As we drove down the steep decline through the Escarpment approaching the Zambezi Valley I had another "*Eagle*" experience but this time it was with a Golden Eagle. It was about mid-day and the Golden Eagle flew directly towards me, then "*U*" turned above our car and proceeded to accompany us as we wound our way down – How I knew this was because its shadow remained on the Bonnet of my car, so although I could not see the Eagle I knew it was there the whole time. When it was time to go it flew about 20 meters ahead of

us and then banked off – Needless to say I knew God was Showing me to put my Isaiah 6:9 “3G Seeing Glasses” on as another one of His spiritual Safaris had begun. The surrounding area as we approached the Zambezi River was dead, desolate and dry with very little signs of life of any kind. It was only when we reached The River that this changed because what we saw at The River was the total opposite – It seemed as though every Living Creature had relocated to The River where there was a life of abundant provision freely available for all to enjoy! Apart from a never ending supply of fresh, clean water, there was also plenty of metaphoric “*Good Fruit for eating and Leaves for healing*” of every kind for those who chose to reside there. (Those who live alongside of the Zambezi from its humble beginnings in Zambia, through Angola, back into Zambia, along the borders between Zimbabwe and Zambia, through Mozambique all the way into the Indian Ocean refer to it as “*The River of Life*”!)

In John 4:32-34 Jesus told His Disciples that He had “*Food*” to eat which at the time they knew not of. This “*Food*” was to Do the Will of the Father who had John 20:21 Chosen and “*Sent*” Him. Being rooted in the Ezekiel 47:12 “*River of Life*” which flows from Gods Throne Room is to no longer be subject to ones environment but for ones environment to be subject to you – *Being Light over darkness, being Life over death, being Love over hatred & discord and exercising Heavenly Dominion (Influence) & Authority where He has Planted you for such a time as this.....*Because everything grows where the River Flows transforming and renewing that which was destined to return to the proverbial dust it was formed from in your area of Godly Influence! “*You will never fear the heat when (Not if) it comes, you will not worry in the year of the drought and you will never fail to bear fruit.*” (Jer. 17: 8)

I had 5 different Eagles experiences while I was at The River involving 3 different species of Eagles which space does not allow me to amplify but which were very significant in the context of Ezekiel 47:12. Even the Locals frequented The River to wash themselves, get drinking water and to catch Fish for their families and themselves. Gods abundant Provision was freely available for all to receive without reservation. What stuck out the most from all this was the

innumerable evergreen Trees on both Banks of The River that were rooted and sustained by the Water which flowed from The River... Ensuring they never failed to yield that which God had Designed them to unselfishly produce for a lost, dark, desolate and dying World in their area of influence.

... **Sent** (Fish Eagle of Men) As the Father has John 20:21 “*Sent*” Christ Jesus so He wants to Send us to our area of Godly Influence where we are to be Light (Where darkness is present), Life (Where death is present) and Love (Where hatred & discord is present). Just after my 8 year Sabbatical started, God the Holy Spirit asked me if I wanted to be a Fisher of Men or a Fish Eagle of Men. (Refer Chapter 3 “*With Signs Following*”) Having studied in depth the habits and makeup of all types of Eagles, I knew my Higher Calling was to choose being a “*Fish Eagle of Men*” but at the time no Biblical reference came to mind. I knew God was Speaking to me so I blindly chose the 2nd option and God did not disappoint. From that time on He Showed me a total of 7 Fish Eagle experiences in the natural which were totally out of character (See Chapter 3). In every case I always had at least one witness to confirm what I saw these Fish Eagles do in the natural. With hindsight I now recognize He was showing me the Character Traits I would have to have within me to qualify to be Called, Chosen and Sent by God as a *Fish Eagle of Men* (First the natural):

- I was to soar (Not fly) by the spiritual thermals of the Lord Holy Spirit
- I was to see with the eyes of my heart using Gods 3G Seeing Glasses
- I was to Isaiah 40:31 Wait on God no matter how long He took
- Gods Provision / Protection would be total for me and mine
- I was to plant and water His incorruptible Seed only in good soil
- I was not to look back but press on, to and through
- I was to set captives free only if they truly wanted to be set free
- I was to facilitate setting them free over a 6 month period

Every one who is “*Sent*” has to always remember that under no circumstances can they go it alone because they will come spiritually unstuck or be ensnared. Not even the Lone Ranger did what he had to do alone but had Tonto as his constant companion!

Apart having the Lord Jesus covering my back at the Fathers Right hand, having the Holy Spirit to Guide and Counsel me as only He can and Guardian/Ministering Angels to assist as required, this Ministry has been Blessed with a number of Exodus 17:12 Holy Spirit Led “Arm Bearers”. Whatever battle is before us, is and always will be the Lords but like Moses we will have to play our part to ensure victory is ours by the end of it. Like Aaron and Hur, our Arm Bearers have free wilfully made themselves available to stand in the gap as Led for this Men’s Ministry I head up and often I can tangibly feel their Spirit Led Prayers over what we do – As a result we would never go anywhere without them as an integral “Engine Room” part of this Ministry and what we accomplished will in a large part, be due to them. This Ministry with the men has been going for 9 months and already it has become my privilege and pleasure to see most of the men who attend becoming “Sent Ones” in their areas of influence at home, work and play. When we first started we all had issues from the past some of which were justified and some of which were not. A number of us had issues which only God could reverse for good and I believe without exception those that pressed on and through have put these to rest once, for all and forever – What the enemy intended for their harm God has and will continue to use for their good. (Scar Tissue in Christ’s Image and Likeness, is only attainable through wounds that have healed in Christ’s Image and Likeness) Although we are still a long way from where we should be in Christ, we are no longer where we were... We are well on our way to Ephesians 4:13/24 “Being Made Whole” attaining to the full Measure of the fullness of Christ Jesus. Will you pay the ultimate price and also make yourself unconditionally available?

... *As the final paragraph* of this book, I want to remind you that if you make yourself unconditionally available to God for such a time as this in your area of influence, three Promises from Revelation 17:14 will be yours:

- *You WILL be one of His Called, Chosen and Sent faithful Followers (A New Covenant Gideon’s Army headed up by the King of kings and Lord of lords)*

- *You WILL overcome the Babylonian Harlot and her kings – At home, at work and at play*
- *You WILL be part of the Revelation 21 “New Jerusalem” where nothing impure will enter nor anyone who is shameful and deceitful*

WORDS FROM GOD

On 19th Oct. 2012 God Gave me a Psalm 91 Word for His People for such a time as this:

To those who unconditionally choose at this time to dwell in My Secret Place you will:

- *Be saved from the Fowlers Snare and from deadly pestilence*
- *Be covered with My Feathers and under My Wings you will find Refuge*
- *Find My Faithfulness which will be your Shield and Rampart*
- *Not fear the Arrow that flies by day, the Pestilence that stalks at night and the Plague that destroys at mid-day*
- *See a thousand fall at your side, ten thousand at your right hand but it will not come near you*
- *Only observe with your eyes and see the punishment of the wicked*

- *See that no harm will befall you and no disaster will come near your tent*
- *See My Angels whom I have Commanded concerning you to Guard you in all your ways*
- *Tread upon the Lion and the Serpent*
- *Trample the Great Lion and the Cobra*

The Lord would Say because you have chosen to love Me I will:

- *Rescue you*
- *Protect you*
- *Answer you when you call upon me*
- *Be with you in trouble*
- *Deliver you*
- *Honour you*
- *Satisfy you with long life*
- *Show you my salvation*

EPILOGUE

Whatever individual and corporate Praise and Worship we do on this Earth will be Choir Practice for when we get to Heaven where we will join the 24 Elders, those who have gone before us and the Angels in giving Him who sits on The Throne glory, honour and thanks day and night casting our Crowns before His Throne saying (Rev. 4:1-11):

*You are Worthy, our Lord and God,
To receive Glory and Honour and Power,
For You Created all things,
And by Your Will they were Created,
And have their being*

Jesus has now made it possible as His 2 Cor. 6:16/1 Cor. 3:16 “Living Temples”(Individually and corporately), to Worship God on Earth as it is in Heaven, if and when we choose to..... Press in, through and past The Outer Court and its Furnishings..... Press in, through and past The Inner Court and its Furnishings.....Into (Psalm 91) “The Secret Place” at the foot of The Mercy Seat.... Where Gods Mercy triumphs over all forms of judgement and Gods Shekinah manifested Presence supernaturally, naturally does what it does best:
*Rescues you
Protects you
Answers you when you call
Is with you in trouble
Delivers you
Honours you
Satisfies you with long Life
Shows you His Salvation*

Anything less than experiencing and enjoying this on Earth as it is in Heaven is like the Second Prodigal in the parable of “The Prodigal Son”... Who was a Son and an Heir in title but was no better off than a Hired Hand in practice! (Read Galatians 4:1) Gods New Covenant Package for you has and always will be His Best which is exceedingly,

abundantly, above all you could imagine – The Zoe (God kind) Life consists of you shining Heavenly Light, Life and Love in all their facets and forms wherever you find yourself. To choose to settle for anything less through ignorance or deception is something I believe Grieves God.- In my case it was a combination of both and it took me all of 17 years as a Born Again, Spirit filled, Bible believing Christian to realize I had been eating the proverbial crumbs off His Banquet Table. It then took me another 8 years to work my way back to where I should have been when this all started 25 years ago. Although I may not be where I should be, I am a long way from where I used to be, going around the same old proverbial mountains again and again and again!

I trust the contents of what I have shared in this book goes some way to fast tracking you onto this self same path of Being Made Whole I am now on. In one way it will cost you nothing and in another it will cost you everything but I assure you whatever it costs you, it will be well worth it! His Heaven on Earth Banquet Table awaits you and anyone else who diligently seeks Him. Jesus Seated at the Fathers Right Hand continues to repeatedly Call to you (Rev.3:20):

“See I knock on the Door of your Heart. If you open it, I will come in and Eat with you and you with Me”

What He has and continues to do for me, He will do for you... And then some!

Be Blessed,
Neville (Now with the second “E”)
